Matthew Evangelist Teacher:

Matthew R. T. France, 2004-10-08 This work by R T France is not intended to be a guide to all that has been written in recent years about Matthew Rather it is an extended introduction to Matthew designed for a non specialist readership France concentrates on those areas he finds most interesting and important for the appreciation of Matthew but he does touch on most major areas of discussion in Matthean studies Among other things France covers Matthew s place in the life of the church the order of the Gospels Matthew in the post apostolic church reasons for Matthew s preeminence Matthew in the modern church and literary relationships and the order of composition of the Gospels **Matthew** R [ichard] France, 1992

Matthew: The Teacher's Gospel Paul S. Minear, 2003-09-08 Most studies of Matthew have been oriented toward a recovery of the portrait of Jesus or toward strengthening faith in him in our time I have chosen a different orientation The focus of my attention is on the work of the Evangelist as a teacher and on his intended audience in the churches of the first century men and women who like many of us were charged with basic educational work among adult believers in Jesus Christ I hope that such an orientation may strengthen your sense of kinship both with the Evangelist who was a teacher and with his first readers who also were teachers From the Preface This insightful commentary on the Gospel of Matthew will help readers better understand the importance of this book of the New Testament Paul S Minear focuses on Matthew as a teacher in the early Christian church assesses Matthew s impact on Christians in the first century and examines the fascinating array of literary forms found in this Gospel Throughout the book aims at increasing comprehension of the distinctive and constructive theological stance of Matthew Jesus as Teacher in the Gospel of Matthew Charles L. Quarles, Charles Nathan Ridlehoover, 2023 Inspired by the work of Richard France and his highly influential Matthew Evangelist and Teacher Charles L Quarles and Charles Nathan Ridlehoover have gathered together a collection of works that argue for a re examination of the defining features of Jesus s role as a teacher in the Gospel of Matthew This volume suggests that while each of the Gospel writers display Jesus leading disciples along speaking to crowds and confronting Jewish authorities with effective and timely teachings Matthew s portrayal of Jesus as a teacher contains distinctives that deserve further exploration After examining Jesus s Old Testament and Second Temple influences and comparing his methods to the contemporary Greco Roman tradition the contributors explore Jesus s position as a teacher of faith and forgiveness and a trainer of scribes and analyse his relationship with several different apostles Including responsive essays and concluding with a summary of Jesus and Matthew himself as evangelists and teachers this journey through the aspects of Jesus s teaching ministry gives readers a more complete look at Jesus s vocation **The Gospel of Matthew** R. T. France, 2007-07-11 It is a special pleasure to introduce R T Dick France s commentary to the pastoral and scholarly community who should find it a truly exceptional and helpful volume So says Gordon Fee in his preface to this work France s masterful commentary on Matthew focuses on exegesis of Matthew s text as it stands rather than on the prehistory of the material or details of Synoptic comparison It is

concerned throughout with what Matthew himself meant to convey about Jesus and how he set about doing so within the cultural and historical context of first century Palestine Amid the wide array of Matthew commentaries available today France's world class stature his clear focus on Matthew and Jesus his careful methodology and his user friendly style promise to make this volume an enduring standard for years to come *Defeating Pharisaism* Gary Tyra,2009-09-28 Gary Tyra's constructive study of the Sermon on the Mount seeks to revitalize discipleship by exposing and rooting out the modern incidence of Pharisaism legalism dogmatism separatism judgmentalism etc among evangelical churches today **The Historical Reliability of the Gospels** Craig L. Blomberg,2014-05-06 For over twenty years Craig Blomberg's *The Historical Reliability of the Gospels* has provided a useful antidote to many of the toxic effects of skeptical criticism of the Gospels He offers an overview of the history of Gospel criticism Thoroughly updated edition with added footnotes and two new appendixes One Teacher John Yueh-Han Yieh,2012-08-06 A literary critical analysis is embarked to show how Matthew highlights the primacy authority and exclusivity of Jesus role as the Teacher of God's will and how he features five long discourses in the narrative Two cultural parallels the Teacher of Righteousness and Epictetus are studied for comparison The ways in which they are remembered in the literature and in which they shape the lives of their followers provide proper historical perspectives and useful frames of reference Finally a social historical reading of the three teachers and their followers in the light of pertinent sociological theories sociology of knowledge group formation indicates that Jesus the One Teacher serves four crucial functions for his readers in Matthew's church polemic apologetic didactic and pastoral **Evangelical Hermeneutics** Robert L. Thomas,2002 A thorough and competent examination of divergent hermeneutical methods widely used by evangelicals today **Diocesan Scripture Manuals for Religious Examinations of Pupil Teachers ... Old Testament. (New Testament. Common Prayer.).** Henry Major,1874
