**UCSF News** University of California, San Francisco, 2000      *The Pro's Edge* Lawrence D. Lampert, 1998 Learn the hottest techniques available to take strokes off your golf game      *A woman's story*, by Florence Warden Florence Alice James, Florence Warden, 1903      *Living Beyond Nightfall* Troy Buckner, 2015-10-05

*Living Beyond Nightfall* Troy Buckner's real life journey to wholeness. The world is about to read a true story filled with pain, disappointment, and one woman's emotional fight for her life and that of her four wonderful sons. Buckner's story will take you to the very depths of despair and show you peace beyond understanding. It will reveal how her belief in the betterment of her community and love for her culture left her struggling to survive through a felonious alleged embezzlement charge which left her determine to put the fragments of her life back together again. Buckner's desire for penning this book is to ensure that the world never forgets the mayhem committed within our own communities by people who claimed their undying love for us. Buckner is force to cling to the most powerful vestige of her childhood the wisdom she had been endowed with by her father and her southern community. She was raised by a compassionate father who instilled greatness in her life by examples of his own broken struggles of growing up in the Deep South during slavery. Someone once said home isn't just a place where you live it's a state of the heart. However growing up in the Deep South meant so much more for Buckner. Lake Providence may have held a very small place on the map but it held a bigger place in her heart and soul something that she have connected to her entire life. Her community believed in hard work and integrity most of all having the courage not to give up not to quit. She was encouraged by her community to pursue an education during a time when no one cared enough to see that black youths had a professional career. On Buckner's fifteenth birthday her father arranged for her to fly to Las Vegas to visit her mom for the first time in eight years. Later that same year her father roused with a vision to start a general contractors and plumbing business despite the fact that he couldn't read or write nor could he add or subtract. Recognizing his limitations he never minimized the importance of education. Her father instilled in her the value of education and that the mind was too valuable to waste by introducing her to the business world at an early age. He inspired her to see that the greatest equalizer is indoctrinating one's mind with wisdom and knowledge recognizing that ignorance is the only bridge that separates us. He taught her to set realistic goals and then work harder than anyone else to experience success as a result of her hard work. He asked her to teach him how to read and write. This moment she would cherish for a lifetime. Buckner was elated to see her father signing his checks and reading his first book even though it was on a first grade level at the age of 50. Buckner had kept a diary since she was eight years old and eventually acquired a passion for writing. It provided a natural outlet to help her find that perfect peace in the things that she could not understand nor change. She felt somehow God was preparing her for an unknown journey. Buckner and her family went through five of the most implausible years of their life orphaned penniless and nearly homeless. Buckner's unwavering perseverance forced a victorious triumph in her matter of the heart that

was swept up in the chaos of deception lies and cruel intentions For over five years the Institution and CPA Firm attempted to strip her of every shred of her dignity character and integrity In a climate of systematic abuse where ignorance is power and justification for wrongdoing Buckner fights for her improbable survival Buckner s story will give you hope and it will confirm the power of faith Her story will take you through many levels of brokenness gleaned from her journey will lift you up and help you not only survive but transcend suffering injustice and loss Displaying her extraordinary strength and endurance Living Beyond Nightfall is a brilliant display of individual resilience **The Publishers Weekly** ,1998
