Prague InThe Four Articles of Prague within the Public Sphere of Hussite Bohemia Kamila Veverkov situates the Four Articles presented here in a new translation by Angelo Franklin in their political and economic context emphasizing the societal reforms stimulated by the Hussite theological program The Hussites demanded free proclamation of God s word advocated public punishment of sins for all estates rejected the secular rule of the church and proclaimed the need to receive communion under both kinds With no royal government in the country the Czech Land Diet and its appointed administrators exercised practical power The Czechs arduous negotiations at the Council of Basel ultimately succeeded the Council adopted the Four Articles of Prague in the form of the Compactata which later became part of Czech law 1436 The Religious Peace of Kutn Hora 1485 expressed the new constitutional situation allowing religious freedom This unheard of principle preceded other related legal developments by several centuries Hussites permanently changed the form of the state and law becoming a model for Europe in the transition from feudalism to a bourgeois society The Century Dictionary and Cyclopedia: The Century Cyclopedia of names William Dwight Whitney,Benjamin Eli Smith,1897 CMJ New Music Report ,2002-07-01 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ s trade publication compiles playlists for college and non commercial stations often a prelude to larger success **The Century Dictionary and Cyclopedia: The Century cyclopedia of names, ed. by B.E. Jones,2011-08-03 Helplessly trapped the machine men heard the ultimatum of the terrible Heolons of Bhem Give us back the secret that has been dust these thousands years or as living metal statues adorn our halls throughout all eternity excerptKlaemten paused in his flight through the richly verdured foothills of the Mlopts which towered in the blue haze of distance He heard the shrill screeches of the pursuing Chebs and he turned in the direction of that sound the deep set eyes in his spherical head searching for them Klaemten s body was also round but flattened slightly in front and back Powerfully muscled legs had given him a good start on the Chebs but their animal speed and endurance was closing the distance A pair of tentacles like snakes curled gracefully from the sides of his round body while sharp ears projected from his head to give him an alert and listening appearance Escape lay in the mountains but a desperate despair struck at his heart He would never make it He had come far indeed on his strength and endurance and had even successfully employed a bit of trickery on the pursuing Chebs Had he only to reckon with the ignorant animals he might now be free But not all the Chebs were ignorant Many of them including those pursuing him were mentally endowed by the master race the Heolons for whom Klaemten had lately slaved Klaemten was an Urgyul one of the slave race who not only were slaves of the Heolons but served as food for their great pets the Chebs By a secret art of their own the Heolons gave many of these fearsome carnivores

intellects Klaemten had been purposely released by his masters so that he might be hunted by the Chebs for their amusement Moreover and this was the worst Klaemten was not the only one who had been condemned His mate Eulud at that moment lay in the crypt at Thoth the food store house for the Chebs Klaemten looked longingly at the mountains on the horizon Safety and security lay in the upper reaches of the high peaks where dwelt a colony of free Urgyuls one of the few known strongholds of that subjugated race Neither the Heolons nor the Chebs could stand the thin cold air of the mountains
