

Lie Low

To hide or avoid being seen so you will not be caught or found by someone; to keep quiet, avoid the spotlight or avoid publicity...

“We ran to the woods, hoping we could lie low for a while.”

Lying Low:

Lying Low Diane Johnson, 1998-04-01 NATIONAL BOOK AWARD FINALIST A nearly flawless performance a beautifully constructed elegantly written book delicate in its perceptions powerful in its impact New York Times The riveting story of four crucial days in the lives of four people sharing a rambling Victorian house lying low and harboring secrets not meant to be shared Theo Wait a middle aged former ballet dancer and her brother Anton have taken in two boarders beautiful Lynn who never receives mail or visitors and energetic and effusive Ouida a Brazilian student and illegal alien who won't let complicated bureaucratic wrangles and constant fear of deportation taint her vision of America as the land of opportunity A faked identity a search for one of the FBI's most wanted escaped prison convicts and a Brazilian feast that spins out of control kick the plot into high gear While each of these characters has been plagued by a sense of impending disaster the terrible thing they've all been fearing comes from an entirely unexpected direction shattering all of their lives Garner's Modern American Usage Bryan Garner, 2009-07-28 Since first appearing in 1998 Garner's Modern American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases GMAU authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation An exciting new feature of this third edition is Garner's Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout GMAU is the first usage guide ever to incorporate such a language change index The judgments are based both on Garner's own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved Bryan A Garner is a writer grammarian lexicographer teacher and lawyer He has written professionally about English usage for more than 28 years and his work has achieved widespread renown David Foster Wallace proclaimed that Bryan Garner is a genius and William Safire called the book excellent In fact due to the strength of his work on GMAU Garner was the grammarian asked to write the grammar and usage chapter for the venerable Chicago Manual of Style His advice on language matters is second to none **AAOS Essentials of Musculoskeletal Care** American Academy of Orthopaedic Surgeons (AAOS), 2021-09-23 Essentials of Musculoskeletal Care Enhanced Fifth Edition is a robust educational resource focused on how to evaluate and manage common musculoskeletal conditions **Slang and Its Analogues Past and Present** William Ernest Henley, 1896 **Lay Low and Collect the Dough** Harold Kraft, 2021-06-21 Harold Kraft worked two and a half years at Steam Heating Plant Then he read meters for twenty two and a half years He finished with just over fifty nine years at the meter services department This book is about many experiences during that time He was told to write about those times from family and friends Here they are **Englisch-Deutsches und**
