12103000	11-12	Probability & Statistics w/Apps H	1	Q	Algebra 2 or higher

Course offerings are based on the number of student requests.
If there is not enough requests for a course it will be cancelled.

- + = This course is available in a Pinellas County School virtual learning environment
- Q = Quality Point course
- Q\$ = Quality Point courses that earn 3 college credits. Must take both courses.
Lab fee attached with these courses of approximately \$60 each
- * = Paired Courses and you must take both courses
- ** = Must take both courses ALL year that will run 2 sequential periods earning 2 credits.
- *** = Graphing Calculator is required for this course

FSA EOC = Students are required to take the teacher's mid-term exam & the grade will count towards their 1st semester grade. Then students will take the EOC exam in place of a teacher's 2nd semester exam.

Students must participate in the EOC assessment and the results constitute 30% of the final grade.

- * = AP Students are required to take the teacher's 1st semester exam & the grade will count towards their 1st semester grade. Students must also take the "standardized" Advanced Placement Test in May. Students can exempt the 2nd semester teacher exam if they meet the Final Exam Waiver Requirements.

Please Note: Since math is a sequential subject, course prerequisites must be satisfied. In many instances, students are scheduled for math courses too early in the school year to determine whether or not they have fulfilled all necessary prerequisites for a math course. If it is determined at a later date that a student has not satisfied all prerequisites for a math course, the student will be rescheduled from that course to a more appropriate one.
