Matthew Behold Your King

William MacDonald

Matthew Behold Your King:

Matthew's Bible M. J. J. Menken, 2004 What type of Old Testament text did Matthew use as editor of his Gospel On the one hand the editorially inserted fulfilment quotations with their peculiar textual form may be expected to represent Matthew's biblical text On the other hand the remaining OT quotations are mainly Septuagintal and it is often assumed that Matthew reinforced the Septuagintal character of the quotations which he found in his sources In the first part of this study the fulfilment quotations are examined Their textual form is best explained as a Septuagint text that was revised to make it better agree with the Hebrew and to improve the quality of its Greek the evangelist took these quotations from a continuous text In the second part Matthew's remaining OT quotations are investigated If Matthew borrows quotations from his sources he does not adjust them to the LXX but he simply copies them or edits them in his usual way if he inserts quotations into his sources he makes use of his revised Septuagint On the whole this revised Septuagint seems to have been Matthew's Bible

The Gospel of Matthew William MacDonald, 1974 **Family Devotions for Every Day in the Church Year** Martin Luther, Georg Link, 2010 Matthew's Story Tim LaHaye, Jerry B. Jenkins, 2010-02-18 The fourth installment in the Jesus Chronicles from the bestselling author of the Left Behind series This story in the Jesus Chronicles depicts the life of the most unlikely of apostles a sinner turned saint and his time with the Lord With Matthew readers walk alongside Jesus as He gives the Sermon on the Mount performs the miracles of healing the sick and raising the dead contemplates His fate at the Last Supper and in the Garden of Gethsemane is crucified and most important resurrected Thrilling and uplifting Matthew's Story shows how the true Messiah changed the life of one man and forever altered the course of history *Commentary on the New Testament Use of the Old Testament* G. K. Beale, D. A. Carson, 2007-11-01 Christianity Today 2008 Award of Merit Biblical Studies Readers of the New Testament often encounter quotes or allusions to Old Testament stories and prophecies that are unfamiliar or obscure In order to fully understand the teachings of Jesus and his followers it is important to understand the large body of Scripture that preceded and informed their thinking Leading evangelical scholars G K Beale and D A Carson have brought together a distinguished team to provide readers with a comprehensive commentary on Old Testament quotations allusions and echoes that appear from Matthew through Revelation College and seminary students pastors scholars and interested lay readers will want to add this unique commentary to their reference libraries **The Gospel: Love Divine** William H. Wetmore, 2014-10-31 The gospel of Christ is the central message of Scripture It contains God's eternal plan for the redemption and reconciliation of His creation However do you understand the gospel Can you proclaim the gospel Is the gospel important in your life The Gospel Love Divine presents the gospel of Christ in terms that every Christian can understand This book explains the origin of the gospel the content of the gospel the purpose of the gospel and the results of the gospel The origin of the gospel is with Abraham and his offspring Jesus Christ the content of the gospel is the Cross of Christ and His resurrection the purpose of the gospel is joy confidence and faith the result of the gospel is that

we would become a new creation redeemed and reconciled to God As such this book is to equip the Christian community with the essential information for proclaiming the gospel defending the gospel and applying the gospel The Christian church will be stronger and a more effective witness when the gospel is fully understood We need to be Christs witness in all the world

John H. A. Ironside,2006-07-05 This classic commentary series from one of the most creative and articulate expositors of the twentieth century is being reissued for a new generation **Heavenly Imagery and Symbolism in Matthew's Gospel**

Daehoon Kang,2023-11-21 The present study explores the role of heavenly imagery and symbolism in the Gospel of Matthew Historical background and narrative criticism are my main methods because the Old Testament and Second Temple Jewish texts form the historical backgrounds for the understanding of Matthew s heaven and Matthew uses heavenly imagery and symbolism to highlight his main themes in the gospel as a whole This study investigates Matthew s distinctive materials and important texts having to do with heaven exploring their meanings and establishing their roles in each narrative section

Matthew describes heaven as the space where certain events reveal God s plan of salvation Heaven is associated with such key matters as revelation and judgment Each major discourse of Matthew focuses on heavenly imagery with judgment at its end culminating in the parable of the sheep and the goats Matt 25 31 46 **The Branch** Preston T. Massey,2018-07-24 The thesis of the book may be stated simply it is an argument based upon the four prophetic texts of Jer 23 5 Zech 3 8 6 12 and Isa 4 2 as a foundational pattern for the four Gospels These four prophetic texts it will be argued mention a King Branch a Servant Branch a Man Priest Branch and a Lord God Branch This study seeks to show how Matthew presents Jesus as the King Branch Mark as the Servant Branch Luke as the Priest Man Branch and John as the Lord God Branch Consideration will also be given to explore the ramification of the four living Beings as described in Rev 4 6 7 Given the sum total of this sequence of literary facts the conclusion of this book will raise a number of possible implications One of these implications will offer the conclusion that the four evangelists could not have written their four Gospels solely on their own human unaided efforts Matthew's Non-Messianic Mapping of Messianic Texts Bruce Henning,2020-11-16 Scholars often explain

Matthew s practice of applying non messianic texts to the messiah by postulating a Christological hermeneutic In Matthew s Non Messianic Mapping of Messianic texts Bruce Henning raises the question of how Matthew applies messianic texts to non messianic figures This neglected category challenges the popular view by stretching Matthew s paradigm to a broadly eschatological one in which disciples share in the mission of Jesus so as to fulfill Scriptural hopes Using Cognitive Linguistics this volume explores four case studies to demonstrate Matthew s non messianic mapping scheme the eschatological shepherd the vineyard care giver temple construction imagery and the Isaian herald These reveal how Matthew s theology of discipleship as participating in Jesus own vocation extends even to his hermeneutical paradigm of fulfillment
