

Plum Alley

Julia Pimsleur Levine

Plum Alley:

The Next Wave Susan Coleman, Alicia M. Robb, 2016-09-07 You may be familiar with the success stories of Spanx GoldieBlox and other women owned businesses that have taken their markets by storm But today only two percent of women owned firms generate more than one million dollars annually The Next Wave is here to help women drive up that number Drawing on the Kauffman Firm Survey and many other sources Susan Coleman and Alicia M Robb cull together data driven advice for women owned growth oriented businesses as they finance their expansion They not only consider the unique approaches and specific concerns of female business owners but also take into account the growing pool of investors who will play a role in selecting and grooming a new generation of women entrepreneurs Since growth oriented firms typically require external capital the investor perspective is critical Telling entrepreneurs what the research means for them outfitting them with resources and illustrating the road ahead with real world cases this book serves as a pioneering strategy guide for the next wave of women who want to go big to bring home their goals **Plumb Full of History** Donna Akers

Warmuth, Donna Gayle Akers, Mathieu Akers Marraud, 2003 Abingdon Virginia s Plumb Alley Day frames this story of two children discovering much more than the history of their grandmother s hometown By the end of the day Addie 13 and Owen 9 understand and appreciate much more than they expected about their place in their family and the history of the region

Million Dollar Women Julia Pimsleur Levine, 2016-10-18 American women are starting businesses at nearly twice the rate that men are but only three percent of female business owners have revenues of over one million dollars Most women entrepreneurs are stuck at the mom and pop level just getting by or in many cases running out of cash Julia Pimsleur shares her story of building her own company and raising millions in capital in a guide for women like her who have a great idea and need to find the resources to take it into the big leagues Report Zanesville (Ohio). City Water Works, 1889 **The**

History of Pittsburgh Sarah Hutchins Killikelly, 1906 Miss Killikelly s book is more than a history of Pittsburgh and all but serves as a history of Allegheny County of which Pittsburgh has long been the metropolis and which since the creation of the Greater Pittsburgh brought about since this book was published stands more than ever as the expression of the civic activities of its adjacent territory With the chief facts of the early history of Pittsburgh especially with those that center around Fort Duquesne most readers of Pennsylvania history are fairly familiar The story of these early days lose nothing in Miss Killikelly s retelling Very marvelous indeed has been the growth of this great Pennsylvania city A record of its population in 1761 gives the number of men as 324 the women 92 and children 47 living outside the garrison the number of houses with owners names was 220 At this period the town was divided into a Lower and Upper Town the King s Gardens stretching along the Allegheny with a background of wheatfields The residence of the commandant a substantial brick building within the fort was the most pretentious house In 1815 the population had increased to nearly 10 000 The subsequent history of this city is too detailed to be summarized Miss Killikelly tells the story in ample manner yet without any

overloading of unessential facts Her pages throb with the active busy life that has made Pittsburgh so pre eminently a manufacturing center and she tells the story of its commercial industrial and cultural progress with the skill of a practiced writer Pittsburgh is probably the most misunderstood city in the United States and Miss Killikelly is entitled to cordial thanks for her entirely readable account

Philadelphia in 1824 ,1824 **Gender Lens Investing** Joseph Quinlan,Jackie VanderBrug,2016-10-14 Delve into gender lens investing and the reality of the female economy Women today are an unparalleled force in the global economy as successful entrepreneurs corporate executives and family breadwinners Yet gender based violence the absence of women s legal rights and the persistent wage gap stubbornly remain This paradox creates an unprecedented and underexplored opportunity for investors Gender Lens Investing co authored by Jackie VanderBrug Managing Director and Joseph Quinlan Managing Director and Chief Market Strategist of U S Trust Bank of America Private Wealth Management is the first book of its kind to examine in depth the advantages of integrating gender into investment analysis While other books speak to growing numbers and influence of women Gender Lens Investing moves from economic trends to financial strategy Learn why gender is material to economic prosperity and investment performance Explore ways to use a gender lens to assess products companies and sectors Delve into the forces of positive social change supported by a gender perspective on investment choices Examine profitable and gratifying gender lens investment strategies Women are one of the world s greatest underutilized assets and applying a gender lens allows you to identify companies that recognize this or uncover the risks of companies that neglect it A gender lens adds value across the investment community but the impact reaches far beyond the bounds of portfolios to the economy and society as a whole Gender Lens Investing provides expert perspective and real world practical insight for investors looking to drive returns and impact
