Carlingford novel Salem Chapel Phoebe Junior is well educated and has been raised to have the manners of a lady When she goes on a long visit to her shop keeper grandparents in Carlingford she expects she must adjust to their lower station in life Margaret Oliphant was a Scottish novelist and historical writer who usually wrote as Mrs Oliphant During her career she wrote more than 120 works including novels travelogues histories and volumes of literary criticism Two of her better known fictional works are Miss Marjoribanks 1866 and Phoebe Junior 1876 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions with a new introductory biography **Phoebe, Junior** Margaret Oliphant, 2023-12-06T21:34:00Z As Salem Chapel concludes a new minister has arrived quickly paired off with his leading deacon s daughter the pink and plump Phoebe Tozer She has her own ambitions and as Phoebe Junior begins twenty years have passed since the family left Carlingford They have risen in the connection and in London society Her daughter Phoebe Beecher is a clever and accomplished young woman wise beyond her years Young Phoebe s ailing Grandmother Tozer needs care however so she returns to the dubious small town social life of Carlingford to nurse grandmamma Circumstances throw her together with another attractive young woman whom Phoebe has in fact met in London Ursula May eldest daughter of the present incumbent of St Roque s an Anglican church in the town Although both are daughters of the manse their social standing is completely different Phoebe is lady like and well off yet as granddaughter of shopkeeper she has no social standing next to the impoverished Ursula whose father even as a Perpetual Curate has at least some distinction as a clergyman of the Church of England Where there are two amiable young women in a Victorian novel thoughts of matrimony cannot long be kept at bay But Margaret Oliphant has a distinctive social and moral vision although this strand of the narrative has an important place conventional romance is in short supply But there is more yet to this ambitious novel As in other books in this series the politics of gender plays a significant role Also Oliphant seems often to have had her contemporary novelists in her sights and Phoebe Junior takes aim at both Anthony Trollope and Charlotte Yonge For Oliphant neither of her peers had sufficiently grappled with the moral ambiguities of the established church or the corrosive power of money and its lack Phoebe Junior was reaching completion as The Way We Live Now appeared Her own handling of these themes here attempts to add required nuance After the artistic triumph of Miss Marjoribanks Margaret Oliphant abandoned the Chronicles of Carlingford to pursue other writing projects She wrote prodigiously to support her difficult family and at least fifteen novels had been published in the interim when Phoebe Junior appeared However Oliphant had taken four years to complete this work an unusually long period of composition for so swift a writer In 1872 she wrote to her old publisher William Blackwood I have begun partly to amuse myself and on a sudden impulse a new series of the Chronicles of Carlingford to be called Phoebe Junior and to embody the history of the highly intellectual and much advanced family of the late Miss Phoebe Tozer I don t know whether you will have any interest in this or not but you have a right to be told of it at

least In the event Blackwood was not interested but Oliphant found another publisher readily enough On its publication it was not widely reviewed although those who did appreciated its fine qualities Perhaps Oliphant had simply provided too much prose for her public More recent readers have found this compelling and complex narrative to have aged well It was serialized as a four part drama by BBC Radio in 1993 and has often been reprinted This book is part of the Standard Ebooks project which produces free public domain ebooks *Phoebe, junior; a last chronicle of Carlingford* Margaret Oliphant,1877 **In Some Other World, Maybe** Shari Goldhagen,2015-01-13 In December 1992 three groups of teenagers head to the theater to see the movie version of the famed Eons Empires comic books For Adam it s a last ditch effort to connect with something actually someone the girl he s had a crush on for years in his sleepy Florida town before he leaves for good Passionate fan Sharon skips school in Cincinnati so she can fully appreciate the flick without interruption from her vapid almost friends a seemingly silly indiscretion with shocking consequences And in suburban Chicago Phoebe and Ollie simply want to have a nice first date and maybe fool around in the dark if everyone they know could just stop getting in the way Over the next two decades these unforgettable characters criss cross the globe becoming entwined by friendship sex ambition fame and tragedy A razor sharp darkly comic page turner In *Some Other World Maybe* sheds light on what it means to grow up in modern America **Phoebe Junior. A Last Chronicle of Carlingford** Margaret Oliphant,2024-06-13 Reprint of the original first published in 1876 *The Doctor's Lost-And-Found Bride* Kate Hardy,2010-03-24 A formerly married couple separated by loss are reunited working in the ER of a London hospital and find love and healing in this medical romance When Max sees his wife Marina for the first time in four long years his heart skips a beat Max has done everything including risking his life to forget the searing loss of their baby that blew their tender young marriage apart But that doesn t stop the longing the desire for his lovely wife His feelings for Marina are one thing but seeing her with another man s child But Marina s baby isn t her own he finds Confronted with working together in the emergency department of London s Victoria Hospital and taking care of this child together can she and Max mend the marriage they have always wanted so very very much *Phoebe, Junior* Маргарет Олифант,2017-03-23 *The Phoebe Variations* Jane Hamilton,2025-09-23 The acclaimed New York Times bestselling author of *The Book of Ruth* and *A Map of the World* returns with a stunning coming of age novel about girls mothers and finding one s way in the world Seventeen year old Phoebe was never interested in her birth family But on the cusp of her high school graduation her adoptive mother Greta insists on a visit to meet her biological parents and siblings The encounter is a jolt a revelation that derails Phoebe With the help of her best friend Luna Phoebe runs away as far as their friend Patrick O Connor s chaotic home where she hopes to go unnoticed among his thirteen siblings But when Phoebe asks Patrick to chop off her hip length hair she s suddenly transformed Patrick s older brothers can t help but notice the striking Peter Pan like stranger who has suddenly appeared in their midst What starts as an adolescent rebellion soon spirals into a whirlwind of self discovery and unexpected connections As she grapples with her shifting identity
