Matthew: The Christbook, Matthew 1-12 Frederick Dale Bruner, 2004 Recognized as a masterly commentary when it first appeared Frederick Dale Bruner's study of Matthew is now available as a greatly revised and expanded two volume work the result of seven years of careful refinement enrichment and updating Through this commentary crafted especially for teachers pastors and Bible students Bruner aims to help God's people love what Matthew's Gospel says Bruner's work is at once broadly historical and deeply theological It is historical in drawing extensively on great church teachers through the centuries and on the classical Christian creeds and confessions It is theological in that it unpacks the doctrines in each passage chapter and section of the Gospel Consciously attempting to bridge past and present Bruner asks

both what Matthew's Gospel said to its first hearers and what it says to readers today. As a result, his commentary is profoundly relevant to contemporary congregations and to those who guide them. Bruner's commentary is replete with lively verse by verse discussion of Matthew's text. While each chapter expounds a specific topic or doctrine, the book's format consists of a vivid original translation of the text followed by faithful exegesis and critical analysis, a survey of historical commentary on the text, and current applications of the text or theme under study. In this revision, Bruner continues to draw on the best in modern scholarship, including recent work by W. D. Davies and Dale C. Allison Jr. by Ulrich Luz, and by many others, adding new voices to the reading of Matthew. At the same time, he cites the classic commentaries of Chrysostom, Jerome, Augustine, Luther, Calvin, Bengel, and the rest, who like Bruner himself were not simply doctrinal teachers but also careful exegetes of Scripture. Such breadth and depth of learning assure that Bruner's Matthew will remain as a reviewer for Interpretation wrote the most dog-eared commentary on the shelf. Volume 1 of Bruner's commentary is called *The Christbook* because the first twelve chapters of Matthew are focused on the nature and work of Christ. As Bruner proceeds through these chapters, he shows how Matthew presents step by step central themes of Christology: Jesus' coming, chapters 1-4; his teaching, 5-7; his miracles, 8-9; his sermon on mission, 10; and his person, 11-12. Throughout the book, there are also thoughtful discussions of significant topics such as baptism, marriage, Jewish-Christian relations, and heaven and hell. Eminently readable, rich in biblical insight, and ecumenical in tone, Bruner's two-volume commentary on Matthew now stands among the best in the field.

Identity Formation and the Gospel of Matthew Tekalign Duguma Negewo, 2024-03-13. Why does the author of the Gospel of Matthew introduce non-Jewish characters into his narrative? Tekalign Duguma Negewo answers this question on the assumption that the gospel had an identity-forming function for his community. *Tribals, Empire and God* Zhodi Angami, 2017-04-06. Tribal biblical interpretation is a developing area of study that is concerned with reading the Bible through the eyes of tribal people. While many studies of reading the Bible from the reader's social, cultural, and historical location have been made in various parts of the world, no thorough study that offers a coherent and substantive methodology for tribal biblical interpretation has been made. This book is the first comprehensive work that offers a description of tribal biblical interpretation and shows its application by making a lucid reading of Matthew's infancy narrative from a tribal reader's perspective. Using reader response criticism as his primary method, Zhodi Angami brings his tribal context of North

East India into conversation with Matthew's account of the birth of Jesus. Since tribal people of North East India see themselves as living under colonial rule, a tribal reader sees Matthew's text as a narrative that actively resists and subverts imperial rule. Likewise, the tribal experience of living at the margins inspires a tribal reader to look at the narrative from the underside from the perspective of those who are sidelined, ignored, belittled, or forgotten. Tribal biblical interpretation presented here follows a process of conversation between tribal worldview and Matthew's narrative. Such a method animates the text for the tribal reader and makes the biblical narrative not only more intelligible to the tribal reader but allows the text to speak directly to the tribal context. *Comparative Characterization in the Sermon on the Mount* Arren Bennet

Lawrence, 2017-03-24. The Sermon on the Mount contains many comparisons. In this book, the functions of these comparisons are studied by the methodology called comparative characterization. Characterization is the way a character is characterized in a narrative. Comparative characterization is the characterization of a character using comparisons. In comparative characterization, another character is used as a foil to bring out a characteristic trait of a concerned character. Jesus characterized the ideal disciple in the Sermon on the Mount with many descriptions and imperatives. To characterize the ideal disciple, Jesus used many comparisons and highlighted the characteristic features that embody the ideal disciple. The many comparisons used in the Sermon on the Mount are identified in this study through comparative characterization. In addition, the teleological purpose of the comparisons, which is to play as foil to the characterization of the ideal disciple, is identified and highlighted. Thus, this study identifies Jesus' characterization of the ideal disciple and his complex portrayal of the ideal disciple with the many uses of comparisons in the descriptions and imperatives of Jesus in the Sermon on the Mount.

A Baptism of Judgment in the Fire of the Holy Spirit Daniel W. McManigal, 2019-05-23. Daniel W. McManigal provides a fresh analysis of the meaning of the baptism in the Holy Spirit and fire and John's baptism as a prophetic sign act. Expanding upon the sources, grammar, and meaning of the Logion analysing Old Testament and Second Temple texts and discussing the prevalent theme of judgment in baptism, McManigal offers the first extended treatment of the baptism in the Holy Spirit in Matthew's gospel. As a backdrop for the prevalence of judgment in baptism, McManigal locates Matthew's eschatological judgment within the broader Old Testament and apocalyptic literature of the Second Temple, drawing upon texts such as Isaiah 11 and the Isaiah Targum, Malachi 3, Daniel 7:1, Enoch, and 4 Ezra. This volume's analysis aids deeper understanding of how the themes of the Old Testament are woven throughout Matthew's narrative, capitalizing on John's role as the last of the prophets sent to Israel. McManigal focuses in particular on Matthew's foretelling the coming of the Messiah and his call for repentance in order to prepare people for the arrival of the kingdom of God. Drawing out the unique Matthean meaning of the baptism of the coming one, McManigal's study offers readers a new insight into the nature of repenting and prophetic
