Lyb Love You Baby:

Lyb Nancy Friz Schreiber,2005-08-01 I have been writing poetry my whole life What was my dream To someday write my own book Well the opportunity arose and I took advantage The poems in this book are all about love and friendship At the end of each poem you will see the letters LYB Those letters are my sign off letters on the computer They stand for Love you baby therefore the title of my first book Poetry comes from within a person Most poetry is written about things close to one's heart My poetry is no different I have been inspired to write by many different things I have experienced throughout my life the friends who have shared their lives with me and the people I have loved This book was inspired by a very special person in my life Without this person I don't think I would have been able to accomplish as much as I did Remember special friends and special relationships create a happy life **Electronic Musician** ,2006 **Reverse Acronyms, Initialisms, & Abbreviations Dictionary** ,2009 **Billboard** ,2011-01-08 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *The Devil's Monk* J.R.
