Climate change: Unpacking the burden on food safety Food and Agriculture Organization of the United Nations ,2020-03-01 Climate change is causing unprecedented damage to our ecosystem Increasing temperatures ocean warming and acidification severe droughts wildfires altered precipitation patterns melting glaciers rising sea levels and amplification of extreme weather events have direct implications for our food systems While the impacts of such environmental factors on food security are well known the effects on food safety receive less attention The purpose of Climate change Unpacking the burden on food safety is to identify and attempt to quantify some current and anticipated food safety issues that are associated with climate change The food safety hazards considered in the publication are foodborne pathogens and parasites harmful algal blooms pesticides mycotoxins and heavy metals with emphasis on methylmercury There is also a dedicated section on the benefits of forward looking approaches such as horizon scanning and foresight which will not only aid in anticipating future challenges in a shifting global food safety landscape but also help build resilient food systems that can be continually updated as more knowledge is assimilated By building a more widespread and better understanding of the consequences climate change has on food safety it is hoped that this document will aid in fostering stronger international cooperation in making our food safer by reducing the global burden of these concerns

Doctors and Demonstrators Drew Halfmann,2011-07-15 Since Roe v Wade abortion has continued to be a divisive political issue in the United States In contrast it has remained primarily a medical issue in Britain and Canada despite the countries shared heritage Doctors and Demonstrators looks beyond simplistic cultural or religious explanations to find out why abortion politics and policies differ so dramatically in these otherwise similar countries Drew Halfmann argues that political institutions are the key In the United States federalism

judicial review and a private health care system contributed to the public definition of abortion as an individual right rather than a medical necessity Meanwhile Halfmann explains the porous structure of American political parties gave pro choice and pro life groups the opportunity to move the issue onto the political agenda A groundbreaking study of the complex legal and political factors behind the evolution of abortion policy Doctors and Demonstrators will be vital for anyone trying to understand this contentious issue *Silent Vengeance* Allen Dekeyser,2025-08-05 *Silent Vengeance* by Allen DeKeyser Ethan Cross thought he d buried his past But when a masked assassin comes for him in the rain soaked streets he realizes the war he tried to leave behind has followed him home Hunted by the government s most lethal black ops program Project Revenant Ethan must outwit a relentless killer known only as the Wolf uncover a conspiracy buried in blood and confront the one mistake that has haunted him for years From explosive city chases to rain soaked forest ambushes and heart pounding close combat this illustrated action thriller will grip you from the first page to the last In a world where mercy is a death sentence and ghosts don t stay buried survival is the only vengeance that matters **Practical Aspects of Rape**

Investigation Ann Wolbert Burgess,2025-04-15 The latest sixth edition of *Practical Aspects of Rape Investigation* is a fully updated comprehensive volume on investigative procedures and victim oriented case management for professionals assisting victims of rape and sexual assault Rape and sexual assault cases have a devastating societal impact particularly among the vulnerable populations most affected including women children the elderly minorities and members of the LGBTQ communities Such cases are all too common and unfortunately the number of cases continues to rise As such the need for a current reference on the topic has never been more pressing Edited by Ann Wolbert Burgess the subject of Hulu s 2024 documentary series *Mastermind To Think Like a Killer* and an internationally recognized researcher and pioneer in the assessment and treatment of victims of trauma and abuse this book covers various topics contributed to by experts from a broad range of fields Leading academics researchers and investigative professionals address the problem of rape and sexual assault holistically focusing on the core principles of real world investigative techniques behavioral profiling investigative strategies and techniques social worker involvement and victimology When a rape case goes undetected or unreported a violent offender remains on the streets with the opportunity to reoffend often repeatedly Because victims are frequently reluctant to speak out or act in such cases this book aims to raise awareness and ultimately decrease the number of silent victims and improve rape investigative capabilities and outcomes *Practical Aspects of Rape Investigation Sixth Edition* provides the essential tools and techniques for professionals to best serve and advocate for victims It continues to serve as an invaluable reference for students legal professionals and case managers and as a blueprint for investigators and law enforcement professionals on case management best practices **Local Collections; Or, Records of Remarkable Events, Connected with the Borough of Gateshead ,1844 New England Conservatory Review ,1911**
