

A photograph of a desert landscape. A paved road with double yellow lines stretches from the bottom center towards the horizon. The road is flanked by sandy dunes and sparse, low-lying desert vegetation. The sky is a clear, pale blue. A large, semi-transparent red rectangular box is overlaid on the upper half of the image, containing white text. Below the text box, centered on the road, is a small black rectangular box containing white text.

One secret of success in life is
for a man to be ready for his

Enns, 2010-12-13 This is a collection of my favorite motivational quotes all in one place Some are sales related some are business related but most are simply life related They are in no particular order just a random thought for each day of the year to help keep you

on a positive note If the old saying misery loves company is true then motivation must breed happiness I have spent my entire career in one form or another in sales As such I have dealt with rejection almost every day of my working life Don t get me wrong I have had a very successful career but no sales person hears yes all the time In fact it is just the opposite We hear no many more times than we hear yes In sales rejection is just something we deal with every day When we let it get us down it shows to everyone we meet including our customers our colleagues and our family Essentially our negative attitude becomes our worst enemy Even if you are not in sales if you let your negative thoughts get the best of you you are your own worst enemy too Given my profession I have been asked many times how do I stay positive It can t be easy to keep the right attitude when you have to deal with rejection every day right Yes actually it can be I stay positive because I choose to stay positive I actually make a conscious effort to not be negative and to only be positive I discovered long ago that a motivational quote always puts me in the right frame of mind I started searching the internet for a daily quote that made me smile or motivated me in some way Each day I did this I found that I became better mentally prepared to tackle the day More importantly I was just happier I started to share what I found online I would put a daily motivational quote in my Facebook and LinkedIn statuses I would blog about them and I would tweet them on Twitter Friends family and business associates all enjoyed them so much they started calling me The Quote Lady More importantly everyone s positive attitude seemed to be contagious The more the motivation spread the more everyone became motivated That s when I decided to pull together a collection of my favorite motivational quotes all in one place and this eBook was created I hope you enjoy them as much as I do Remember your thoughts control your outcomes and you control your thoughts So choose wisely Thank you for your everyday contribution to our success It is really amazing for what you are doing in helping others stay positive and overcome their challenges whatsoever small or big they may be Susan inspires me to do better and help others Like it Very Motivating
