**Listening** Katherine

Schultz,2003-09-13 How can new and experienced teachers rethink the ways of teaching and learn to embrace and learn from the diversity they encounter among their students Rather than preparing teachers to follow prescriptions or blueprints Katherine Schultz suggests that we show them how to attend to and respond to the students they teach In this book she offers a conceptual framework for deep listening illustrating how successful teachers listen for the particularities of individual students listen for the rhythm and balance of the whole class listen for the broader contexts of students lives and listen for silence and acts of silence Listening in this manner brings together knowledge of individual students an understanding of a student s place within the classroom and mastery of subject matter and pedagogy This volume features compelling case studies that reveal the classroom lives of teachers who are exemplary listeners (Re)Teaching Trayvon: Education for Racial Justice and Human Freedom Venus E. Evans Winters, Magaela C. Bethune,2014-12-03 The authors bring you in this edited volume a collection of essays that address the relationship between racial violence media the criminal justice system and education This book is unique in that it brings together the perspectives of university professors artists poets community activists classroom teachers and legal experts With the Trayvon Martin murder and legal proceedings at the center of reflection and analysis authors poignantly provide insight into how racial violence is institutionalized and consumed by the mass public Authors borrow from educational theory history gender studies sociology cultural studies the arts legal scholarship and personal reflection to begin the dialogue on how to move toward education for racial and social justice The book is recommended for secondary educators community organizers undergraduate and graduate social science and education courses *Educated in Whiteness* Angelina E. Castagno,2014-03-01 Educators across the nation are engaged in well meaning efforts to address diversity in schools given the current context of NCLB Race to the Top and the associated pressures of standardization and accountability Through rich ethnographic accounts of teachers in two demographically different secondary schools in the same urban district Angelina E Castagno investigates how whiteness operates in ways that thwart and sometimes co opt even the best intentions and common sense thus resulting in educational policies and practices that reinforce the status quo and protect whiteness rather than working toward greater equity Whereas most discussions of the education of diverse students focus on the students and families themselves *Educated in Whiteness* highlights the structural and ideological mechanisms of whiteness In schools whiteness remains dominant by strengthening and justifying the status quo while simultaneously preserving a veneer of neutrality equality and compassion Framed by critical race theory and whiteness studies this book employs concepts like interest convergence a critique of liberalism and the possessive investment in whiteness to better understand diversity related educational policy and practice Although in theory most diversity related educational policies and practices are intended to bring about greater equity too often in practice they actually maintain legitimate and so perpetuate whiteness Castagno not only sheds light on this disconnect between the promises and practices of diversity related initiatives but also provides insight into why the disconnect persists *Could It*

*Be Otherwise?* Lois André-Bechely, 2013-10-11 Parents who wish to choose schools for their children must have more than a desire for different or better they need detailed knowledge of the processes and practices that will give them access to schools of choice This book vividly contrasts the experiences of a diverse group of urban parents choosing their children's schools with school choice policies from voluntary integration mandates to the No Child Left Behind Act Lois Andr Bechely carefully uncovers the race and class based inequities these policies sustain documenting the way parents themselves become complicit in the historical inequalities of schooling This book exposes how educational institutions are making this so and provokes new thinking about how public school choice could be implemented in more equitable and democratic ways
