Compromise? Robert A. Morey, 2010-05 Dr Robert Morey's study of natural law and natural theology raises important questions that every Bible believer will want answered His careful study and explanation of various Bible passages will yield a useful orientation to the classic arguments furnished us by the Reformers and their faithful heirs Dr Nelson Kloosterman The present volume presents a devastating critique of natural theology and natural law Its argument is solidly biblical and its accumulation of biblical data is overwhelming I hope that God prospers it so that many will read it and take heed Dr John Frame A W Tozer said the most important thing about any person is what comes into their mind when they think of the word God If you digest Dr Morey's book you will think of God as the glorious One depicted in Holy Scripture John G Reisinger I appreciate Dr Morey's emphasis on making the Bible alone the theoretical basis for science and the arts All throughout the book he consistently points to the Scriptures as the basis for sustaining everything else Dr Simon Kistemaker *Biblical Counsel*, 1993 23 Questions about Hell Bill Wiese, 2010 Draws on biblical teachings and the author's personal experiences to answer questions regarding hell and related topics Ruin and Redemption Justin Miller, 2023-01-03 How is the totality of Scripture to be understood How is sinful man brought into a relationship with God In the opening pages of Scripture we read of God's covenant with Adam and all he represents humanity If Adam obeys the covenant he will live yet if he disobeys he and all in him will die Upon the fall of Adam in Gen 3 we read of another covenant an unconditional one of the serpent bruising the Seed of the Woman's heel and the Seed of the Woman bruising the serpent's head Gen 3:15 We read of grace This book operates as a primer that outlines the Covenant of Works and the Covenant of Grace from Gen 2:3 to uncover the reality of man's ruin in the garden and his redemption in Christ **A Life of Prayer**, 2020-01-07 A collection of classic teachings on A Life of Prayer from some of the greatest Christian minds in history Includes the writings of R A Torrey Charles Spurgeon E M Bounds George M Eller Andrew Murray Charles Finney D L Moody Together they cover a range of topics that include prayer and devotion the results of prayer the problems of prayer thanksgiving proper petitioning prayer and the condition of prevailing prayer This treasured collection of faithful wisdom is a must read for both the new believer and the mature Christian *The Unheard Voice of God* Lee Roy Martin, 2019-05-21 With the wealth of colorful characters described in the book of Judges scholars and general readers alike have a strong fascination for Israel's leaders in its earliest days Theologians and biblical scholars from Luther on have found it difficult to relate to these figures From a Pentecostal point of view in particular those characters can sometimes be an embarrassment as their personal lives appear to be in stark tension with the purity conscious holy life to be expected of those touched by the Spirit of God Apart from the moments of power where is God in the lives of these characters As the title suggests it is time to listen and learn from God's role and perspective in these stories who in faithfulness to his covenant acts with constant patience to save his flawed servants Through a fresh hearing of The Unheard Voice of God the positive message of the book of Judges can become more apparent and accessible Readers are shown a crucial part of the book's dynamics which they may have missed **The Preacher's**
