Playing Life:

Playing Life from Center Court Arynne A. Simon, Arynne A. Simon PhD, 2004 Like our muscles our emotions need a good toning workout for them to remain fit and responsive Too often when confronted with an emotionally charged lob from a boss loved one or even a random stranger we tend to respond from the gut rather than the head These knee jerk responses nearly always have the same root in a combination of anger and fear Arynne A Simon PhD introduces us to the concept of Emotional Fitness in *Playing Life from Center Court* A written condensation of her highly successful lecture and coaching series this book offers instruction on escaping the traps of anger and fear Dr Simon has been offering guidance and instruction for over two decades and has influenced countless individuals with her lectures including Gary Moore Senior Vice President of Cisco Systems and Steve Wozniak founder of Apple Computers and author of this book's foreword At the urging of her students and clients she has written *Playing Life from Center Court* in an effort to share her and solutions with a wider public

The Play of Life Alta Florence Armstrong, 1917 ***Life's Lessons from MOM*** Patrick Flaherty, 2005-05 Author Patrick Flaherty and his brothers honor their mother by sharing stories and life's lessons learned from her during their childhood Doris Flaherty was typical of the millions of moms raising families in the 1950's 60's and 70's Much of what these moms did on a daily basis for teaching and disciplining their children can easily be used by today's mothers Many stories are humorous anecdotes of how common situations were handled through the wisdom of motherhood ***The God Who Plays*** Brian Edgar, 2017-12-20 Many people would be surprised to hear that a playful attitude towards God and the world lies at the heart of Christian faith Traditionally Christians have focused on the serious responsibilities of service sacrifice and commitment But the prophets say that the future kingdom is full of people laughing and playing which has implications for Christians who are called to live out the future kingdom in the present Play is not trivial or secondary to work and service only a playful way of living does justice to the seriousness of life Play is the essential and ultimate form of relationship with God which is why Jesus told people to learn from children Indeed a playful attitude is an important part of all significant relationships This book explores grace faith love worship redemption and the kingdom from the perspective of a playful attitude It describes how to create a play ethic to match the work ethic and discusses play as a virtue Aquinas's warning against the sin of not playing enough and Bonhoeffer's claim that in a world of pain it is only the Christian who can truly play
