**Luster of Jade** Catherine Yi-yu Cho Woo,1992-01-01      *Poetry and Painting in Song China* Alfreda Murck,2020-10-26

Throughout the history of imperial China the educated elite used various means to criticize government policies and actions During the Song dynasty 960 1278 some members of this elite found an elegant and subtle means of dissent landscape painting By examining literary archetypes the titles of paintings contemporary inscriptions and the historical context Alfreda Murck shows that certain paintings expressed strong political opinions some transparent others deliberately concealed She argues that the coding of messages in seemingly innocuous paintings was an important factor in the growing respect for painting among the educated elite and that the capacity of painting s systems of reference to allow scholars to express dissent with impunity contributed to the art s vitality and longevity      Wu Wenying and the Art of Southern Song Ci Poetry Grace S. Fong,2014-07-14 The author begins with a biography exploring the moral and aesthetic implications of Wu s life as a guest poet patronized by officials and aristocrats and continues with a reconstruction of the historical and literary context needed for modern readers to grasp his poetic techniques Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      The History of Art in Sui, Tang and Five Dynasties Li Shi, The book is the volume of The History of Art in Sui Tang and Five Dynasties among a series of books of Deep into China Histories The earliest known written records of the history of China date from as early as 1250 BC from the Shang dynasty c 1600 1046 BC and the Bamboo Annals 296 BC describe a Xia dynasty c 2070 1600 BC before the Shang but no writing is known from the period The Shang ruled in the Yellow River valley which is commonly held to be the cradle of Chinese civilization However Neolithic civilizations originated at various cultural centers along both the Yellow River and Yangtze River These Yellow River and Yangtze civilizations arose millennia before the Shang With thousands of years of continuous history China is one of the world s oldest civilizations and is regarded as one of the cradles of civilization The Zhou dynasty 1046 256 BC supplanted the Shang and introduced the concept of the Mandate of Heaven to justify their rule The central Zhou government began to weaken due to external and internal pressures in the 8th century BC and the country eventually splintered into smaller states during the Spring and Autumn period These states became independent and warred with one another in the following Warring States period Much of traditional Chinese culture literature and philosophy first developed during those troubled times In 221 BC Qin Shi Huang conquered the various warring states and created for himself the title of Huangdi or emperor of the Qin marking the beginning of imperial China However the oppressive government fell soon after his death and was supplanted by the longer lived Han dynasty 206 BC

Crystal Catherine Yi-yu Cho Woo, Sandra Ann Wawrytko, 1995 The many manifestations of Chinese poetry are crystals in which we may glimpse the multi-faceted reflections of Chinese life values philosophy and emotions This artistic and literary genre reveals the inner lives of the Chinese people how they think feel imagine and hope The authors have sought to convey some sense however fragmentary of the artistic impulse in China as it confronts the endless mystery of existence through the millennia The continuing impact of external influences on a culture remains uncertain So too does the scope of the influence China will have on the world community in the twenty-first century and beyond If you listen closely and with a receptive ear the resounding echoes of China's past present and future can be heard in the mellifluous voices of its poets

**Tea Poetry and Tea Tao in Song Dynasty** Jie Huang, 2025-09-26 This book systematically explores the tea culture in the tea poetry of the Song Dynasty comprehensively presents the style of tea Tao in the Song Dynasty and presents the relationship between tea Tao and the creation of tea poetry in the Song Dynasty greatly expanding the literary resources for the study of tea Tao and coming up with new findings including the conclusion that tea art and tea Tao are one and the same as the former constitutes the essence of the latter Tea Tao is a crystallization of Chinese culture which underwent broader and more profound development during the Song Dynasty It has inherited the achievements of ancient Chinese thoughts and incorporated the new developments of Taoist and Zen Buddhist thoughts in the medieval period showcasing the characteristics of the nation and the time The cultivated personality of tea people is rooted in the vast land and traditional culture of China which has defined the formation of tea Tao and the creation of tea poetry

*The Pastoral in Charles Griffes's Music* Taylor A. Greer, 2024-06-18 At the turn of the century visionary composer Charles Tomlinson Griffes synthesized highly diverse elements from other musical traditions into his distinct artistic voice As American as he was far-ranging in his interests Griffes was an aesthetic polyglot combining elements of literature visual arts global folk melodies and contemporary European art music into a new musical language The breadth of his sources of inspiration are breathtaking including the sensual harmonies of fin de siècle French music the British Aesthetic Movement folk music drawn from the Middle East and Java and a wide range of poets including William Blake Samuel Taylor Coleridge

and William Sharp The Pastoral in Charles Griffes s Music explores both his music and the rich historical context from which it grew to enrich our understanding of the composer s artistic contribution and reveal new intersections and contradictions in European and American culture during the early twentieth century Taylor A Greer also critiques the philosophical foundation of topic theory and its relationship to the pastoral in Griffes s music to reflect on the end of the nineteenth century and clarify our understanding of his artistic influences With Griffes s conception of the pastoral he transformed the siciliana based tradition he inherited from the eighteenth century into a new and vibrant genre that preserved the usual associations of simplicity and tranquility and introduced new elements of tension into the pastoral ideal including global voices paradox and occasional conflict

**A History of Western Appreciation of English-translated Tang Poetry** Lan

Jiang,2018-03-08 This book examines the development of English translated Tang poetry and its propagation to the Western world It consists of two parts the first of which addresses the initial stage of English translated Tang poetry s propagation and the second exploring its further development By analyzing the historical background and characteristics of these two stages the book traces the trend back to its roots discusses some well known early sinologists and their contributions and familiarizes readers with the general course of Tang poetry s development In addition it presents the translated versions of many Tang poems The dissemination of Tang poetry to the Western world is a significant event in the history of cross cultural communication From the simple imitation of poetic techniques to the acceptance and identification of key poetic concepts the Tang poetry translators gradually constructed a classic Chinese style in modern American poetry Hence the traditional Chinese culture represented by Tang poetry spread more widely in the English speaking world producing a more lasting impact on societies and cultures outside China and demonstrating the poetry s ability to transcend the boundaries of time region nationality and culture Due to different cultural backgrounds the Tang poets or poems admired most by Western readers may not necessarily receive high acclaim in China Sometimes language barriers and cultural differences make it impossible to represent certain allusions or cultural and ethnic concepts correctly during the translation process However in recent decades the translation of Tang poetry has evolved considerably in both quantity and quality As culture is manifested in language and language is part of culture the translation of Tang poetry has allowed Western scholars to gain an unprecedented understanding of China and Chinese culture     *Art Song in the United States, 1759-1999* Judith E.
