George Machine Gun Kelly Bart Largent, 2018-01-17 Those who knew George Kelly as a child would not have believed that he would go on to earn the nickname Machine Gun for an assortment of sordid crimes and misdeeds Kelly grew up in a thriving middle class home at a time when others were fighting to survive the Great Depression As a youngster he wanted for nothing On the other hand

Kelly needed money and power in a way that his staid upbringing wouldn't allow. By the time he hit high school, Kelly was deep into a life of crime that would make him one of the most notorious gangsters in America and attract the attention of J. Edgar Hoover himself. This new biography introduces you to the real Kelly and his less than savory acquaintances. With the help of his headstrong wife Kathryn, Kelly planned one of the biggest crimes of the decade. Kelly lived life on the edge and the subsequent manhunt made him infamous. While author Bart L. Largent details Kelly's shocking life, he also turns his attention to the tenacious lawmen who swore to bring Kelly in. Witness the true battle of wits between the gangster and the unrelenting detectives on his trail.

Kathryn Kelly Barbara Casey, 2016

The Year of Fear Joe Urschel, 2015-09-08

A compelling tale that looks at the turbulent year of 1933 and the narrative reads like the most nail-biting thriller imaginable yet it's all true. It's 1933 and Prohibition has given rise to the American gangster. Now infamous names like Bonnie and Clyde and John Dillinger. Bank robberies at gunpoint are commonplace and kidnapping for ransom is the scourge of a lawless nation. With local cops unauthorized to cross state lines in pursuit and no national police force, safety for kidnappers is just a short trip on back roads they know well from their bootlegging days. Gangster George "Machine Gun" Kelly and his wife Kathryn are some of the most celebrated criminals of the Great Depression. With gin running operations facing extinction and bank vaults with dwindling stores of cash, Kelly sets his sights on the easy money racket of kidnapping. His target: rich oilman Charles Urschel. Enter J. Edgar Hoover, a desperate Justice Department bureaucrat who badly needs a successful prosecution to save his job. Hoover's agents are given the sole authority to chase kidnappers across state lines. What follows is a thrilling 20,000-mile chase over the back roads of Depression-era America, crossing 16 state lines. Joe Urschel's *The Year of Fear* is a thrilling true crime story of gangsters and lawmen and how an obscure federal bureaucrat used this now legendary kidnapping case to launch the FBI. A good fast read. *The Year of Fear* takes off and shatters the lore. *The Washington Post*: A swift narrative and strong sense of place. *USA Today*: Many true crime books claim to shine a light on their chosen eras. This one is the real deal. Booklist starred review.

This work covers Bronson's entire output in film and on television and includes many film stills and photographs. Alphabetical entries list film or episode, complete cast and credits, and year of release. Accompanying each entry's plot synopsis and discussion is a survey of the critical responses to the work. The great Charles Laughton once said Bronson has the strongest face in the business and he is also one of its best actors. Pretty high praise for an actor who, though loved by fans worldwide, has been consistently underestimated by critics. Bronson's career has spanned five decades, from such television appearances in *The Fugitive*, *Rawhide*, *Bonanza*, and *Have Gun Will Travel* as well

as the telemovie A Family of Cops 1995 and its two sequels He will long be remembered for his role as urban vigilante Paul Kersey in the Death Wish films Bronson is one of the most enigmatic and also most recognizable of all film stars
