Lyndon Johnson H. L. Muslin,1990-01-01 Lyndon Johnson Hyman L. Muslin,Thomas Jobe,1991-03-21 **The Psychotherapy of the Elderly Self** Hyman L. Muslin,1992 First Published in 1992 Routledge is an imprint of Taylor Francis an informa company LBJ's Neglected Legacy Robert H. Wilson,2015-06-15 During the five full years of his presidency 1964 1968 Lyndon Johnson initiated a breathtaking array of domestic policies and programs including such landmarks as the Civil Rights Act Head Start Food Stamps Medicare and Medicaid the Immigration Reform Act the Water Quality Act the Voting Rights Act Social Security reform and Fair Housing These and other Great Society programs reformed the federal government reshaped intergovernmental relations extended the federal government s role into new public policy arenas and redefined federally protected rights of individuals to engage in the public sphere Indeed to a remarkable but largely unnoticed degree Johnson s domestic agenda continues to shape and influence current debates on major issues such as immigration health care higher education funding voting rights and clean water even though many of his specific policies and programs have been modified or in some cases dismantled since his presidency LBJ s Neglected Legacy examines the domestic policy achievements of one of America s most effective albeit controversial leaders Leading contributors from the fields of history public administration economics environmental engineering sociology and urban planning examine twelve of LBJ s key domestic accomplishments in the areas of citizenship and immigration social and economic policy science and technology and public management Their findings illustrate the enduring legacy of Johnson s determination and skill in taking advantage of overwhelming political support in the early years of his presidency to push through an extremely ambitious and innovative legislative agenda and emphasize the extraordinary range and extent of LBJ s influence on American public policy and administration Shame and Humiliation Blema S. Steinberg,1996-04-16 Steinberg focuses on the narcissistic personality identifying it as intensely self involved and preoccupied with success and recognition as a substitute for parental love She asserts that narcissistic leaders are most likely to use force when they fear being humiliated for failing to act and when they need to restore their diminished sense of self worth Providing case studies of Johnson Nixon and Eisenhower Steinberg describes the childhood maturation and career of each president documenting key personality attributes and then discusses each one s Vietnam policy in light of these traits She contends that Johnson authorized the bombing of Vietnam in part because he feared the humiliation that would come from inaction and that Nixon escalated U S intervention in Cambodia in part because of his low sense of self esteem Steinberg contrasts these two presidents with Eisenhower who was psychologically secure and was therefore able to carry out a careful and thoughtful analysis of the problem he faced in Indochina Shame and Humiliation reveals how personality traits affect our perception of reality and offers a powerful demonstration of the impact of psychodynamics on presidential decision making The Unmaking of the Middle East Jeremy Salt,2008 Politics government *The Biography Book* Daniel S. Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals [Current Catalog](#) National Library of Medicine (U.S.),1993 First multi year cumulation covers six years 1965 70 **Remember the Liberty!** Ernest Gallo,Ronald Kukal,Phillip Nelson,Phillip Tourney,Raymond McGovern,2017-05-19 One of the most explosive and hidden secrets in U S history one that has never been previously told Remember the Liberty explores how a sitting U S president collaborated with Israeli leaders in the fomentation of a war between them and their Arab neighbors A war that would ensure a victory for Israel and include the acquisition of additional land This book will finally identify the real cause of the vicious attack on a U S Naval ship After the botched plan was executed the ship refused to sink even after being hit by a torpedo leading the attack to be cancelled and a massive cover up invoked Including severe threats for the crewmembers to keep their lips sealed That cover up is barely still in place and completely exposed Written largely by the survivors themselves the truth is finally being told with the real story revealed *LBJ: From Mastermind to "The Colossus"* Phillip F. Nelson,2014-11-04 Phillip F Nelson s new book begins where LBJ The Mastermind of the JFK Assassination left off Now president Johnson begins to push Congress to enact long dormant legislation that he had previously impeded always insisting that the timing wasn t right Nelson argues that the passage of Johnson s Great Society legislation was designed to take the focus of the nation off the assassination as well as lay the groundwork for building his own legacy Nelson also examines Johnson s plan to redirect US foreign policy within days of becoming president as he maneuvered to insert the US military into the civil war being fought in Vietnam This he thought would provide another means to achieve his goal of becoming a great wartime president In addition Nelson presents evidence to show that the Israeli attack on the USS Liberty in 1967 was arguably directed by Johnson against his own ship and the 294 sailors on board as a way to insert the US military into the Six Day War It only failed because the Liberty refused to sink Finally Nelson presents newly discovered documents from the files of Texas Ranger Clint Peoples that prove Johnson was closely involved with Billie Sol Estes and had made millions from Estes s frauds against taxpayers These papers show linkages to Johnson s criminal behavior the very point that his other biographers ignore Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish

Religious Experience and Self-Psychology

Jung Eun Jang, 2016-11-09 This book explores the 1907 Korean Revival Movement from a self psychological perspective The examination of the psychological processes in the movement based on Heinz Kohut's self psychology can shed light on religious experiences as selfobject experiences by identifying the sense of defeatedness and helplessness that Korean people experienced under Japanese occupation as what Kohut calls self fragmentation of the Korean group self and explaining its therapeutic functions which facilitate potential for the narcissistic nourishment of the fragmented group self leading to renewed self esteem transformation and empowerment of the Korean people Korean people in the early 1900s experienced abuses and oppression by corrupt officials and exploitation by Japanese government Through religious experiences which emphasized the individual repentance the experience of God through the spirit emphasis on prayer and eschatological faith the Korean Revival Movement in 1907 enabled its followers to experience mirroring and idealizing selfobjects which function as a role of transforming the lower shape of narcissism into the higher one

The Psychohistory Review ,1998

Choosing War Fredrik Logevall, 2023-09-01 In one of the most detailed and

powerfully argued books published on American intervention in Vietnam Fredrik Logevall examines the last great

unanswered question on the war Could the tragedy have been averted His answer a resounding yes Challenging the prevailing myth that the outbreak of large scale fighting in 1965 was essentially unavoidable Choosing War argues that the Vietnam War was unnecessary not merely in hindsight but in the context of its time Why then did major war break out Logevall shows it was partly because of the timidity of the key opponents of U S involvement and partly because of the staunch opposition of the Kennedy and Johnson administrations to early negotiations His superlative account shows that U S officials chose war over disengagement despite deep doubts about the war s prospects and about Vietnam s importance to U S security and over the opposition of important voices in the Congress in the press and in the world community They did so because of concerns about credibility not so much America s or the Democratic party s credibility but their own personal credibility Based on six years of painstaking research this book is the first to place American policymaking on Vietnam in 1963-65 in its wider international context using multiarchival sources many of them recently declassified Here we see for the first time how the war played in the key world capitals not merely in Washington Saigon and Hanoi but also in Paris and London in Tokyo and Ottawa in Moscow and Beijing Choosing War is a powerful and devastating account of fear favor and hypocrisy at the highest echelons of American government a book that will change forever our understanding of the tragedy that was the Vietnam War In one of the most detailed and powerfully argued books published on American intervention in Vietnam Fredrik Logevall examines the last great unanswered question on the war Could the tragedy have been averted His answer a resounding yes Challenging

The Contemporary American President Robert E DiClerico,2016-12-05 Debuting in its first edition *The Contemporary American President* explores the potential and limitations of presidential influence in times of rising public expectation for the office and the declining ability of presidents to meet it It focuses on six major areas concerning the presidency selection power accountability decision making personality and leadership and offers an appreciation of the challenges of the office as the institution attempts to function in an increasingly controversial political environment

Profiles in Power Jelte Olthof,Maarten Zwiers,2020-08-31 The turbulent and unpredictable presidency of Donald Trump has intensified public and scholarly attention to the personalities of presidents *Profiles in Power* approaches the presidency as a personal affair that is shaped in part by the character of the occupants of the Oval Office and their attempts to craft public personas In ten biographical essays that focus on individual presidents and on one First Lady the authors in this volume build on a renewed interest in presidential studies that emphasizes individual agency As such the book seeks to bring the personal aspect of the presidency back into U S political history See inside the book

The American Presidents Tracy Irons-Georges,2000 The 42 essays are arranged chronologically by administration An Alphabetical List at the beginning of each volume helps readers find a particular entry Essays range from 6 to 40 pages and each includes a sidebar on the vice president and one on the First
