## **Quit Pulling My Leg:**

*Strange Future* Joshua Smith, 2009-06-17 Thomas Gordon's life in the city was going just fine. He had a decent job, a nice condo, and was generally content with life. One day, however, his boss was in a particularly foul mood, and a chain of inexplicable mishaps resulted in Thomas getting fired. Fed up with the world, he begins to search for an escape to a better life. While sitting at the Realtor's office, he stumbles upon a flyer on a bulletin board that asks a simple question: Fed Up? After calling the number on the pull tab, he meets a group of scientists with an interesting proposition: human cryogenic preservation. Thomas and his companions, Vera and Doug, emerge into the strange future of the twenty-third century, a world full of amazing technological advances and equally amazing people. Upon digging a little further below the surface, though, they quickly discover that this future isn't exactly the better world that everyone thought it would be. KATANAGATARI, Part 3 NISIOISIN, 2020-08-25 Swordless swordsman Shichika and self-described schemer Togame are on a quest to obtain twelve peculiar masterpiece blades. Pitting the former against his sister, who has acquired one of the legendary weapons, and the latter against a rival at court. Princess Negative. This hardcover edition featuring a gatefold color insert, beautiful interior art, and copious bilingual footnotes is the third of a quartet collecting a best-selling series from the former homeland of samurais and ninjas. *The Sixth William* John Neely Davis, 2012 In an Alaskan bar, Creighton Roane watches a TV news story about multiple gruesome murders that have occurred in a mountainous region of Tennessee. He is stunned when he recognizes the murder scene as the Findhorn River and the rugged Arn plateau, his childhood home. Memories stirred by the newscast develop into recurring nightmares as Creighton becomes aware of his own needs to see the mountains of his childhood and of reconciliation with his father. But the Findhorn valley hides whiskey-making murderous clans and revenge killings that span generations. An ancient stone fort sitting on the Arn plateau houses its own mystery of the massacre of the moon-eyed people and of the mentally unstable killer who gives his victims an amulet for their trip to the hereafter. Wrapped around all this is the gut-churning rapids of the Findhorn and the effect it has on those challenging its treacherous waters.

**Husband Hunters** Rick R. Reed, 2019-10-30 You never know where the love of your life might turn up. When Matt Connelly suggests to his best buddy Cody Mook that they head to downtown Seattle to audition for the gay reality TV show *Husband Hunters*, both agree the experience might be a lark and a chance to grab their fifteen minutes of fame. What they don't know is that the show, modeled after HGTV's *House Hunters*, will open doors of longing neither expected. For Matt, the secret love he has long harbored for Cody might be thrust into the spotlight. Cody might realize his search for his perfect forever man extends no farther than the man who's always been at his side. *Husband Hunters* promises laughter, tears, and just maybe a happy ever after. Will Cody and Matt's story be one of best friends to lovers or an outright disaster? I'm No Hero Henry Friedman, 2011-07-01 Henry Friedman was robbed of his adolescence by the monstrous evil that annihilated millions of European Jews and changed forever the lives of those who survived. When the Nazis overran their hometown near

the Polish Ukrainian border the Friedman family was saved by Ukrainian Christians who had worked at their farm Henry his mother his younger brother and a young schoolteacher who had been hired by his father when Jews were forbidden to attend school were hidden in a loft over the animal stalls at a neighbor s farm his father hid in another hayloft half a mile away When the family was liberated by the Russians after eighteen months in hiding Henry at age fifteen was emaciated and too weak to walk The Friedmans eventually made their way to a displaced persons camp in Austria where Henry learned quickly to wheel and deal seducing women of various ages and nationalities and mastering the intricacies of dealing in the black market In I m No Hero he confronts with unblinking honesty the pain the shame and the bizarre comedy of his passage to adulthood The family came to Seattle in 1949 where Henry Friedman has made his home ever since In 1988 he returned with his wife to Brody and Suchowola where he succeeded in finding Julia Symchuk who as a young girl had warned his father that the Gestapo was looking for him and whose family had hidden the Friedmans in their loft The following year he was able to bring Julia to Seattle for a triumphal visit where she was honored in many ways although as Friedman writes in her own country she had never been honored with anything except hard work Like many other survivors Henry Friedman has found it difficult to confront his past Like others too he has felt the obligation to bear witness Now retired he devotes much of his time to telling his story which he believes is a message of hope to thousands of schoolchildren throughout the Pacific Northwest He has received national recognition for his role in establishing the United States Holocaust Museum in Washington DC and as a founder of the Washington State Holocaust Education Resource Center
