

The image is a 3D anaglyph, meaning it consists of two slightly offset images of the same scene, one for the left eye and one for the right eye, presented side-by-side. The scene is a person wearing a white space helmet with a clear visor. The person's face is visible through the visor. The entire image is overlaid with a rainbow-colored chromatic aberration effect, where different colors are shifted at different rates, creating a multi-colored, fringed appearance. The background is black. In the top left corner, there is a small white oval containing the word "Photoshop". In the top right corner, there is a small white oval containing the word "Tutorial".
