Thackeray, 2018-01-31 Reproduction of the original **The Confession** Sheldon Siegel, 2010-09-06 Confessions abound some of them quite unexpected in Sheldon Siegel's new legal thriller Mike Daley doesn't go to confession much since he left the priesthood twenty years ago and became a lawyer but that doesn't stop his old friend Father Ramon Aguirre from trying to get him there It wouldn't kill you to go to church once in a while he tells Mike But it does kill someone For several months a ruinous sexual harassment suit has been building against the San Francisco Catholic Archdiocese and when the plaintiff's lawyer is found dead an apparent suicide an almost audible sigh of relief is heard in certain quarters But that is before the police find evidence of murder Even worse the evidence points to Father Aguirre Mike and his ex wife law partner Rosie jump in to take the priest's case but what started out as difficult soon appears impossible as forensics witnesses and secrets from Father Aguirre's past all incriminate their client Soon their wits are the only things keeping the priest from a life sentence or worse and wits simply may not be enough unless they can conjure up a miracle of their own **International**
