Philosophy Of Law Classic And Contemporary Readings With Commentary

Dr. Felipe de Jesús Alvírez Fierro

Philosophy Of Law Classic And Contemporary Readings With Commentary:

The Philosophy of Law Frederick F. Schauer, Walter Sinnott-Armstrong, 1996 Ideal for undergraduate courses in philosophy of law this comprehensive anthology examines such topics as the concept of law the dispute between natural law theorists and legal positivists the relations between law and morality criminal responsibility and legal punishment the rights of the individual against the state justice and equality and legal evidence as compared with scientific evidence The readings have been selected from both philosophy and law journals and include classic texts contemporary theoretical developments and well known recent court cases The text features extensive introductions that make even the most profound writings accessible to undergraduates Philosophy of Law Larry May, Jeff Brown, 2009-05-18 Philosophy of Law provides a rich overview of the diverse theoretical justifications for our legal rules systems and practices Utilizes the work of both classical and contemporary philosophers to illuminate the relationship between law and morality Introduces students to the philosophical underpinnings of International Law and its increasing importance as we face globalization Features concrete examples in the form of cases significant to the evolution of law Contrasts Anglo American law with foreign institutions and practices such as those in China Japan India Ireland and Canada Incorporates diverse perspectives on the philosophy of law ranging from canonical material to feminist theory critical theory postmodernism and critical race theory Towards the True Law Felipe de Jesús Fierro Alvidrez, 2013-07-11 Does the Law exist And if so what is it Can we know it This book tries to answer these questions by approaching as a whole the problem of Law its justification and demonstration Because when facing multiple legal theories many of which are contradictory we have to ask ourselves what the true Law is if it exists indeed its origin meaning and perspective We are in pursuit of something more the Law and its truth This fundamental question must be scientifically solved and in such an in depth approach that only philosophy traditionally understood as knowledge by its first and principle causes obtained under the natural light of reason can give us the answer The current thesis takes up the problem of knowledge and its theories of being and truth to later contrast them with various juridical currents Two different paths processes and objects to reach the same conclusion The result wasn't easy but we believe we contributed with a juridical theory with seven rules of truthfulness that from our humble point of view solves the conflict over Law its essence and properties What is Right What is Law Does a juridical science exist Does a true theory of Law exist or does each one of us have their own truth These were the central questions we tried to answer in the current thesis to demonstrate through reason the considerations raised here and to somehow contribute in a positive way to the growing relativism of this subject **Journal of Camus Studies** Camus Society, 2013-04-04 Journal of Camus Studies 201217 scholarly essays on the literature and philosophy of Albert Camus Contributors ERIC BERGBRADEN CANNON JACKSON DOUGHARTINGRID FERNANDEZ PETER FRANCEV GIOVANNI GAETANI GEORGE HEFFERNAN EMILY HOLMAN PEADAR KEARNEY STEFAN LANCY JERRY LARSON SIMON LEA BENEDICT O DONOHOE NICHOLAS PADFIELD PATRICK

REILLYLUKE RICHARDSONRON SRIGLEYwww camus society com **Introduction to the Study of Law** Dr. Felipe de Jesús Alvidrez Fierro, 2018-04-28 In this important work Dr Felipe Fierro offers a comprehensive view on the subject of Introduction to the Study of Law in which he revives the use of Gnoseology Philosophy History and Logic as Auxiliary Sciences and exposes how the abandonment of such has contributed to the exponential growth of Skepticism and Relativism currently prevailing in the legal world The above through extensive experience in teaching Law from the Aristotelian Thomistic platform based on the elementary assumption that we must first prove the existence of the object of study and contrast main legal branches in topics such as what is Law why is Science what are Law Justice Facultative rights and the Common Good supported by extensive and select bibliography In addition the being nature concept essence and properties of the sources fundamentals and classification are described But important elements such as knowledge order principles Jurisprudence and Natural law fundamental legal concepts the legislative process the Constitution interpretation and others are not absent Morality and Legal Law are obligatory markers which although considered in their own field are not excluded but different as to object and method Predominantly Justice is exposed as one of the great values of the Law and main theories in order to offer future lawyers the basis regarding the current Science of Law and its significance

Instrumental Rationality John Brunero, 2020-04-29 Rationality requires that we intend the means that we believe are necessary for achieving our ends Instrumental Rationality explores the formulation and status of this requirement of means ends coherence In particular it is concerned with understanding what means ends coherence requires of us as believers and agents and why Means ends coherence is a genuine requirement of rationality and cannot be explained away as a myth confused with a disjunction of requirements to have or not have specific attitudes Nor is means ends coherence strongly normative such that we always ought to be means ends coherent A promising strategy for assessing why this requirement should exist is to consider the constitutive aim of intention Just as belief has a constitutive aim truth that can explain some of the theoretical requirements of consistency and coherence governing beliefs intention has a constitutive aim here called controlled action that can explain some of the requirements of consistency and coherence governing intentions We can therefore better understand means ends coherence by understanding the constitutive aims of both of the attitudes governed by the requirement intention and belief

Christodemocracy and the Alternative Democratic Theory of America's Christian Right Gabriel S. Hudson, 2016-06-25 This book evaluates the democratic theory of America's Christian Right CR The CR has been examined extensively in academic literature However most analyses focus on its origins policy preferences or successful mobilization Hudson instead examines the normative assumptions about governance that inform CR activism The CR has its own answers to the core questions asked in democratic theory such as What legitimizes power and What is the proper relationship between the state and the individual The author outlines ten normative assumptions of the CR and compares each to its counterpoint in liberal democratic theory Much of what the CR believes about democracy comes from

the same authors as modern and postmodern democratic theory but differs in its interpretation and application The book describes in detail the theory of CR and demonstrates how the CR operates from a different view of governance than is usually associated with the United States The Political Economy of Plea Bargaining Robert Schehr,2024-12-10 The Political Economy of Plea Bargaining provides the political economic and cultural context for understanding the evolution of plea bargaining as a juridical technology implemented to ensure the efficient administration of violations of criminal law Across two parts this book contends that the confluence of political economic and cultural factors necessary to enhance the legal preservation of the slave system and white supremacy spatiotemporally coincided with burgeoning Northern industrial capitalism and the liberty of contract doctrine and that each was contextualized within hegemonic liberal republican ideology out of which grew the implementation of an efficient technology of juridical control achieving normative legal status plea bargaining It argues that as with their predecessors contemporary actors operating within the criminal legal system and who are responsible for administering plea bargaining are perpetuating a system reproducing a steering mechanism that historically constitutes a through line from Reconstruction to the present day Following Von Mises these actors serve as useful innocents modern day confused and misguided sympathizers They are juridical actors who inherited and are perpetuating a system of conflict resolution that serves to maintain a form of social control uniquely situated to historically relevant political economic and cultural power in the United States The Political Economy of Plea Bargaining will be important reading for legal and social science academics researching and practicing within the field of criminal law and procedure It will also act as a valuable guide to the debates surrounding plea bargaining for students with a keen interest in criminal law *A Critical Legal Study of the Ideology Behind Solvency II* Kristina Loguinova,2019-10-17 This book analyzes the impact of Solvency II In recent years EU legislators have sought to introduce fundamental reforms Whether these reforms were indeed fundamental is critically investigated with regard to a post crisis piece of financial legislation affecting the EU s largest institutional investors Solvency II Namely the last financial and economic crisis the worst financial catastrophe of the last decade revealed that financial law in particular was not sufficiently mature to maintain the existence of a robust and trust worthy financial system that could protect society from economic decline The work also makes concrete recommendations on achieving a more sustainable future As such it offers a valuable resource for anyone who is interested in the financial system the EU political economy insurance sustainability and Critical Legal Studies *Legal Positivism in a Global and Transnational Age* Luca Siliquini-Cinelli,2019-08-30 A theme of growing importance in both the law and philosophy and socio legal literature is how regulatory dynamics can be identified that is conceptualised and operationalised and normative expectations met in an age when transnational actors operate on a global plane and in increasingly fragmented and transformative contexts A reconsideration of established theories and axiomatic findings on regulatory phenomena is an essential part of this discourse There is indeed an urgent need for discontinuity regarding what we think we

know about among other things law legality sovereignty and political legitimacy power relations institutional design and development and pluralist dynamics of ordering under processes of globalisation and transnationalism Making an important contribution to the scholarly debate on the subject this volume features original and much needed essays of theoretical and applied legal philosophy as well as socio legal accounts that reflect on whether legal positivism has anything to offer to this intellectual enterprise This is done by discussing whether global and transnational cultural socio political economic and juridical challenges as well as processes of diversification fragmentation and transformation significantly de formalisation reinforce or weaken legal positivists assumptions claims and methods The themes covered include but are not limited to absolute and limited state sovereignty the new international legal positivism Hartian legal positivism and the normative positivist account the relationship between modern secularisation social conventionalism and meta ontological issues of temporality in postnational jurisprudence the social positivisation of human rights the formation and content of jus cogens norms feminist critique the global and transnational migration of principles of justice and morality the Vienna Convention on the Law of Treaties rule of interpretation and the responsibility of transnational corporations

Homosexuality in the Jurisprudence of the Supreme Court of India Yeshwant Naik, 2017-04-07 The book analyses the Indian Supreme Court s jurisprudence on homosexuality its current approach and how its position has evolved in the past ten years It critically analyses the Court s landmark judgments and its perception of equality family marriage and human rights from an international perspective With the help of European Court of Human Rights judgments and international conventions it compares the legal and social discrimination meted out to the Indian LGBTI community with that in the international arena From a social anthropological perspective it demonstrates how gay masculinity although marginalized serves as a challenge to patriarchy and hegemonic masculinity This unique book addresses the lack of in depth literature on gay masculinity elaborately narrating and analysing contemporary gay masculinity and emerging gay lifestyles in India and highlighting the latest research on the subject of homosexuality in general and in particular with respect to India It also discusses several new issues concerning the gay men in India supported by the living law approach put forth by Eugen Ehrlich

The Values of Presidential Leadership J. Wren, 2007-11-12 Contributors address aspects of presidential leadership in essays on how presidential values are determined or constructed how they are condoned and criticized how they are packaged and conveyed and how they are interpreted and acted upon Includes scholars from communication history law philosophy political science and psychology

Is Goodness Without God Good Enough? Robert K. Garcia, Nathan L. King, 2009 Morality and religion intimately wed violently opposed or something else Discussion of this issue appears in pop culture the academy and the media_ often generating radically opposed views At one end of the spectrum are those who think that unless God exists ethics is unfounded and the moral life is unmotivated At the other end are those who think that religious belief is unnecessary for_ and even a threat to_ ethical knowledge and the moral life This volume provides an accessible charitable

discussion that represents a range of views along this spectrum The book begins with a lively debate between Paul Kurtz and William Lane Craig on the question Is goodness without God good enough Kurtz defends the affirmative position and Craig the negative Following the debate are new essays by prominent scholars These essays comment on the debate and advance the broader discussion of religion and morality The book closes with final responses from Kurtz and Craig **Legal**

Positivism Tom D. Campbell, 2016-12-05 Despite persistent criticism from a variety of different perspectives including natural law legal realism and socio legal studies legal positivism remains as an enduring theory of law The essays contained in this volume represent the most balanced responses toward legal positivism and although largely sympathetic the essays do not fail to criticize elements of the tradition wherever appropriate *Feminist Theory* Robin O. Andreasen, Ann E. Cudd, E. Díaz-León, 2025-05-06 An expansive and up to date collection of essays addressing key issues in feminist philosophy offering new perspectives on gender knowledge resistance and more Feminist Theory A Philosophical Anthology explores some of feminism s most pressing philosophical issues bridging the gap between classic and contemporary feminist ideas in one comprehensive volume Articles have been chosen to represent feminist interventions in core areas of philosophy as well as philosophical contributions to feminist theory more generally Emphasizing the flourishing growth of feminist philosophy over time this anthology investigates key issues and concepts such as gender based oppression knowledge production autonomy and the ethics of care while showcasing diverse voices from the past and present Each section opens with a clear introductory framework that makes complex topics accessible to readers at all levels Thoroughly updated in its second edition Feminist Theory highlights the expansion in scope and diversity of authors topics and approaches to feminist philosophical theorizing since the publication of the first edition It expands on foundational essays and introduces a variety of recent scholarship to highlight the ways in which feminist philosophy has become more inclusive global and intersectional New coverage such as Kimberl Crenshaw s seminal piece on intersectionality Robin Dembroff s work on non binary gender identities and the latest discussions on disability epistemic injustice misogyny and trans feminism provides readers with a uniquely broad range of cutting edge perspectives Offering readers both foundational knowledge and current debates in feminist thought Feminist Theory A Philosophical Anthology Provides the tools to critically engage with philosophical arguments around gender autonomy justice resistance liberation and many others Contextualizes the diverse philosophical perspectives shaping contemporary feminist discourse Revisits long standing questions and draws attention to contemporary debates in feminist theory Engages with pressing ethical topics such as the moral implications of misgendering and racial biases in knowledge production Encourages cross disciplinary engagement and theoretical advancement in areas of concern to feminists of all disciplines Includes critiques of traditional philosophical frameworks and engages in self reflection regarding the ways in which feminism itself has contributed to patterns of exclusion and marginalization Features key works by foundational authors such as Judith Butler Bell Hooks and Simone de Beauvoir Designed for undergraduate and graduate

courses in feminist theory gender studies philosophy and sociology Feminist Theory A Philosophical Anthology Second Edition remains an essential resource for students in philosophy social science and women s studies programs as well as researchers educators and activists interested in cross disciplinary engagement and theoretical advancement in areas of concern to feminists

The Warrior, Military Ethics and Contemporary Warfare Pauline M. Kaurin, 2016-02-17 When it comes to thinking about war and warriors first there was Achilles and then the rest followed The choice of the term warrior is an important one for this discussion While there has been extensive discussion on what counts as military professionalism that is what makes a soldier sailor or other military personnel a professional the warrior archetype varied for the various roles and service branches still holds sway in the military self conception rooted as it is in the more existential notions of war honor and meaning In this volume Kaurin uses Achilles as a touch stone for discussing the warrior military ethics and the aspects of contemporary warfare that go by the name of asymmetrical war The title of the book cuts two ways Achilles as a warrior archetype to help us think through the moral implications and challenges posed by asymmetrical warfare but also as an archetype of our adversaries to help us think about asymmetric opponents

Ethical Theory Russ Shafer-Landau, 2012-06-20 The second edition of Ethical Theory An Anthology features a comprehensive collection of more than 80 essays from classic and contemporary philosophers that address questions at the heart of moral philosophy Brings together 82 classic and contemporary pieces by renowned philosophers from seminal works by Hume and Kant to contemporary views by Derek Parfit Susan Wolf Judith Jarvis Thomson and many more Features updates and the inclusion of a new section on feminist ethics along with a general introduction and section introductions by Russ Shafer Landau Guides readers through key areas in ethical theory including consequentialism deontology contractarianism and virtue ethics Includes underrepresented topics such as moral knowledge moral standing moral responsibility and ethical particularism

Philosophy Of Law Classic And Contemporary Readings With Commentary Introduction

In today's digital age, the availability of Philosophy Of Law Classic And Contemporary Readings With Commentary books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Philosophy Of Law Classic And Contemporary Readings With Commentary books and manuals for download, along with some popular platforms that offer

these resources. One of the significant advantages of Philosophy Of Law Classic And Contemporary Readings With Commentary books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Philosophy Of Law Classic And Contemporary Readings With Commentary versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Philosophy Of Law Classic And Contemporary Readings With Commentary books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Philosophy Of Law Classic And Contemporary Readings With Commentary books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Philosophy Of Law Classic And Contemporary Readings With Commentary books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Philosophy Of Law Classic And Contemporary Readings With Commentary books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection

of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Philosophy Of Law Classic And Contemporary Readings With Commentary books and manuals for download and embark on your journey of knowledge?

FAQs About Philosophy Of Law Classic And Contemporary Readings With Commentary Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
