

"The soul, fortunately,  
has an interpreter -  
often an unconscious  
but still a faithful  
interpreter - in the eye."

*World Soul - Anima Mundi* Christoph Helmig,2020-01-20 From Plato s Timaeus onwards the world or cosmos has been conceived of as a living rational organism Most notably in German Idealism philosophers still talked of a Weltseele Schelling or Weltgeist Hegel This volume is the first collection of essays on the origin of the notion of the world soul anima mundi in Antiquity and beyond It contains 14 original contributions by specialists in the field of ancient philosophy the Platonic tradition and the history of theology The topics range from the obscure Presocratic Heraclitus to Plato and his ancient readers in Middle and Neoplatonism including the Stoics to the reception of the idea of a world soul in the history of natural science A general introduction highlights the fundamental steps in the development of the Platonic notion throughout late Antiquity and early Christian philosophy Accessible to Classicists historians of philosophy theologians and invaluable to specialists in ancient philosophy the book provides an overview of the fascinating discussions surrounding a conception that had a long lasting effect on the history of Western thought

**Man's Fate and God's Choice** Bhimeswara Challa,2021-06-29 Stagnate as a creepy caterpillar or transform into a beauteous butterfly this path breaking book of a rare genre suggests is the seminal choice before mankind and every one of us In this setting the book raises some fundamental questions What is man s rightful place in the cosmos and his manifest destiny on earth Why are we so self righteously self destructive Are we a doomed species Or divine beings struggling to overcome the hubris of the human intellect Is God getting weary of mankind How should we synergize human effort and Divine Grace The book posits that any betterment in human behavior needs a cathartic change at the deepest levels That requires diluting the dominance of the mind and reawakening the long dormant intelligence of the human heart To meet that challenge we need minimum numbers a critical mass to create self sustained momentum for transformation through consciousness change And every single human of this generation should behave in such a way that he or she is that single person whose transformation could make the decisive

species scale difference The book offers a menu of ideas and an agenda of action This book could be itself become an input to mobilize that very critical mass it advocates for human transformation Well planned and cohesively written the book is noteworthy for its delightful blend of information and arguments and reveals the depth of the author s understanding of the human predicament This is a closely argued and thought provoking book The Hindu 13 Sept 2011 This book is a gripping exposition on human nature and self transformation without preference to religion Challa has critically provided a foundational argument for a deeper discussion of philosophical and practical ideals concerning self transformation harmonizing the head and the heart is the way for humans to function as spiritual beings Recommended by the USR The US Review of Books The author reflects upon the crisis of contemporary civilizations and outlines a blueprint for a new world order based on progressive spiritual values and change of human consciousness The strength of this treatise is the sweep of Challa s reach and his treatment of a vastly complex set of issues that bedevil humankind today India International Center Quarterly Summer 2012 As a thinker and erudite scholar the author has made a profound study of the world situation and the moral decadence of man This book deserves to be on the shelves of university college and public libraries Triveni Magazine July Sept 2011 It is difficult to pigeon hole this book as a prophetic discourse a journey into the human mind a guide for human survival a spiritual treatise It is an amalgam of all these and more the volume reaches out to those who are already uneasy about the way we on this earth are progressing The Book Review India June 2013
