Zeev Gries,2007-05-31 Zeev Gries's analysis of what books were being published and where shows the importance of the printed book in disseminating religious and secular ideas creating a new class of Jewish intellectuals and making knowledge of the world available to women This unique perspective on Jewish intellectual history in the eighteenth and nineteenth centuries through the history of book publishing throws light on many of the key Jewish cultural issues of the time **Love and the Incredibly Old Man** Lee Siegel,2008-11-15 It was the best of times it was the worst of times begins one chapter of critically acclaimed Lee Siegel's new novel Love and the Incredibly Old Man In the beginning starts another What else can a novelist do when hired as a ghostwriter by an elderly irascible conquistador costumed man claiming to be the 540 year old Juan Ponce de Le n The fantastic life of that legendary explorer inventor of rum cigars Coca Cola and popcorn is the frame for Siegel's fourth chronicle of love lies luck loss and labia Summoned with cold hard cash and a pinch of flattery a professor and novelist named Lee Siegel finds himself in Eagle Springs Florida attempting to give form to the life of the man who contrary to popular and historical opinion did indeed find the Fountain of Youth Spending humid days listening to the romantic ramblings of the old man and sleepless nights doubting yet trying to craft these reminiscences into a narrative that will satisfy the literary aspirations of his subject Siegel the ghostwriter spins an improbable tale filled with Native Americans insatiable monarchs philandering cantors deliriously passionate nuns delicate actresses androgynous artists and deceptions small and large For de Le n and for Siegel too centuries of conquest and colonialism fortune and identity are all refracted through the memories of the conquistador's lovers each and every one of them adored more than any other woman ever Comic melancholic lusty and fully engaged with the act of invention whether in love or on the page Love and the Incredibly Old Man continues the real Lee Siegel's exuberant exploration of that sentiment which Ponce de Le n confesses has transported me to the most joyous heights plunged me to the most dismal depths and dropped me willy nilly and dumbfounded at all places in between **Saints, Clergy and Other Religious Figures on Film and Television,**
