Lyndon Johnsons Dual War Vietnam And The Press

Robert A. Divine

Lyndon Johnsons Dual War Vietnam And The Press:

Lyndon Johnson's Dual War Kathleen J. Turner, 2011-01 Argues that Johnson's downfall was caused by the press and the Vietnam War

A Companion to Lyndon B. Johnson Mitchell B. Lerner, 2012-02-13 This companion offers an overview of Lyndon B Johnson's life, presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office. Explores the legacy of Johnson and the historical significance of his years as president. Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam. Incorporates the dramatic new evidence that has come to light through the release of around 8 000 phone conversations and meetings that Johnson secretly recorded as President

The Presidents vs. the Press Harold Holzer, 2021-08-24 An award-winning presidential historian offers an authoritative account of American presidents' attacks on our freedom of the press, including a new foreword chronicling the end of the Trump presidency. The FAKE NEWS media Donald Trump has tweeted is not my enemy; it is the enemy of the American People. Has our free press ever faced as great a threat? Perhaps not, but the tension between presidents and journalists is as old as the republic itself. Every president has been convinced of his own honesty and transparency; every reporter who has covered the White House beat has believed with equal fervency that his or her journalistic rigor protects the country from danger. Our first president, George Washington, was also the first to grouse about his treatment in the newspapers, although he kept his complaints private. Subsequent chiefs like John Adams, Abraham Lincoln, Woodrow Wilson, and Barack Obama were not so reticent, going so far as to wield executive power to overturn press freedoms and even to prosecute journalists. Theodore Roosevelt was the first president to actively manage the stable of reporters who followed him, doling out information, steering coverage, and squashing stories that interfered with his agenda. It was a strategy that galvanized TR's public support, but the lesson was lost on Woodrow Wilson, who never accepted reporters into his inner circle. Franklin Roosevelt transformed media relations forever, holding more than a thousand presidential press conferences and harnessing the new power of radio at times bypassing the press altogether. John F. Kennedy excelled on television and charmed reporters to hide his personal life, while Richard Nixon was the first to cast the press as a public enemy. From the days of newsprint and pamphlets to the rise of Facebook and Twitter, each president has harnessed the media, whether intentional or not, to imprint his own character on the office. In this remarkable new history, acclaimed scholar Harold Holzer examines the dual rise of the American presidency and the media that shaped it. From Washington to Trump, he chronicles the disputes and distrust between these core institutions that define the United States of America, revealing that the essence of their confrontation is built into the fabric of the nation

[The Johnson Years: Vietnam, the environment, and science](#) Robert A. Divine, 1987

The Wars of Watergate Stanley I. Kutler, 2013-08-28 This is the first truly comprehensive history of the political explosion that shook America in the 1970s and whose aftereffects are still being felt in public life today. Drawing on contemporary documents, personal interviews, memoirs, and a vast quantity of new material, Stanley Kutler shows

how President Nixon's obstruction of justice from the White House capped a pattern of abuse that marked his entire tenure in office. He makes clear how the drama of Watergate is rooted not only in the tumultuous events and social tensions of the 1960s but also in the personality and history of Richard Nixon. Kutler examines Nixon's confrontations with the institutions he feared and resented: the Congress, the federal agencies, the news media, the Washington establishment, and how they mobilized to topple the President. He considers the arguments of Nixon's defenders who insisted that Watergate was a minor affair and the contention that the President did nothing worse than his predecessors had done. He offers compelling portraits of the President's men: H. R. Haldeman, John Ehrlichman, John Mitchell, Charles Colson, John Dean, and of his adversaries: Judge John Sirica, the U.S. Attorneys, Special Prosecutors Archibald Cox and Leon Jaworski, and of the legislators who would stand in judgment: Sam Ervin and Peter Rodino. In the course of his engrossing narrative, Stanley Kutler illuminates the constitutional crisis brought on by Watergate. He shows how Watergate diminished the moral level of American political life and illustrates its continuing detrimental impact on the credibility, authority, and prestige of the Presidency in particular and the government in general. His book underlines for the American electorate the significance of Watergate for the future of our political ethics and the maintenance of our constitutional system, as well as for the place of Richard Nixon in American history.

Encyclopedia of American Journalism Stephen L. Vaughn, 2007-12-11 The Encyclopedia of American Journalism explores the distinctions found in print media, radio, television, and the internet. This work seeks to document the role of these different forms of journalism in the formation of America's understanding and reaction to political campaigns, war, peace, protest, slavery, consumer rights, civil rights, immigration, unionism, feminism, environmentalism, globalization, and more. This work also explores the intersections between journalism and other phenomena in American Society such as law, crime, business, and consumption. The evolution of journalism's ethical standards is discussed, as well as the important libel and defamation trials that have influenced journalistic practice, its legal protection, and legal responsibilities. Topics covered include: Associations and Organizations, Historical Overview and Practice, Individuals, Journalism in American History, Laws, Acts, and Legislation, Print, Broadcast, Newsgroups, and Corporations, Technologies. *History of the Mass Media in the United States* Margaret A. Blanchard, 2013-12-19 The influence of the mass media on American history has been overwhelming. History of the Mass Media in the United States examines the ways in which the media both affects and is affected by U.S. society. From 1690, when the first American newspaper was founded, to 1995, this encyclopedia covers more than 300 years of mass media history. History of Mass Media in the United States contains more than 475 alphabetically arranged entries covering subjects ranging from key areas of newspaper history to broader topics such as media coverage of wars, major conflicts, over press freedom, court cases, and legislation, and the concerns and representation of ethnic and special interest groups. The editor and the 200 scholarly contributors to this work have taken particular care to examine the technological, legal, legislative, economic, and political developments that have affected the American media. *Media Management in the Age of Lyndon B. Johnson*

Benjamin W. Quail, 2022-01-01 This book looks broadly at how the contentious relationships between the media and US President Lyndon B Johnson affected the national consciousness during the turbulent period of his leadership Johnson had to deal with a particularly difficult and divisive period in American history and his relationship with the press undoubtedly contributed to an atmosphere of friction within the United States A more specific purpose of this research monograph is ultimately to shine a light on the trials and tribulations that Johnson faced as a president dealing with new forms of communication in the 1960s It aims to show the difficulties that he had in adapting a very personal style of leadership which had served him well in the Senate in the role he undertook as leader of a nation Further to this it builds on this foundation to argue that Johnson developed a reactive passive stance to dealing with the media one that ultimately contributed to a loss in popularity and status as leader a blow he never recovered from during his time in office *Facing My Lai* David L. Anderson, 1998 But these questions are asked again in the hope that they might lead to a better understanding of what My Lai means for us now *Historical Dictionary of the 1960s* James S. Olson, 1999-12-30 Few eras in U S history have begun with more optimistic promise and ended in more pessimistic despair than the 1960s When JFK became president in 1960 the U S was the hope of the world Ten years later American power abroad seemed wasted in the jungles of Indochina and critics at home cast doubt on whether the U S was really the land of the free and the home of the brave This book takes an encyclopedic look at the decade at the individuals who shaped the era the civil rights movement the antiwar movement the women s movement and the youth rebellion It covers the political military social cultural religious economic and diplomatic topics that made the 1960s a unique decade in U S history *The Tet Offensive* William Thomas Allison, 2010-04-26 With Americans turning against the war in ever greater numbers struggles for power between the government and the military and no end in sight to the fighting the Tet Offensive of 1968 proved to be the turning point of the Vietnam War In *The Tet Offensive* historian William Thomas Allison provides a clear concise overview of the major events and issues surrounding the Tet Offensive and compiles carefully selected primary sources to illustrate the complex military political and public decisions that made up Tet The Tet Offensive is composed of two parts an accessible well illustrated narrative overview and a collection of core primary source documents Throughout the narrative historiographic questions are addressed within the text to highlight discussion among historians over pivotal points of debate The objectively selected documents provide students with raw material from which to gain insight into these events through their own analysis and to improve their ability to discuss and understand the importance of historical scholarship Approachable and insightful *The Tet Offensive* is not only a great introduction to reading history through primary sources it is an essential tool for understanding what made the Tet Offensive such an important turning point of the Vietnam War **Encyclopedia of journalism. 6. Appendices** Christopher H. Sterling, 2009-09-25 The six volume *Encyclopedia of Journalism* covers all significant dimensions of journalism including print broadcast and Internet journalism US and international perspectives history technology legal issues and court

cases ownership and economics *The A to Z of Journalism* Ross Eaman,2009-10-12 Journalism is the discipline of gathering writing and reporting news and it includes the process of editing and presenting news articles Journalism applies to various media including but not limited to newspapers magazines radio television and the internet The word journalist started to become common in the early 18th century to designate a new kind of writer about a century before journalism made its appearance to describe what those writers produced Though varying in form from one age and society to another it gradually distinguished itself from other forms of writing through its focus on the present its eye witness perspective and its reliance on everyday language The A to Z of Journalism relates how journalism has evolved over the centuries This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on the different styles of journalism the different types of media and important writers and editors The Odyssey of Echo Company Doug Stanton,2017-09-19 A portrait of the American recon platoon of the 101st Airborne Division describes their sixty day fight for survival during the 1968 Tet Offensive tracing their postwar difficulties with acclimating into a peacetime America that did not want to hear their story Media and the Politics of Failure L. Roselle,2006-09-02 Roselle analyzes how political leaders of powerful states use media to explain military defeats The cases of the United States in Vietnam and the Soviet Union in Afghanistan highlight the role of great power identity domestic politics and media structure **How Wars Are Won and Lost** John A. Gentry,2011-11-10 This provocative book seeks to answer a most crucial and embarrassing question concerning the U S military why the United States is so often stymied in military confrontations with seemingly weaker opponents despite its superpower status This fascinating book examines a question that continues to puzzle soldiers statesmen and scholars why do major powers including the ostensible superpower United States repeatedly perform poorly against seemingly overmatched adversaries And what can they and the United States do to better achieve their military objectives How Wars are Won and Lost Vulnerability and Military Power argues that beyond relying solely on overwhelming military might the United States needs to focus more on exploiting weaknesses in their adversaries such as national will resource mobilization and strategic miscues just as opposing forces have done to gain advantage over our military efforts The author tests the vulnerability theory by revisiting six conflicts from the Philippine War of 1899 1902 to the ongoing actions in Iraq and Afghanistan showing again and again that victory often depends more on outthinking the enemy than outmuscling them **The US Public and American Foreign Policy** Andrew Johnstone,Helen Laville,2010-06-10 Though often overlooked public opinion has always played a significant role in the development and promotion of US foreign policy and this work seeks to comprehensively assess the impact and nature of that opinion through a collection of historical and contemporary essays The volume evaluates the role of organizations and movements that look to represent public opinion and assesses the nature of their relationship with the government The contributors utilize a number of different approaches to examine this impact including polling data assessments of the role of the media and the wider consideration of ideas and

ideology moving on to examine the specific role played by the public in the policy making and policy promotion process Engaging with new questions as well as approaching old questions from a new angle the work argues that whilst the roles change and the extent of influence varies the power of the public to both initiate and constrain foreign policy clearly exists and should not be underestimated This work will be of great interest to all those with an interest in American foreign policy American politics and American history **Seymour Hersh** Robert Miraldi,2013 Seymour Hersh has been the most important famous and controversial journalist in the United States for the last forty years From his expos of the My Lai massacre in 1969 to his revelations about torture at Abu Ghraib prison in 2004 Hersh has consistently captured the public imagination spurred policymakers to reform and drawn the ire of presidents From the streets of Chicago to the newsrooms of the most powerful newspapers and magazines in the United States Seymour Hersh tells the story of this Pulitzer Prize winning journalist and author Robert Miraldi scrutinizes the scandals and n **The Columbia Guide to America in the 1960s** David Farber,Beth Bailey,2003-04-09 The 1960s continue to be the subject of passionate debate and political controversy a touchstone in struggles over the meaning of the American past and the direction of the American future Amid the polemics and the myths making sense of the Sixties and its legacies presents a challenge This book is for all those who want to take it on Because there are so many facets to this unique and transformative era this volume offers multiple approaches and perspectives The first section gives a lively narrative overview of the decade s major policies events and cultural changes The second presents ten original interpretative essays from prominent historians about significant and controversial issues from the Vietnam War to the sexual revolution followed by a concise encyclopedia articles organized alphabetically This section could stand as a reference work in itself and serves to supplement the narrative Subsequent sections include short topical essays special subjects a brief chronology and finally an extensive annotated bibliography with ample information on books films and electronic resources for further exploration With interesting facts statistics and comparisons presented in almanac style as well as the expertise of prominent scholars The Columbia Guide to America in the 1960s is the most complete guide to an enduringly fascinating era **Special Bibliography Series** ,1957

Lyndon Johnsons Dual War Vietnam And The Press Book Review: Unveiling the Power of Words

Lyndon Johnsons Dual War Vietnam And The Press Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Lyndon Johnsons Dual War Vietnam And The Press free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Lyndon Johnsons Dual War Vietnam And The Press free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF,"

users can find websites that offer free PDF downloads on a specific topic. While downloading Lyndon Johnsons Dual War Vietnam And The Press free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Lyndon Johnsons Dual War Vietnam And The Press. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Lyndon Johnsons Dual War Vietnam And The Press any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Lyndon Johnsons Dual War Vietnam And The Press Books

1. Where can I buy Lyndon Johnsons Dual War Vietnam And The Press books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
