Rasmussen Ed.D., 2022-07-22 This work along with the other volumes in the Foundational Knowledge of the Bible series can help those who are young in the faith to seek a Christian relationship with God All who choose to enter into the new covenant must concurrently embrace a new perceptual field By heeding God's call to service believers embark upon a Christian journey to become wise from the application of spiritual knowledge This is made possible with the indwelling of the Holy Spirit who guides covenant believers in the faithful word of God which is the source of all spiritual truth in this world The intended purpose presented in this plan of action is to speak the truth of God in love so that the brethren can learn godly discernment be equipped with sound doctrine and grow together in all things according to Christ's authoritative leadership Eph 4:15 By becoming covenant Christians set apart by God for his particular use we can be diligent by precisely and accurately handling the word of truth 2 Tim 2:15 This series can serve to edify and ground those who are new in the faith because the revelation of God provides all the essential answers to life's pressing spiritual questions whether general or specific Accordingly Christ's disciples need to comprehend the questions before the answers can have real meaning No greater reason can be given for studying the Bible Therefore the people of God are duty bound to master this Christian discipline The first volume in this series is divided into three phases of Bible study Why addresses the importance of knowing God's word study motivations conditions for discipleship Christian distinctions and the attributes needed to study biblical truth How covers preliminary actions Bible versions principles study considerations and necessary skills What offers a unique sevenfold framework for understanding the Bible Divine power can move the Scriptures to be more than words on a page It can become a life changing force for good in the world To that end this resource directs the reader on how to inquire search and ask diligently concerning godly truth Invaluable information accessible resources clear educational materials and deep biblical insights will all quickly serve to establish beginning students in the Sacred Text This work will also prepare the reader to receive the Scriptures by learning how to obtain a faithful accounting of spiritual truth To be sure wisdom is the result of applying biblical knowledge to our lives By speaking divine truth in love believers can grow together in Christ as fellow workers who labor in the word of God There is no greater work in this world than to share this life saving truth with others The obligation of receiving divine knowledge requires that it be shared Truly giving the hope and joy that is found in Jesus Christ and the message he brought from the Father is the greatest privilege of a human life Amen and amen **Lazy, Antisocial and Selfish?** Gavin Calver, Simeon Whiting, 2012-07-18 There is a widespread myth that young people are feckless and irresponsible To contradict this Gavin and Simeon present twelve groups of real young people and the adults who helped to form nurture and develop them Their book explores how these groups began grew experienced the presence of God and acted to change their communities in

Questions Asked by New-In-The-Lord Christians! Jay Dunning, 2016-07-09 This book has been written for very young Christians only of any earthly age There are three books in the series and they have been written especially to prepare the young Christian for what lies ahead in their Christian walk Many mature Christians believe they have knowledge of the Bible but sadly their knowledge is in many cases marred by error This is not an indictment on them but rather a case of less than perfect doctrine or teaching I have therefore thoroughly researched the Christian life and have prepared the contents of the books accordingly I only wish I could have had books like these when I was a youngster in the Lord
