Silent Grief Clara Hinton, 1998-02-01 But now that he is Dead Why should I fast Can I bring him back again I will go to him but he will not return to me 2 Samuel 12 23 Almost 200 000 couples in America each year suffer through the tragedy of miscarriage And that statistic only tells us about first trimester miscarriages The emotional pain of longer term miscarriages and the untold numbers of mothers and fathers who keep silent about their hurt make this form of child loss especially cruel But in Silent Grief author Clara Hinton brings a clear message of hope through the cold mourning Writing of her own grief and interviewing scores of women and men she offers not pat answers but instead show us this You are not alone Additionally the author touches the tears of other forms of child loss stillbirth missing children and adult children who succumb to accident or illness The moving honest responses to these interviews tells the reader that through the tears and rage and awful silence God still loves us and knows our children intimately King David knew this He knew that one day he would reunite with his child
