## Quisling A Study In Treachery:

Quisling Hans Fredrik Dahl,1999-05-27 A 1999 biography of the notorious wartime Norwegian leader Vidkun Quisling whose name is still used as a synonym for traitor *Quisling* Dahl,2007 **Quisling** Hans Fredrik Dahl,1999 *Charisma and Fascism* Antonio Costa Pinto,Roger Eatwell,Stein Ugelvik Larsen,2014-02-25 Fascism remains a topic that fascinates both academic and general audiences This is the first book to look systematically at the leaders of fascism and related movements in the inter war era It shows how fascist leaders came to personify their movements and why the Führerprinzip was applied in all fascist organizations It also explains how fascist leadership was of a very particular kind It was almost unlimited in political discipline and required complete subordination The legitimacy was based on a very vague notion of the organic unity of the state and the people giving the leaders competence to rule without accountability to a party organization or state bodies Thus we can observe in all fascist parties movements a practical form of leadership where policies of split and rule were common in absence of principles of representation and opposition feedbacks The fascist Führer was the leader the party the ideology and when in power the state itself This book was previously published as a special issue of *Totalitarian Movements and Political Religions* **Fascism and Ideology** Salvatore Garau,2015-03-24 This book develops a number of new conceptual tools to tackle some of the most hotly debated issues concerning the nature of fascism using three profoundly different national contexts in the inter war years as case studies Italy Britain and Norway It explores how fascist ideology was the result of a sustained struggle between competing internal factions which created a precarious but also highly dynamic balance between revolutionary totalitarian and conservative authoritarian tendencies Such a balance meant that these movements were hybrids with a surprising degree of internal diversity which cannot be explained away as simple opportunism or lack of ideological substance The book's focus on fascist ideology's internal variety and aggregative potential leads it to argue that when fascism succeeded this was less an effect of its revolutionary ideas than of the opposite namely its power to integrate elements from other pre-existing ideologies Given the prevailing opinion that fascism is revolutionary by definition the book ultimately poses a challenge to the dominant view in the field of fascist studies The Rough Guide to Norway (Travel Guide eBook) Phil Lee,2017-03-30 The Rough Guide to Norway is the ultimate travel guide to Scandinavia's most inspiring country There's stunning photography to inspire you crystal clear maps to guide you and in depth coverage on everything from Norway's charmingly laidback cities to the mighty ice plateaus of Svalbard's arctic wilderness The Rough Guide to Norway will ensure you make the most of your time in Norway whether you are planning a city break in style conscious Oslo a retreat in a stunningly sited fjordside hamlet or an adventurous trip hiking past mountain waterfalls cross country skiing or chasing the elusive northern lights Insider reviews reveal the best places to eat drink and sleep with something for every budget whether you want to stay in a remote lighthouse or fisherman's hut enjoy Bergen's top notch culinary scene or have a night out bar hopping in Norway's buzzing capital city Make the most of your trip with The Rough

Guide to Norway     Western and Northern Europe June 1942-1945 Katja Happe, Barbara Lambauer, Clemens Maier-Wolthausen, 2022-08-01 Executive editors Katja Happe Barbara Lambauer and Clemens Maier Wolthausen with Maja Peers English language edition prepared by Elizabeth Harvey Johannes Gamm Georg Felix Harsch Dorothy Mas and Caroline Pearce In summer 1942 the Germans escalated the systematic deportations of Jews from Western and Northern Europe to the extermination camps In most of the countries under German control the occupying forces initially focused on arresting foreign and stateless Jews thereby securing the cooperation of local authorities However before long the entire Jewish population was targeted for deportation This volume documents the parallels and differences in the persecution of Jews in occupied Norway Denmark the Netherlands Belgium Luxembourg and France in the period from summer 1942 to liberation it records the implementation of the systematic deportation and murder of Jews from Western and Northern Europe and it also records the rescue of more than 5 000 Danish Jews In letters and diary entries the persecuted Jews describe their attempts to flee life in hiding the transit camps and deportation transports that often took several days In Westerbork camp in the occupied Netherlands Bob Cahen himself an inmate recorded in his diary the arrival in the camp of 17 000 Jews from across the Netherlands in October 1942 People arrived here herded like livestock Some were buried beneath their luggage others without any possessions at all not even properly dressed Women in poor health who had been hauled out of bed in thin nightgowns children in undergarments and barefoot the elderly the ill the infirm more and more new people came to the camp The sources in the volume show how the perpetrators attempted to dupe their victims regarding the destination of the transports and how Jewish organizations attempted to alleviate the suffering of the deportees The documents additionally illustrate how the resistance movement gained momentum during this period Learn more about the PMJ on <https://pmjdocuments.org>     **Hitler's Northern Utopia** Despina Stratigakos, 2022-03-22 How Nazi architects and planners envisioned and began to build a model Aryan society in Norway during World War II     Hitler's Scandinavian Legacy Jill Stephenson, John Gilmour, 2013-06-06 The Scandinavian Nordic countries of Denmark Norway Sweden and Finland experienced the effects of the German invasion in April 1940 in very different ways Collaboration resistance and co belligerency were only some of the short term consequences Each country s historiography has undergone enormous changes in the seventy years since the invasion and this collection by leading historians examines the immediate effects of Hitler s aggression as well as the long term legacies for each country s self image and national identity The Scandinavian countries war experience fundamentally changed how each nation functioned in the post war world by altering political structures the dynamics of their societies the inter relationships between the countries and the popular view of the wartime political and social responses to totalitarian threats Hitler was no respecter of the rights of the Scandinavian nations but he and his associates dealt surprisingly differently with each of them In the post war period this has caused problems of interpretation for political and cultural historians alike Drawing on the latest research this volume will be a welcome addition

to the comparative histories of Scandinavia and the Second World War      [The Rough Guide to Norway](#) Phil Lee,2013-12-19

The Rough Guide to Norway is the definitive guide to Scandinavia's most inspiring country You'll find insider tips on where the locals spend their time as well as advice on how to make your money go further This 6th edition features all new colour photography on every region as well as extended sections on Svalbard and Spitsbergen winter and summer adventure activities and Norwegian flora and fauna The chapter on Oslo now makes it easier than ever to visit this buzzing style-conscious capital set on the doorstep of stunning alpine landscapes You'll also find plenty of advice on visits to Viking settlements great art and historical museums and the Arctic wilderness as well as expanded information on exploring the country via the Hurtigruten Coastal Steamer At every step The Rough Guide to Norway steers you to the best hotels cafés restaurants and shops across every price range giving you clear balanced reviews and honest first hand opinions from authors who know their herring from their lutefisk Originally published in print in 2012 Make the most of your time with The Rough Guide to Norway Now available in ePub format      **To Serve the Enemy** Shane Darcy,2019 Despite the harsh treatment that can befall collaborators in armed conflict and despite collaboration often not being voluntary international law leaves unanswered the ethical questions posed by those who join with the enemy Shane Darcy explores the issue calling for a much needed assessment of the protections granted to collaborators in war      *Between God and Hitler* Doris L. Bergen,2023-05-11 During the Second World War approximately 1000 Christian chaplains accompanied Wehrmacht forces wherever they went from Poland to France Greece North Africa and the Soviet Union Chaplains were witnesses to atrocity and by their presence helped normalize extreme violence and legitimate its perpetrators Military chaplains played a key role in propagating a narrative of righteousness that erased Germany's victims and transformed the aggressors into noble figures who suffered but triumphed over their foes Between God and Hitler is the first book to examine Protestant and Catholic military chaplains in Germany from Hitler's rise to power to defeat collapse and Allied occupation Drawing on a wide array of sources chaplains letters and memoirs military reports Jewish testimonies photographs and popular culture this book offers insight into how Christian clergy served the cause of genocide sometimes eagerly sometimes reluctantly even unknowingly but always loyally      *The Rough Guide to Norway (Travel Guide eBook)* Rough Guides,2017-03-30 The Rough Guide to Norway is the ultimate travel guide to Scandinavia's most inspiring country There's stunning photography to inspire you crystal clear maps to guide you and in depth coverage on everything from Norway's charmingly laidback cities to the mighty ice plateaus of Svalbard's arctic wilderness The Rough Guide to Norway will ensure you make the most of your time in Norway whether you are planning a city break in style-conscious Oslo a retreat in a stunningly sited fjordside hamlet or an adventurous trip hiking past mountain waterfalls cross country skiing or chasing the elusive northern lights Insider reviews reveal the best places to eat drink and sleep with something for every budget whether you want to stay in a remote lighthouse or fisherman's hut enjoy Bergen's top notch culinary scene or have a night out bar hopping in Norway's buzzing

capital city Make the most of your trip with *The Rough Guide to Norway* **Anti-fascism in the Nordic Countries** Kasper Braskén, Nigel Copsey, Johan A. Lundin, 2019-01-10 Although the Nordic countries have a reputation for tolerance and social democracy they were not immune to fascism which spread across Europe in the 1920s and 1930s This book offers the first comprehensive history of anti fascism in the Nordic Countries Through a number of case studies on anti fascism in Sweden Finland Norway Denmark and Iceland the book makes a significant contribution to the history of contentious politics in the Nordic Countries and to our broader knowledge of European fascism and anti fascism The case studies concentrate on the different manifestations of resistance to fascism and Nazism in the interwar era as well as some of the postwar variants The book will be of considerable interest to scholars of anti fascism as well as researchers of Nordic and Scandinavian history and politics

*The Legacy of Nuremberg* David A. Blumenthal, Timothy L. H. McCormack, 2008 In this new collection of essays the editors assess the legacy of the Nuremberg Trial asking whether the Trial really did have a civilising influence or if it constituted little more than institutionalised vengeance Three essays focus particularly on the historical context and involve rich analysis of for example the atmospherics of the Trial itself and the attitudes of German society at the time to the conduct of the Trial The majority of the essays deal with the contemporary legacies of the Nuremberg Trial and attempt to assess the ongoing relevance of the Judgment itself and of the principles encapsulated in it Some essays consider the importance of the principle of individual criminal responsibility under international law and argue that the international community has to some extent failed to fulfil the promise of Nuremberg in the decades since the Trial Other essays focus on contemporary application of aspects of the substantive law of Nuremberg particularly the international crime of aggression the law of military occupation and the use of the crime of conspiracy as an alternative basis of criminal responsibility The collection also includes essays analysing the nature and operation of a number of international criminal tribunals since Nuremberg including the permanent International Criminal Court The final grouping of essays focus on the impact of the Nuremberg Trial on Australia examining in particular Australia's post World War Two war crimes trials of Japanese defendants Australia's extensive national case law on Article 1 F of the Refugee Convention and Australia's national implementing legislation for the Rome Statute

*Dangerous Liaisons* Peter Davies, 2014-09-25 The Nazi regime in Germany was terrible enough without even accounting for the policy of collaboration So what extra does collaboration say about Hitler and his plans for Europe Peter Davies explores the mindset and political attitudes of Hitler and also many other controversial pro Nazi leaders in Western Europe Scandinavia Central and Eastern Europe and also beyond Delving into four different types of collaboration political financial the Holocaust and collaboration at a social level he asks some difficult questions The story of collaboration is brought up to date assessing both the legacy and its contemporary parallels

*European Resistance in the Second World War* Philip Cooke, Ben H. Shepherd, 2013-11-13 Resistance to German led Axis occupation occurred all the way across the European continent during the Second World War It took a wide range of forms non cooperation and disinformation sabotage

espionage armed opposition and full scale partisan warfare It is an important element in the experience and the national memory of the peoples who found themselves under Axis government and control For over thirty years there has been no systematic attempt to give readers a panoramic yet detailed view of the make up actions and impact of resistance movements from Scandinavia down to Greece and from France through to Russia This authoritative and accessible survey written by a group of the leading experts in the field provides a reliable in depth up to date account of the resistance in each region and country along with an assessment of its effectiveness and of the Axis reaction to it An extensive introduction by the editors Philip Cooke and Ben H Shepherd draws the threads of the varied movements and groups together highlighting the many differences and similarities between them The book will be a significant contribution to the frequently heated debates about the importance of individual resistance movements It will be thought provoking reading for everyone who is interested in or studying occupied Europe during the Second World War

**The Hitler Years: Disaster, 1940-1945** Frank McDonough, 2021-10-12 The Second Volume of a new chronicle of the Third Reich under Hitler's hand ending with his death and Germany's disastrous defeat In *The Hitler Years Disaster 1940-1945* Frank McDonough completes his brilliant two volume history of Germany under Hitler's Third Reich At the beginning of 1940 Germany was at the pinnacle of its power By May 1945 Hitler was dead and Germany had suffered a disastrous defeat Hitler had failed to achieve his aim of making Germany a super power and had left her people to cope with the endless shame of the Holocaust Despite Hitler's grand ambitions and the successful early stages of the Third Reich's advances into Europe Frank McDonough convincingly argues that Germany was only ever a middle ranking power and never truly stood a chance against the combined forces of the Allies In this second volume of *The Hitler Years* Professor Frank McDonough charts the dramatic change of fortune for the Third Reich and Germany's ultimate defeat

**The European Antarctic** P. Roberts, 2011-12-19 This is the first transnational study of British Norwegian and Swedish engagement with the Antarctic Rather than charting how Europeans unveiled the Antarctic it uses the history of Antarctic activity as a window into the political and cultural worlds of twentieth century Britain and Scandinavia

*H.G. Wells and All Things Russian* Galya Diment, 2019-07-26 H G Wells and *All Things Russian* is a fertile terrain for research and this volume will be the first to devote itself entirely to the theme Wells was an astute student of Russian literature culture and history and the Russians in turn became eager students of Wells's views and works During the Soviet years in fact no significant foreign author was safer for Soviet critics to praise than H G Wells The reason was obvious He had met and largely approved of Lenin was a close friend of the Soviet literary giant Maxim Gorky and in general expressed much respect for Russia's evolving Communist experiment even after it fell into Stalin's hands While Wells's attitude towards the Soviet Union was nevertheless often ambivalent there is definitely nothing ambiguous about the tremendous influence his works had on Russian literary and cultural life
