

# RACE MATTERS IN THE CHILD WELFARE SYSTEM

While the reasons for disproportionality are multifaceted and complex, race affects the child welfare system. While there is little data on the Canadian context, American data offers insights into the experiences of, and outcomes for, African Canadians in Ontario's child welfare system.

# Race Matters In Child Welfare Overrepresentation Of African American Children In The System

**Kimberly Barrett, William George**

## **Race Matters In Child Welfare Overrepresentation Of African American Children In The System:**

Race Matters in Child Welfare Dennette Derezotes, Mark Testa, John Poertner, 2005 Although African Americans constituted 15% of the child population of the United States in 1999 they accounted for 45% of the children in substitute care In contrast white children who constituted 60% of the U S population accounted for only 36% of the children in out of home care In addition several studies show that children of different ethnic or racial backgrounds receive dissimilar treatment by the child welfare system but little is known about the appropriateness of the treatment This compilation of papers critically examines child welfare policy and practice the causes of child maltreatment and how each affects the disproportionate representation of African American children in the system BOOK JACKET

African American Children and Families in Child Welfare Ramona Denby, Carla M. Curtis, 2013-10-15 This text proposes corrective action to improve the institutional care of African American children and their families calling attention to the specific needs of this population and the historical social and political factors that have shaped its experience within the child welfare system The authors critique policy and research and suggest culturally targeted program and policy responses for more positive outcomes

*Racial Disproportionality and Disparities in the Child Welfare System* Alan J. Dettlaff, 2020-11-27 This volume examines existing research documenting racial disproportionality and disparities in child welfare systems the underlying factors that contribute to these phenomena and the harms that result at both the individual and community levels It reviews multiple forms of interventions designed to prevent and reduce disproportionality particularly in states and jurisdictions that have seen meaningful change With contributions from authorities and leaders in the field this volume serves as the authoritative volume on the complex issue of child maltreatment and child welfare It offers a central source of information for students and practitioners who are seeking understanding on how structural and institutional racism can be addressed in public systems

Addressing Racial Disproportionality and Disparities in Human Services Rowena Fong, Alan J. Dettlaff, Joyce James, Carolyn Rodriguez, 2014-11-25 The issue of racial disproportionality in the child welfare system particularly as it impacts African American children and families has long been a concern to practitioners and policymakers However disproportionality is not limited to the African American community Latino Native American Asian American and Pacific Islander populations experience inequities in treatment From leading voices on culturally competent care comes a cutting edge book that examines disproportionalities across all of these racial and ethnic groups

*Eliminating Racial Disproportionality and Disparities* examines a wide range of systems that often affect and interact with child welfare Chapters are devoted to the juvenile justice system mental health the courts education and healthcare making it the only book to offer a multisystemic approach to disparities and disproportionality Filled with in depth case studies key terms study questions and resources and written to reflect CSWE mandated competencies this expansive book gives students educators policymakers practitioners and administrators new knowledge for providing culturally competent services while

simultaneously addressing disproportionality across various systems of care      **Evidence for Child Welfare Practice**

Michael J. Austin, 2013-09-13 This book provides a work in progress that seeks to capture the micro direct service and macro managerial perspectives related to identifying evidence for practice within the practice domain of public child welfare It is divided into two categories namely evidence for direct practice and evidence for management practice In Part I the articles are categorized in the areas of child welfare assessment and child welfare outcomes Expanded versions of the chapters can be accessed at [www.bassc.net](http://www.bassc.net) In Part II the focus is on organizational issues that relate to evidence for management practice This section includes an overview of evidence based practice from an organizational perspective along with evidence related to the experiences of others in implementing evidence based practice This book pushes the discussion of evidence based practice in several new directions regarding 1 the use of structured reviews to complement the systematic reviews of the Cochrane and Campbell Collaboratives 2 the process of viewing the call for evidence based practice as a goal or future vision of practice and evidence for practice provides a more immediate approach to promote evidence informed practice and 3 a recognition that evidence informed practice is part of building agency based knowledge sharing systems that involve the tacit and explicit knowledge needed to improve the outcomes of social services This book was published as a special issue of the Journal Of Evidence Based Social Work      **The Child Welfare Challenge** James K. Whittaker, 2017-07-12 Within a

historical and contemporary context this book examines major policy practice and research issues as they jointly shape child welfare practice and its future In addition to describing the major problems facing the field the book highlights service innovations that have been developed in recent years The resulting picture is encouraging especially if certain major program reforms I are implemented and agencies are able to concentrate resources in a focused manner The volume emphasizes families and children whose primary recourse to services has been through publicly funded child welfare agencies The book considers historical areas of service foster care and adoptions in home family centered services child protective services and residential services where social work has an important role Authors address the many fields of practice in which child and family services are provided or that involve substantial numbers of social work programs such as services to adolescent parents child mental health education and juvenile justice agencies This new edition will continue to serve as a fundamental introduction for new practitioners as well as summary of recent developments for experienced practitioners      **Achieving Permanence for Older Children and Youth in Foster Care** Benjamin Kerman, Madelyn

Freundlich, Anthony Maluccio, 2009-05-18 Through a novel integration of child welfare data policy analysis and evidence informed youth permanency practice the essays in this volume show how to achieve and sustain family permanence for older children and youth in foster care Researchers examine what is known about permanency outcomes for youth in foster care how the existing knowledge base can be applied to improve these outcomes and the directions that future research should take to strengthen youth permanence practice and policy Part 1 examines child welfare data concerning reunification

adoption and relative custody and guardianship and the implications for practice and policy Part 2 addresses law regulation court reform and resource allocation as vital components in achieving and sustaining family permanence Contributors examine the impact of policy change created by court reform and propose new federal and state policy directions Part 3 outlines a range of practices designed to achieve family permanence for youth in foster care preserving families through community based services reunification adoption and custody and guardianship arrangements with relatives As growing numbers of youth continue to age out of foster care without permanent families researchers practitioners and policymakers have increasingly focused on developing evidence informed policies practices services and supports to improve outcomes for youth Edited by leading professionals in the field this text recommends the most relevant and effective methods for improving family permanency outcomes for older youth in foster care

Child Welfare Revisited Joyce Everett, Sandra Stukes Chipungu, Bogart R. Leashore, 2004 Why are there proportionally more African American children in foster care than white children Why are white children often readily adoptable while African American children are difficult to place Are these imbalances an indication of institutional racism or merely a coincidence In this revised and expanded edition of the classic volume Child Welfare twenty one educators call attention to racial disparities in the child welfare system by demonstrating how practices that are successful for white children are often not similarly successful for African American children Moreover contributors insist that policymakers and care providers look at African American family life and child development from a culturally based Africentric perspective Such a perspective the book argues can serve as a catalyst for creativity and innovation in the formulation of policies and practices aimed at improving the welfare of African American children Child Welfare Revisited offers new chapters on the role of institutional racism and economics on child welfare the effects of substance abuse homelessness HIV AIDS and domestic violence and the internal strengths and challenges that are typical of African American families Bringing together timely new developments and information this book will continue to be essential reading for all child welfare policymakers and practitioners

**African Americans at Risk** Glenn L. Starks, 2015-06-22 With all of the progress African Americans have made they still face many risks that threaten the entire race or place segments in jeopardy of survival This work examines the widespread problem and suggests solutions This two volume set examines the issues and policies that put African Americans at risk in our culture today utilizing the most recent research from scholars in the field to provide not only objective encyclopedic information but also varying viewpoints to encourage critical thinking The entries comprehensively document how African Americans are treated differently have more negative outcomes in the same situations than other races and face risks due to issues inherent in their past or current social and economic conditions Care is taken to note distinctions between subgroups and not further a blanket approach to the diverse members of this minority population Intended for members of the African American community societal scholars students in the fields of health social studies and public policy as well as general readers this work will provide readers with a deeper

understanding of key components affecting the lives of African Americans today      *Handbook of Child Maltreatment* Jill E. Korbin, Richard D. Krugman, 2013-11-26 This Handbook examines core questions still remaining in the field of child maltreatment It addresses major challenges in child maltreatment work starting with the question of what child abuse and neglect is exactly It then goes on to examine why maltreatment occurs and what its consequences are Next it turns to prevention treatment and intervention as well as legal perspectives The book studies the issue from the perspective of the broader international and cross cultural human experience Its aim is to review what is known but even more importantly to examine what remains to be known to make progress in helping abused children their families and their communities

Race, Culture, Psychology, and Law Kimberly Barrett, William George, 2005 In a diverse democracy law must be open to all All too often however our system of justice has failed to live up to our shared ideals because it excludes individuals and communities even as they seek to use it or find themselves caught up in it The research presented here offers hope The abstract doctrines of the law are presented through real cases Judges lawyers scholars and concerned citizens will find much in these pages documenting the need for reform along with the means for achieving our aspirations The issues presented by race ethnicity and cultural differences are obviously central to the resolution of disputes in a nation made up of people who have in common only their faith in the great experiment of the United States Constitution Here the challenges are met in an original accessible and thoughtful manner Frank H Wu Howard University and author of *Yellow Race in America Beyond Black and White* Kim Barrett and William George have taken on an enormous task which is matched only by its timeliness Cultural competence and cultural diversity pass off our lips as eternally valued ideals but Barrett and George have brought a critical and edifying eye to these ideas Racism is similarly easy to acknowledge but difficult to account for in the everyday lives of ordinary people of color What we discover in this impressive volume is not only that race and culture matter but how they matter in the minds of people who are clients and the minds of people who attempt to serve them and in the courts of law that attempt to mete out justice *Race Culture Psychology and the Law* is essential reading for anyone with a professional or personal interest in social justice and psychological well being James M Jones Ph D Director Minority Fellowship Program American Psychological Association This is an extraordinary and daring compilation of cutting edge commentaries that should prove invaluable to students scholars and practitioners working in social work clinical and forensic psychology juvenile justice immigration adjustment Native American advocacy and child and adult abuse It is a quality text that tackles key topics bridged by psychology and the law with clarity succinctness complexity and evenhandedness William E Cross Jr Ph D Graduate Center City University of New York American ethnic and racial minority groups immigrants and refugees to this country are disparately impacted by the justice system of the United States Issues such as racial profiling disproportionate incarceration deportation and capital punishment all exemplify situations in which the legal system must attend to matters of race and culture in a competent and humane fashion *Race Culture Psychology and Law* is the only book to provide summaries

and analyses of culturally competent psychological and social services encountered within the U S legal arena The book is broad in scope and covers the knowledge and practice crucial in providing comprehensive services to ethnic racial and cultural minorities Topics include the importance of race relations psychological testing and evaluation racial profiling disparities in death penalty conviction immigration and domestic violence asylum seekers deportations and civil rights juvenile justice cross cultural lawyering and cultural competency in the administration of justice Race Culture Psychology and Law offers a compendium of knowledge historical background case examples guidelines and practice standards pertinent to professionals in the fields of psychology and law to help them recognize the importance of racial and cultural contexts of their clients Editors Kimberly Holt Barrett and William H George have drawn together contributing authors from a variety of academic disciplines including law psychology sociology social work and family studies These contributors illustrate the delivery of psychological legal and social services to individuals and families from racial minority ethnic minority immigrant and refugee groups who are involved in legal proceedings Race Culture Psychology and Law is a unique and timely text for undergraduate and graduate students studying psychology and law The book is also a vital resource for a variety of professionals such as clinical psychologists forensic psychologists psychiatrists counselors social workers and attorneys dealing with new immigrants and people from various ethnic communities Handbook of Foster Youth Elizabeth
