Groundwork for a Philosophy of Peace Leon Kabasele,2015-01-05 In *Groundwork for a Philosophy of Peace* readers will learn how human beings are capable of analyzing peace in the world Readers will understand the meaning of politics according to the viewpoints of Aristotle and Immanuel Kant This book is not for reading only it is for developing ideas that human beings have been ignoring for many generations during which time the world has existed in ignorance without a good plan for the future The conflict started when human beings started to develop and multiply on earth and expanded as they populated the entire world The consciousness of human beings is based on living in harmony but there are just few people who enjoy a better life in the world More people become depressed in their own countries when their authorities do not provide them with the peace they need On other hand the population refuses to respect the principles of their authorities Sometime the feelings are reciprocal the citizens need to claim their rights but the authorities feel the citizens are against them Also the authorities want to solve the citizens problems but the citizens feel that the authorities are not working for

them Many people will discover that Groundwork for a Philosophy of Peace is a new philosophy for peace It is about thinking deeper about the situation and debating the matters that need to be resolved When you finish reading this book please read also The World s Problems and Solutions Diversity Issues Analysis Dealing with Human Race Human Rights Philosophy Scientific Religious and World Economic Issues The Philosophy of Peace John Somerville,1954 **The Philosophy of Peace: With Introductory Letters by Albert Einstein and Thomas Mann** John Somerville,2009-07 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Proceedings of the International Peace Research Association Third Conference: Philosophy of peace research International Peace Research Association,1970 **Peace, Culture, and Violence** Fuat Gursozlu,2018-03-06 Peace Culture and Violence examines deeper sources of violence by providing a critical reflection on the forms of violence that permeate everyday life and our inability to recognize these forms of violence Exploring the elements of culture that legitimize and normalize violence the essays collected in this volume invite us to recognize and critically approach the violent aspects of reality we live in and encourage us to envision peaceful alternatives Including chapters written by important scholars in the fields of Peace Studies and Social and Political Philosophy the volume represents an endeavour to seek peace in a world deeply marred by violence Topics include thug culture language hegemony police violence war on drugs war terrorism gender anti Semitism and other topics Contributors are Amin Asfari Edward Demenchonok Andrew Fiala William Gay Fuat Gursozlu Joshua M Hall Ron Hirschbein Todd Jones Sanjay Lal Alessandro Rovati Laleye Solomon Akinyemi David Speetzen and Lloyd Steffen **Perpetual Peace** Immanuel Kant,1957 **Peace Philosophy in Action** Candice C.
