A People Betrayed: A

History of Corruption, Political Incompetence and Social Division in Modern Spain Paul Preston,2020-06-16

Nowhere does the ceaseless struggle to maintain democracy in the face of political corruption come more alive than in Paul Preston s magisterial history of modern Spain The culmination of a half century of historical investigation A People Betrayed is not only a definitive history of modern Spain but also a compelling narrative that becomes a lens for understanding the challenges that virtually all democracies have faced in the modern world Whereas so many twentieth century Spanish histories begin with Franco and the devastating Civil War Paul Preston s magisterial work begins in the late nineteenth century with Spain s collapse as a global power especially reflected in its humiliating defeat in 1898 at the hands of the United States and its loss of colonial territory This loss hung over Spain in the early years of the twentieth century its agrarian economic base standing in stark contrast to the emergence of England Germany and France as industrial powers Looking back to the years prior to 1923 Preston demonstrates how electoral corruption infiltrated almost every sector of Spanish life thus excluding the masses from organized politics and giving them a bitter choice between apathetic acceptance of a decrepit government or violent revolution So ineffective was the Republic which had been launched in 1873 that it paved the way for a military coup and dictatorship led by Miguel Primo de Rivera in 1923 exacerbating widespread profiteering and fraud When Rivera was forced to resign in 1930 his fall brought forth a succession of feeble governments stoking rancorous tensions that culminated in the tragic Spanish Civil War With astonishing detail Preston describes the ravages that rent Spain in half between 1936 and 1939 Tracing the frightening rise of Francisco Franco Preston recounts how Franco grew into Spain s most powerful military leader during the Civil War and how after the war he became a fascistic dictator who not only terrorized the Spanish population through systematic oppression and murder but also enriched corrupt officials who profited from severe economic plunder of Spain s working class The dictatorship lasted through World War II during which Spain sided with Mussolini and Hitler and only ended decades later in 1975 when Franco s death was followed by a painful yet bloodless transition to republican democracy Yet as Preston reveals corruption and political incompetence continued to have a corrosive effect on social cohesion into the twenty first century as economic crises Catalan independence struggles and financial scandals persist in dividing the country Filled with vivid portraits of politicians and army officers revolutionaries and reformers and written in the absorbing Economist style for which Preston is so revered A People Betrayed is the first historical work to examine the continuities of political unrest and national anxiety in Spain up until the present providing a chilling reminder of just how fragile democracy remains in the twenty first century The Triumph of Democracy in Spain Paul Preston,2003-09-02 The Triumph of Democracy in Spain tells a gripping story of the tortuous creation of Spain s constitutional monarchy The book provides an authoritative account of the tribulations of the forces of

progress beginning in 1969 with the disintegration of Franco's dictatorship and ending with the remarkable Socialist election victory in 1982 "**!No Pasarán!**" Stephen M. Hart, 1988 The six essays collected in this volume are a selection from a number of papers which were given at a one day colloquium on Art Literature and the Spanish Civil War which was held in Westfield College on 18 July 1986 precisely fifty years to the day after Franco's military coup in the Canary Islands which was destined to have such a decisive effect on the course of Spanish history Though this date subsequently became a Francoist celebration the so called Dia del Alzamiento Day of the Uprising the papers collected here do not demonstrate a Francoist bias The overall approach is intertextual and interdisciplinary thereby stressing the international nature of the artistic response to the war For the benefit of the English reader all foreign quotations are followed by an English translation

The Politics of Revenge Paul Preston, 2003-09-02 The role of the Spanish Right in the course of the twentieth century has been a neglected area of academic study The Politics of Revenge redresses this providing a succinct and disturbing account

¡No pasarán! Mario Amorós, 2021-09-10 Un hilo rojo que atraviesa todo el siglo XX la vida de la comunista más universal Todo el país vibra de indignación ante esos desalmados que quieren por el fuego y el terror sumir a la España democrática y popular en un infierno de terror Pero no pasarán Aquel legendario llamamiento por radio del 19 de julio de 1936 convirtió a Dolores Ibárruri a la sazón diputada del Frente Popular por Asturias en el símbolo universal de la resistencia republicana frente al fascismo Nacida en el corazón de la cuenca minera vizcaína y militante del Partido Comunista de España desde su fundación ahora hace justo un siglo es en el crisol y la tragedia de la guerra civil cuando se forja el mito de Pasionaria Tras la amarga derrota de 1939 conocer un largo exilio de cuatro décadas principalmente en la Unión Soviética Asume la secretaría general del PCE en plena guerra mundial en la que su hijo Rubén oficial del Ejército Rojo muere en la batalla de Stalingrado Retornada a España en 1977 la imagen de Dolores Ibárruri del brazo de Rafael Alberti en el Congreso de los Diputados constituye una de las estampas más icónicas de la Transición Fallecida en Madrid el 12 de noviembre de 1989 apenas tres días después de la caída del Muro de Berlín su vida es un hilo rojo que atraviesa todo el siglo XX A partir de una documentación excepcional y en buena parte inédita como es el caso del archivo personal de Dolores Ibárruri Mario Amorós ha escrito un relato biográfico riguroso y sobre todo necesario de una de las grandes figuras del movimiento obrero y comunista internacional de una personalidad esencial para comprender la historia de la España contemporánea

The Communist Party in Spain Víctor Alba, 1983-01-01 Symbol and Ritual in the New Spain Laura Desfor Edles, 1998-04-16 This is a book about the role of culture in social change and the Spanish transition to democracy after Franco Laura Desfor Edles takes a distinctively culturalist approach to the strategy of consensus deployed by the Spanish elite and uses systematic textual interpretation with a particular focus on Spanish newspapers to show how a new symbolic framework emerged in post-Franco Spain which enabled the resolution of specific events critical to the success of the transition In addition to uncovering underlying processes of symbolization she shows that politico historical transitions can themselves be understood as ritual

processes involving as they do phases and symbols of separation liminality and re aggregation

The New York Times *Margarita Nelken* Pelayo Jardón Pardo de Santayana,2013-01-01 Con ocasión de la política feminista que tuvo lugar en las primeras décadas del siglo XX la periodista madrileña Margarita Nelken 1894 1968 preconizó la reforma de aquellas normas jurídicas y usos sociales que por su cariz androcéntrico discriminaban a la mujer española En aras de mejorar la condición femenina y por ende de equilibrar las relaciones de poder entre ambos sexos promovió la formación intelectual y laboral de la mujer su incorporación al mercado de trabajo su independencia económica y su emancipación moral y política respecto al varón A pesar de tal bagaje tras ser elegida diputada en 1931 apenas proyectó su actividad política en la salvaguardia de los intereses feministas a los que antepuso otra clase de objetivos como la revolución social según el modelo comunista y la defensa de la República durante la Guerra Civil On the occasion of the feminist polemic that took place in the first decades of the twentieth century the Madrilenian journalist Margarita Nelken 1894 1968 advocated the reform of those judicial norms and social uses that for their androcentric perspective discriminated against Spanish women In order to improve the feminine condition and hence to balance the relations of power between both sexes she promoted the intellectual and technical formation of women their incorporation into the work market their economic independence and their moral and political emancipation with respect to the male Despite having such a large amount of acquired knowledge after being elected a Member of Parliament in 1931 she hardly projected her political activity in the safeguard of feminist interests giving precedence to other classes of objectives such as the social revolution according to the communist model and the defence of the Republic during the Civil War
