How to care for a pet rabbit Owen Jones, 2022-09-28. Rabbits are the third most popular household pet in the West and are gaining popularity in the rest of the world too. This book aims to advise prospective owners on how to choose, buy and take care of a pet rabbit. It is said and I have found it to be true that rabbits are about as intelligent as your average cat or dog. They live approximately the same length of time too but are less demanding and easier to feed. In fact, they are ideal for people who can't get out much or don't want to keep meat in the fridge or even in the house as they are one hundred percent vegetarian. If you don't know much about rabbits, you could be forgiven for thinking that a rabbit is a rabbit, is a rabbit, but in fact, there are 370 classes of rabbit according to UK and USA rabbit organisations and they come from 70

different countries So there is plenty of scope in size and colour Not only that but owners will tell you that each rabbit has its own distinctive personality much like a cat or a dog However in general we could say that rabbits are docile placid and friendly and don't appreciate rough handling or play Rabbits are also the third most popular pet in the UK and the fourth in the USA but third most popular with all age groups of twelve and above So you are in good company Translator Owen Jones PUBLISHER TEKTIME Small Pet Care Angie Tracks, This book contains four titles which are Birds The Complete Handbook for Bird Care and Breeding Parrots The Complete Guide to Parrot Training and Care Rabbits Everything You Need to Know About Raising Happy Rabbits Turtles A Complete Guide to Turtle Health and Happiness **Making a Living with Rabbits** Edward Herman Stahl,1929 **Country Wisdom & Know-How** Editors of Storey Publishing's Country Wisdom Bulletins,2004-09-01 Reminiscent in both spirit and design of the beloved Whole Earth Catalog Country Wisdom Know How is an unprecedented collection of information on nearly 200 individual topics of country and self sustained living Compiled from the information in Storey Publishing's landmark series of Country Wisdom Bulletins this book is the most thorough and reliable volume of its kind Organized by general topic including animals cooking crafts gardening health and well being and home it is further broken down to cover dozens of specifics from Building Chicken Coops to Making Cheese Butter and Yogurt to Improving Your Soil to Restoring Hardwood Floors Nearly 1 000 black and white illustrations and photographs run throughout and fascinating projects and trusted advice crowd every page *Your Rabbit* Nancy Searle,1992-01-01 A handbook for raising rabbits for pets for profit or to show
