Ready-made activities for intermediate students

Do not protect yourself by a fence,
rather by your friends.

When the character
is clear to you, for

The road to a friend

The road to a friend's house is never long.

What kind of friend are you?

Friendship is important. We all need friends to help us
experience life. But friendship can mean different things to
different people. What kind of friend are you, and what kind of friend do
you want? Answer these questions with your partner.

- 1 If a friend tells you a secret, do you ever tell anyone?
- 2 Do you ever lie to protect your friend?
- 3 After you argue with a friend, do you apologise first?

For a friend to ask you for money?
You think your friends trust you?

- 4 If you have to travel with your old friend, do you?
- 5 Do you ever tell your friend a secret?
- 6 Do you ever tell your friend a secret?

agree

Money is not a big part of your life. However,
things are more important to you. However,
the careful thought you should take money
a little more seriously. After all, what would
you be without it?

You seem to have a healthy attitude towards
money. It is important to you, but it does not
rule your life.

Oh dear. You seem to think about money all
the time! Perhaps you value money even more
than your family and friends. There are other
things in life, you know. Try to get a more
balanced view.
