Lysistrata Aristophanes (Playwright), 2012-12-04 Aristophanes son of Philippus of the deme Cydathenaeus was a comic playwright of ancient Athens Eleven of his 40 plays survive virtually complete These together with fragments of some of his other plays provide the only real examples of a genre of comic drama known as Old Comedy and they are used to define the genre Also known as the Father of Comedy and the Prince of Ancient Comedy Aristophanes has been said to recreate the life of ancient Athens more convincingly than any other author His powers of ridicule were feared and acknowledged by influential contemporaries Plato singled out Aristophanes' play *The Clouds* as slander contributing to the trial and execution of Socrates although other satirical playwrights had also caricatured the philosopher His second play *The Babylonians* now lost was denounced by the demagogue Cleon as a slander against the Athenian polis It is possible that the case was argued in court but details of the trial are not recorded and Aristophanes caricatured Cleon mercilessly in his subsequent plays especially *The Knights* the first of many plays that he directed himself In my opinion he says through the Chorus in that play the author/director of comedies has the hardest job of all wikipedia
