Flaherty**

## **Quiet Resolution Quebecs Challenge To Canada:**

**A Short History of Quebec** John A. Dickinson, Brian Young, 2008-09-19 John A Dickinson and Brian Young bring a refreshing perspective to the history of Quebec focusing on the social and economic development of the region as well as the identity issues of its diverse peoples This revised fourth edition covers Quebec s recent political history and includes an updated bibliography and chronology and new illustrations A Canadian classic A Short History of Quebec now takes into account such issues as the 1995 referendum recent ideological shifts and societal changes considers Quebec s place in North America in the light of NAFTA and offers reflections on the G rard Bouchard Charles Taylor Commission on Accommodation and Cultural Differences in 2008 Canadian Intellectuals, the Tory Tradition, and the Challenge of Modernity, 1939-1970 Philip Massolin, 2015-05-27 In this well researched book Philip Massolin takes a fascinating look at the forces of modernization that swept through English Canada beginning at the turn of the twentieth century Victorian values agrarian religious and the adherence to a rigid set of philosophical and moral codes were being replaced with those intrinsic to the modern age industrial secular scientific and anti intellectual This work analyses the development of a modern consciousness through the eyes of the most fervent critics of modernity adherents to the moral and value systems associated with Canada s tory tradition The work and thought of social and moral critics Harold Innis Donald Creighton Vincent Massey Hilda Neatby George P Grant W L Morton Northrop Frye and Marshall McLuhan are considered for their views of modernization and for their strong opinions on the nature and implications of the modern age These scholars shared concerns over the dire effects of modernity and the need to attune Canadians to the realities of the modern age Whereas most Canadians were oblivious to the effects of modernization these critics perceived something ominous far from being a sign of true progress modernization was a blight on cultural development In spite of the efforts of these critics Canada emerged as a fully modern nation by the 1970s Because of the triumph of modernity the toryism that the critics advocated ceased to be a defining feature of the nation s life Modernization in short contributed to the passing of an intellectual tradition centuries in the making and rapidly led to the ideological underpinnings of today s modern Canada **Education in the Province of Quebec** Roger Magnuson, 1969 **Canada 2013** Wayne C. Thompson, 2013-08-28 This is an annually updated presentation of Canada past and present *A Canadian Challenge* Christian Dufour, 1990 *Edaucation in the Province of Quebec* United States. Education Office, 1969 **Canada 2012** Wayne C. Thompson, 2012-08-10 This is an annually updated presentation of Canada past and present It is broken down into sections dealing with Canada s culture geography people history from New France to the constitutional debates in the late 20th century political system including the constitution monarchy executive parliament legal and court system federalism and the provinces provincial governments parties and elections defense economy future and bibliography *Canada First, Not Canada Alone* Adam Chapnick, Professor of Defence Studies Adam Chapnick, Asa McKercher, Assistant Professor of History Asa McKercher, 2024 The definitive history of Canadian foreign

policy since the 1930s *Canada First Not Canada Alone* examines how successive prime ministers have promoted Canada's national interests in a world that has grown increasingly complex and interconnected Case studies focused on environmental reform Indigenous peoples trade hostage diplomacy and wartime strategy illustrate the breadth of issues that shape Canada's global realm Drawing from extensive primary and secondary research Adam Chapnick and Asa McKercher offer a fresh take on how Canada positions itself in the world

**Challenges to Canadian Federalism** Hugh Mellon, Martin William Westmacott, 1998

**Canadian Federalism** Herman Bakvis, Grace Skogstad, 2020-07-15 This is Canada's only up to date collection of essays on issues in Canadian federalism covering the Harper and Trudeau eras as well as federal provincial debates over healthcare climate change trade and more

*With the World to Choose From* Brett Hooton, Robin Koning, Meghan Thurston, 2021-09-15 The Beatty Lecture established in 1952 in honour of former Canadian Pacific Railway president and McGill chancellor Sir Edward Beatty is McGill University's most anticipated annual event Some of the series' greatest lectures delivered by Nobel Prize laureates world leaders and cultural icons have been forgotten carefully stowed away in the McGill Archives To help us understand some of the most significant moments and discoveries of our time *With the World to Choose From* spotlights fifteen outstanding Beatty Lectures spanning seven decades Readers can discover or rediscover these important and inspiring lectures all in print for the first time One of the twentieth century's most influential visionaries the economist Barbara Ward opens this anthology with her future looking 1955 lecture Lectures from acclaimed biologist Robert Sinsheimer former Soviet leader Mikhail Gorbachev Nobel Prize laureate Muhammad Yunus philosopher Charles Taylor and author and social commentator Roxane Gay carry readers through the decades that followed and up to the present treating subjects from the tensions of Cold War politics and the implications of genetic engineering to the origins of life in the universe and the watershed MeToo movement Some of today's leading academics add contextual and biographical information to each chapter and an introduction sheds light on the history of the Beatty Lecture and the life of its notable namesake Illustrated with a selection of photographs and ephemera *With the World to Choose From* provides a historical and behind the scenes look at one of Canada's longest running lecture series

*Canada and the Challenges of International Development and Globalization* Mahmoud Masaeli, Lauchlan T. Munro, 2018-08-28 What are Canada's various links with international development and globalization They extend beyond foreign aid to diplomacy trade finance aid immigration military intervention both peacekeeping and combat roles membership in a variety of international organizations relations with indigenous peoples and people to people links This multi disciplinary and multi author textbook designed for first or second year students introduces the main concepts theories and perspectives that have shaped Canada's interactions with developing countries in a globalizing world It starts by considering Canada as a case study in international development and globalization It examines Canada's diplomatic economic military social immigration and aid policies how they have changed over time and how they have interacted with each other and with Canada's treatment of Indigenous peoples The

book presents economic political and cultural dimensions of the process of globalization and the ways they affect Canada examines the public institutions private sector and civil society organizations in Canada and explores the moral imperatives behind Canadian international policy Finally it examines current issues including Canada s promotion of human rights democracy good governance support to the private sector and relations with fragile and conflict affected states and the emerging economies Finalist PROSE Award Textbook Social Sciences January 2019 This book is published in English

Comment se d ploient les interventions du Canada en mati re de d veloppement international et de mondialisation Bien au del de l aide l tranger celles ci touchent la diplomatie le commerce les finances l aide l immigration les interventions militaires l adh sion des organisations internationales et des liens entre personnes Con u pour les tudants de premi re et de deuxi me ann e du premier cycle ce manuel multidisciplinaire est une initiation aux principaux concepts id es th ories et approches qui forment le contexte historique et les fondations m mes des interactions du Canada avec les pays en d veloppement l re de la mondialisation Il aborde la question de la diplomatie canadienne et de son volution examine les politiques canadiennes en mati re d immigration d aide de politique d conomie militaires et sociales Il pr sente les dimensions conomiques politiques et culturelles du processus de mondialisation et les fa ons dont elles touchent le Canada les institutions et politiques en lien avec le d veloppement les organismes du secteur priv et la soci t civile au Canada et les imp ratifs moraux qui sous tendent la politique internationale canadienne Enfin il examine les droits humains la d mocratie la bonne intendance le soutien au secteur priv les relations avec des tats fragilis s et les liens avec les conomies en mergence Finaliste PROSE Award Textbook Social Sciences Janvier 2019 Ce livre est publi en anglais Québec Confronts Canada Edward M. Corbett, 2019-12-01

Originally published in 1967 The nationalistic sentiment of French Canada was starkly dramatized by the Montreal terrorist bombings in the spring of 1963 Admittedly the work of extremists that eruption of violence was an offshoot of the profound social political economic and cultural transformation an accelerated evolution rather than a revolution that Quebec has undergone since the end of World War II This revolution tranquille is characterized by a new sense of self confidence among French Canadians an eagerness to reject what they regard as any hint of second class citizenship and a determination to take full share in all aspects of Canadian life without however sacrificing their French culture and heritage A threat to the Canadian Confederation is implicit in the growing reluctance of modern French speaking Canadians to abide the tyranny of the majority however enlightened or well intentioned it may be This first book length study in English of the conflict between French and English Canadians provides a thorough treatment of French Canadian complaints against English Canada and of their implications for Canadian unity Dr Corbett devotes the first part of his study to an analysis of the ferment within the French speaking population of Quebec during the postwar period He discusses the relation between French Canadian nationalism and other nationalisms and the roles played by the language barrier the church and the separatist movement In the second part of the study he considers the political economic and social implications of separatism with particular regard

to the proposals for adapting the Constitution to Quebecois demands After tracing the evolution of the ambivalent English Canadian concept of Canada s national identity he concludes that the future of the Confederation will depend on how far the English majority is willing to go in meeting French demands      *The Reconquest Of Montreal* Marc Levine,2010-04-28 An examination of the nature of the linguistic transformation of Montreal and the role of public policy in promoting it

**Discovering French Canada** Romey Borges,2002      **Roads to Confederation** Jacqueline D. Krikorian,David R. Cameron,Marcel Martel,Andrew W. McDougall,Robert C. Vipond,2017-01-01 Roads to Confederation The Making of Canada 1867 Volume 1 includes material on the competing visions of the nature of the 1867 project on the ideas underpinning the British North America Act 1867 and on some of the peoples and communities Confederation scholars have traditionally ignored      **Challenging Times** Constance Backhouse,David H. Flaherty,1992 By allowing the reader to draw comparisons between women s movements in Canada and the United States Challenging Times shows that certain political and theoretical issues transcend international borders ebbing and flowing between the two countries symbiotically Topics discussed include the origins of second stage feminism the strength of the women s movement within academic structures and the challenges posed by racial ethnic and class diversity violence against women the promise and limits of legal reform reproductive technology and economic discrimination Readers who are interested in the recent history of the North American women s movement will find answers to many of their questions about the victories defeats and fundamental challenges facing modern feminism Those who have been active in the current wave of feminism either as central participants or serious critics will find Challenging Times equally fascinating because it endeavours to provide answers to pressing questions about the nature of feminism the inter relationships and tensions between different sectors of the movement and the prospects for future growth Many of the contributors to this volume have lived through and personally shaped the unfolding of the rich history of North American feminism In addition to Backhouse and Flaherty the contributors are Catharine A MacKinnon Greta Hofmann Nemiroff Monique B gin Mariana Valverde Naomi Black Marjorie Griffin Cohen Micheline de S ve Micheline Dumont Margrit Eichler Sara M Evans Marianne A Ferber Lorraine Greaves Marjorie Heins M Patricia Fernandez Kelly Patricia A Monture Okanee Arun Mukherjee Jean F O Barr Christine Overall Glenda Simms and Jill Vickers      *Political Culture and Constitutionalism: A Comparative Approach* Daniel P. Franklin,Michael J. Baun,2016-09-16 This work is a cross national examination of the relationship between political culture and constitutionalism The countries studied include Nigeria Turkey and Japan Questions explored include whether constitutions must evolve and whether constitutionalism is only a western concept      **Stephen Harper and the Future of Canada** William Johnson,2009-02-24 There has never been a book about Stephen Harper yet on June 28 he came close to being our prime minister If Paul Martin miscalculates Stephen Harper could be our next prime minister in months not years Who is this man Everyone knows that he became leader of the Alliance Party and against all odds gathered in the old Conservative Party to create a force designed to win power coming very close in

2004 Yet what are his core beliefs To what extent does he agree with his party's social conservatives who scared away voters in the last election Where will he take us if he gets power William Johnson has researched the Harper family background and the historical context that shaped his political career He paints a fascinating picture of a man who like Pierre Trudeau trained mentally for political power like an athlete training for the Olympics yet is not a natural politician and never really wanted the political leader's life By studying Harper's approach to the main issues in Canadian politics he shows that Harper is a sophisticated political operative far more complex and intellectual than the right wing Republican image that has been created for him This is a serious objective political biography short on gossip but long on clear discussion of Harper's political views and how he got them Johnson's message Don't underestimate this man

**Race and Racism** Leo

Driedger, Shiva Halli, 2000-04-03 Race and Racism brings together critical contributions from the academic and government sectors that analyse the nature and extent of racism in Canada The broad spectrum of social scientific approaches represented here sociology cultural anthropology demography and psychology and an equal emphasis on quantitative and qualitative methods make this study a particularly rich source for scholars and policy makers alike Discussion unfolds along four main themes concepts and theories relating to race including some treatment of measurement questions economic and social factors pertaining to race racism and discrimination as represented in opinion and popular perception measured in various ways and the dimensions of minority coping in major urban areas Race and Racism fills in many wavering lines on our cultural landscape and provides an important perspective on social policy for the twenty first century
