# Philosophy Of God

**Etienne Gilson**

## **Philosophy Of God:**

*The God of Philosophy* Roy Jackson, 2014-09-03 For centuries philosophers have argued about the existence and nature of God Do we need God to explain the origins of the universe Can there be morality without a divine source of goodness How can God exist when there is so much evil and suffering in the world All these questions and many more are brought to life with clarity and style in *The God of Philosophy* The arguments for and against God's existence are weighed up along with discussion of the meaning of religious language the concept of God and the possibility of life after death This new edition brings the debate right up to date by exploring the philosophical arguments of the new atheists such as Richard Dawkins as well as considering what the latest discoveries in science can tell us about why many believe in the existence of the divine

**God and Philosophy** Antony Flew, 2010-09-09 In this classic primer to the philosophy of religion Antony Flew subjects a wide range of philosophical arguments for the existence of the Christian God to intense critical scrutiny However the rumour in some circles is that Flew long time advocate of atheistic humanism has become a theist Judge for yourself **Philosophy of God, and Theology** Bernard J. F. Lonergan, 1974 Lectures delivered at the St Michael's Jesuit School of Philosophy and Letters Gonzaga University in the fall of 1972 Includes bibliographical references **The Severity of God** Paul K.

Moser, 2013-02-14 This book explores the role of divine severity in the character and wisdom of God and the flux and difficulties of human life in relation to divine salvation Much has been written on problems of evil but the matter of divine severity has received relatively little attention Paul K Moser discusses the function of philosophy evidence and miracles in approaching God He argues that if God's aim is to extend without coercion His lasting life to humans then commitment to that goal could manifest itself in making human life severe for the sake of encouraging humans to enter into that cooperative good life In this scenario divine agap is conferred as free gift but the human reception of it includes stress and struggle in the face of conflicting powers and priorities Moser's work will be of great interest to students of the philosophy of religion and theology *Our Idea of God* Thomas V. Morris, 2002 God Timothy A. Robinson, 2002-01-01 Including over one hundred fifty pages of new material a new introduction enhanced headnotes and an updated list of further readings this significantly expanded anthology provides a rich selection of traditional and modern works that reflect the many ways in which philosophers have attempted to address the question of the existence of God Thinking About God Gregory E.

Ganssle, 2010-06-18 What is God like What can God do What can God know How does God communicate Philosopher Gregory E Ganssle appeals to philosophy for some answers to these questions in this introduction to thinking clearly and carefully about God **The Searching Mind** Joseph F. Donceel, 1979 God Matters Raymond Martin, Christopher Bernard, 2003 *God Matters* is a state of the art accessible anthology of the major issues in philosophy of religion Its accessibility is due to its mix of classic readings and brand new readings about contemporary issues commissioned specifically with an undergraduate student in mind These commissioned readings make the difficult concepts of contemporary philosophy of religion easy to

understand and are complemented by key excerpts from more technical philosophers writing on the same subjects. The result is an engaging comprehensive reader that introduces students to the most important ideas in classical and contemporary philosophy of religion to the most important thinkers and even to excerpts from the key texts in which these thinkers presented their groundbreaking theories.

**God in Modern Philosophy** James Collins, 1959

**The Hiddenness Argument** J. L. Schellenberg, 2015-07-02 In many places and times and for many people God's existence has been rather less than a clear fact. According to the hiddenness argument this is actually a reason to suppose that it is not a fact at all. The hiddenness argument is a new argument for atheism that has come to prominence in philosophy over the past two decades. J. L. Schellenberg first developed the argument in 1993 and this book offers a short and vigorous statement of its central claims and ideas. Logically sharp but so clear that anyone can understand the book addresses little-discussed issues such as why it took so long for hiddenness reasoning to emerge in philosophy and how the hiddenness problem is distinct from the problem of evil. It concludes with the fascinating thought that retiring the last of the personal gods might leave us nearer the beginning of religion than the end. Though an atheist, Schellenberg writes sensitively and with a nuanced insider's grasp of the religious life. Pertinent aspects of his experience as a believer and as a nonbeliever and of his own engagement with hiddenness issues are included. Set in this personal context and against an authoritative background on relevant logical, conceptual, and historical matters, The Hiddenness Argument's careful but provocative reasoning makes crystal clear just what this new argument is and why it matters.

**The Nature of God** Gerard Hughes, 2005-08-04 First published in 1995, Routledge is an imprint of Taylor & Francis, an informa company.

**The Problem of God in Philosophy of Religion** Henry Duméry, 1964

**The Existence of God** Richard Swinburne, 2004-03-25 Substantially re-written and updated, this edition of *The Existence of God* presents arguments such as the existence of the laws of nature, fine-tuning of the universe, moral awareness, and evidence of miracles to prove the case that there is a God.

*Reason and the Question of God* Richard Schaeffler, 1999 A masterful presentation of the basic themes of the philosophy of religion and the various philosophical approaches to the question of religion.

*The God of Philosophy* Roy Jackson, 2003

**God, Modality, and Morality** William E. Mann, 2015 In one new and sixteen previously published essays, William E. Mann presents a modern interpretation of a traditional theory in philosophical theology according to which God is a metaphysically simple necessarily existing personal being. Mann addresses such issues as God's independence and sovereignty, God's relationship to creation, and humans' relationship to God.

**God and Philosophy** Etienne Gilson, 2002-01-01 In this classic work, the eminent Catholic philosopher Etienne Gilson deals with one of the most important and perplexing metaphysical problems: the relation between our notion of God and demonstrations of his existence. Gilson examines Greek, Christian, and modern philosophy as well as the thinking that has grown out of our age of science in this fundamental analysis of the problem of God. I commend to another generation of seekers and students this deeply earnest and yet wistfully gentle little essay on the most important and often at

least nowadays the most neglected of all metaphysical and existential questions The historical sweep is breathtaking the one liners arresting and the style both intellectual and literary altogether engaging Jaroslav Pelikan from the foreword We have come to expect from the pen of M Gilson not only an accurate exposition of the thought of the great philosophers ancient and modern but what is of much more importance and of greater interest a keen and sympathetic insight into the reasons for that thought The present volume does not fail to fulfill our expectations It should be read by every Christian thinker Ralph O

Dates America      **Knowledge of God** Alvin Plantinga, Michael Tooley, 2009-02-17 Is belief in God epistemically justified That s the question at the heart of this volume in the Great Debates in Philosophy series with Alvin Plantinga and Michael Tooley each addressing this fundamental question with distinctive arguments from opposing perspectives The first half of the book contains each philosopher s explanation of his particular view the second half allows them to directly respond to each other s arguments in a lively and engaging conversation Offers the reader a one of a kind interactive discussion Forms part of the acclaimed Great Debates in Philosophy series      Philosophy of Religion Brian Davies, 1998 This is a textbook and reference work by some of the world s leading philosophers of religion Philosophy of religion is concerned with such questions as Does God exist Can God s existence be proved What is God like Is there life after death Can philosophy throw light on the diversity of religious beliefs And what can science tell us about religious matters

## Whispering the Strategies of Language: An Mental Quest through **Philosophy Of God**

In a digitally-driven earth where screens reign supreme and quick communication drowns out the subtleties of language, the profound strategies and emotional nuances concealed within phrases often get unheard. Yet, nestled within the pages of **Philosophy Of God** a charming literary value pulsing with natural thoughts, lies a fantastic quest waiting to be undertaken. ## **Philosophy Of God Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Philosophy Of God has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Philosophy Of God has opened up a world of possibilities. Downloading Philosophy Of God provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Philosophy Of God has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Philosophy Of God. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Philosophy Of God. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Philosophy Of God, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download Philosophy Of God has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Philosophy Of God Books**

1. Where can I buy Philosophy Of God books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
