within mass communication and popular culture by looking at images in politics film television public relations advertising sports and social media

The Gaithers and Southern Gospel Ryan P. Harper, 2017-04-26 In *The Gaithers and Southern Gospel* Ryan P Harper examines songwriters Bill and Gloria Gaither's Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed all Christian and much secular popular music on the American music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity

The Lord's Radio Mark Ward Sr., 2017-10-13 *Evangelical Christianity* the faith professed by one in four Americans exerts an enormous influence in American society Believed by some to have originated as a reaction to the social revolution of the 1960s evangelicalism as a distinct subculture in fact dates to the advent of radio The evangelical faithful flocked to the airwaves developing a nationwide mass culture as listeners across denominational lines heard the same popular preachers and music Evangelicals left behind the fundamentalism of the early 20th century as broadcast ministries laid the foundation for the culturally engaged New Christian Right of the late 20th century This historical ethnography presents the era's major radio evangelists and songwriters in the own words drawing on their writings and recordings as well as songbooks liner notes and song story anthologies of the period

Winners Raymond S. Greenberg, 2020-02-10 As the ground war in Vietnam escalated in the late 1960s the US government leveraged the so called doctor draft to secure adequate numbers of medical personnel in the armed forces Among newly minted physicians few alternatives to military service was the Clinical Associate Training Program at the National Institutes of Health Though only a small percentage of applicants were accepted the elite program launched an unprecedented number of remarkable scientific careers that would revolutionize medicine at the end of the twentieth century Medal Winners recounts this overlooked chapter and unforeseen byproduct of the Vietnam War through the lives of four former NIH clinical associates who would go on to become Nobel laureates Raymond S Greenberg traces their stories from their pre NIH years and apprenticeships through their subsequent Nobel Prize winning work which transformed treatment of heart disease cancer and other diseases Greenberg shows how the Vietnam draft unintentionally ushered in a golden era of research by bringing talented young physicians under the tutelage of leading scientists and offers a lesson in what it may take to replicate such a towering center of scientific innovation as the NIH in the 1960s and 1970s *In Tune* Ben

Wynne, 2014-10-06 Born into poverty in Mississippi at the close of the nineteenth century Charley Patton and Jimmie Rodgers

established themselves among the most influential musicians of their era *In Tune* tells the story of the parallel careers of these two pioneering recording artists one white one black who moved beyond their humble origins to change the face of American music At a time when segregation formed impassable lines of demarcation in most areas of southern life music transcended racial boundaries Jimmie Rodgers and Charley Patton drew inspiration from musical traditions on both sides of the racial divide and their songs about hard lives raising hell and the hope of better days ahead spoke to white and black audiences alike Their music reflected the era in which they lived but evoked a range of timeless human emotions As the invention of the phonograph disseminated traditional forms of music to a wider audience Jimmie Rodgers gained fame as the Father of Country Music while Patton's work eventually earned him the title King of the Delta Blues Patton and Rodgers both died young leaving behind a relatively small number of recordings Though neither remains well known to mainstream audiences the impact of their contributions echoes in the songs of today The first book to compare the careers of these two musicians *In Tune* is a vital addition to the history of American music

Redneck Liberation David Fillingim, 2003 In this unique book David Fillingim explores country music as a mode of theological expression Following the lead of James Cone's classic *The Spirituals and the Blues* Fillingim looks to country

music for themes of theological liberation by and for the redneck community The introduction sets forth the book's methodology and relates it to recent scholarship on country music Chapter 1 contrasts country music with Southern gospel music the sacred music of the redneck community as responses to the question of theodicy which a number of thinkers recognize as the central question of marginalized groups The next chapter The Gospel according to Hank outlines the career of Hank Williams and follows that trajectory through the work of other artists whose work illustrates how the tradition negotiates Hank's legacy The Apocalypse according to Garth considers the seismic shifts occurring during country music's popularity boom in the 1980s Another chapter is dedicated to the women of country music whose honky tonky feminism parallels and intertwines with mainstream country music which was dominated by men for most of its history Written to entertain as well as educate and advance Redneck Liberation will appeal to anyone who is interested in country music Southern religion American popular religiosity or liberation theology
