Matters of the Heart Fay Bound Alberti, 2010-01-14 The heart is the most symbolic organ of the human body Across cultures it is seen as the site of emotions as well as the origin of life We feel emotions in the heart from the heart stopping sensation of romantic love to the crushing sensation of despair And yet since the nineteenth century the heart has been redefined in medical terms as a pump an organ responsible for the circulation of the blood Emotions have been removed from the heart as an active site of influence and towards the brain It is the brain that is the organ most commonly associated with emotion in the modern West So why then do the emotional meanings of the heart linger Why do many transplantation patients believe that the heart for instance can transmit memories and emotions and why do we still refer to emotions as heartfelt We cannot answer these questions without reference to the history of the heart as both physical organ and emotional symbol Matters of the Heart traces the ways emotions have been understood between the seventeenth and nineteenth centuries as both physical entities and spiritual experiences With reference to historical interpretations of such key concepts as gender emotion subjectivity and the self it also addresses the shifting relationship from heart to brain as competing centres of emotion in the West

Matters of the Heart Wendell Phillips, 2011-11 In the early years of my adult life I found myself face to face with Matters of the Heart Various life changing situations revealed feelings of extreme loneliness conditional love and indescribable rejection These situations had me going as far as questioning my own self worth and as a result I felt the need to pen my every emotion feeling and state of being it was during this time I felt the urging need not to fall victim to rejection s trance As I began to heal and metamorphosis out of a state of pain hurt and depression and into true unadulterated happiness unconditional love and a heart and mind that is in alignment with the true lover of my soul I began to believe in love once again Assembled before you is a collection of poetic thought provoking poems that will surely pierce the deepest crevices of the heart It is my hope that you will find yourself once again believing in love No words can express how talented you truly are You make the words come to life Sends chills down my spine Benita M Yes sir Share the gift that God has given you You are a wordsmith and you have an uncanny control
