Supreme City Donald L. Miller, 2014-05-06 An award-winning historian surveys the astonishing cast of characters who helped turn Manhattan into the world capital of commerce, communication, and entertainment. **Fugitive Bride** Miranda Lee, 2011-01-17 In bed with her husband Gerard Woodward was the husband Leah had dreamed of: handsome, powerful, and wealthy. Until she overheard something that made her realize he'd ruthlessly seduced her into marriage for his own ends. She decided to go. Six months later, the fugitive bride comes face to face with her husband once more. Well, he looks like her husband, he makes love like her husband, but he claims he's her husband's twin brother. **Foreign Assistance and Related Programs Appropriations for 1987** United States. Congress. House. Committee on Appropriations. Subcommittee on Foreign Operations and Related Agencies (1981-1987), United States. Congress. House. Committee on Appropriations. Subcommittee on Foreign Operations and Related Programs, 1986 **Because His Heart Was Strong** Chelsey L. Owens, 2018-12-10 That was the moment, the turning point. That was the moment I fully understood the depth of Daddy's love for me. Similar to the love of Christ, I knew his lack of consciousness or even more realistically, the hostility of death's doorstep could not interfere with my father's matchless love for his only daughter. While Christ's suffering made me realize His love for me, my daddy's suffering made me realize my love for him. Losing a parent is never easy. Losing a good parent is even crueler. But losing an admirable parent comparable to Christ, it's an extremely bitter truth to accept. Written from the viewpoint of an undeniable Daddy's girl, *Because His Heart Was Strong* entwines the captivating journey of Rick Owens' final decade of life through her own story, including the remarkable courage he demonstrated amidst prolonged suffering and the sheer legacy he imparted in death, highlighting the faith he placed in his Savior through it all. *Congressional Record* United States.
