Lyssa Syndrome:

The Lyssa Syndrome [eBook - Biblioboard] Christopher Fahy, 2016 It begins with a bad headache a sore throat and a terrible thirst Then comes a state of frenzy Victims attack others tearing at their flesh with bared teeth Finally within a few days an agonizing death Rabies expert Dr Martin Farrow recognized the sudden outbreak as a mutant rabies strain The Pentagon recognized it as a classified weapon potentially more powerful than the nuclear bomb Dispatched to isolated Blue Harbor Maine Farrow was forced by the government to develop ever more contagious and vicious strains of the deadly virus through top secret experiments on mice on monkeys on dogs Until the night two animal rights activists broke into the lab to liberate the animals What they liberated instead was a disease that turned men women and children into crazed beasts And turned serene Blue Harbor into a war zone

The Lyssa Syndrome Christopher Fahy, 1990-03-01 Dr Farrow is commissioned by the government to develop a highly contagious rabies virus to be used as a weapon and when animal rights activists break into his lab they inadvertently release the killer virus into his sleepy New England community Nightflyer Christopher Fahy, 2016-11-02 JONATHAN IS IN HIS ROOM BUT HE S NOT IN HIS BODY Jonathan Petrie can leave his body and fly Best of all nobody knows it yet Not his alcoholic ailing mother nor his uncaring father Not the teacher who senses that he s changing nor the girl who befriends him And surely not the school kids who torment him mercilessly None of them knows the force he commands that he can see without being seen hear without being heard and that even now as the night winds howl he s plotting his revenge on them all

Limerock Christopher Fahy, 2016-12-11 Fifteen short stories about archetypal Maine natives and out of staters who have chosen to live in Maine The stories included in this collection The Smell of Spring The Rock The Glow of Copper Uncle Cub at the Paradise Fair The Best in the World Detour Lost The Tip Ride A Clock in San Diego One Day in the Short Happy Life of Anna Banana Mistakes Journey Holly Point Home In LIMEROCK Christopher Fahy does what he has always done so well he puts normal people into the most troubling circumstances then watches carefully to see what they will do A Fahy story is the most delicious kind of eavesdropping but we come away from each one with a bigger understanding of the little moments in our lives a bus ride a pail of berries a city clock snowflakes on a dark road This is human nature dissected in the most compassionate and lyrical way Cathie Pelletier author of The Weight of Winter and Beaming Sonny Home Christopher Fahy s stories are like Nelson Algren s The Neon Wilderness or anything by Erskine Caldwell Fahy writes from his soul deep inside truth about people caught in illiteracy and desperation These people who happen to be from Maine are from everywhere universal which is what great writing is about Fahy s command of colloquial speech shows brilliance Uncle Cub at the Paradise Fair is a masterpiece THIS BOOK IS A MUST READ Leo Connellan Connecticut Poet Laureate author of The Clear Bine Lobster Water Country and The Maine Poems Christopher Fahy s LIMEROCK is a downeast smorgasbord a feast of Maine life and its myriad characters One of Maine s literary treasures Fahy is equally adept at drama suspense reflection or farce He has the gift of vanishing before our eyes and

allowing other people to rise up whole living and breathing In these pages Fahy escorts his readers from kitchen to field forest to shore moving us like ghosts into the homes and hearts of the folks we've seen for years but never stopped to talk to Michael Kimball author of *Firewater Pond Undone* and *Mouth to Mouth* *Game meat hygiene* P.
