Race To Reach Out Connecting Newcomers To Christ In A New Century:

The Race to Reach Out Michael J. Coyner, Doug Anderson, 2009-06-01 Most church members would tell you that theirs is a friendly congregation eager to welcome visitors and new members into their midst Yet far too many of these same congregations have trouble translating this intention into action Offering a friendly greeting to a new face is important but it is only the first of many steps that congregations must take in order to turn visitors into members and new members into committed disciples The authors believe that to assimilate newcomers into the life and ministry of the congregation the whole church system must be involved Anderson and Coyner demonstrate how to identify and respond to visitors in a nonthreatening yet interested way how to share information about them with the leaders of those ministries and programs in which they would be most interested how best to help them in their decision to become church members and how to help them understand and fulfill their own call to ministry in the congregation They insist that churches be motivated not by a desire for institutional survival or advancement but by a passion for people and their place in the kingdom of God Get Their Name Bob Farr, Douglas T. Dogged Out For Love Shirley Wright, 2006-03-29 Love is something everybody needs and doesn't know what it really means without knowing the love of God For in Him only is there real love And we can't even begin to understand or fathom what love really means without Him We look for it in all the wrong places But we will never find it there It's not in mankind it's not in anything in this world the way we perceive it Until we realize that it only comes from God we will only find hurt and pain and misery Believe me I know there are lots of Christians still looking for love in the wrong places It's sad to say And we are being destroyed and don't understand why So we think God has let us down and we blame Him for our depression hurt and pain We wonder why the Lord doesn't help us But what we don't realize is that God is helping us even though we don't know it You see the devil is fooling us He is taking our focus off Jesus and putting it on people and things so we can't be all that God has for us to be The failure is not in God it's in us You may say I gave him or her all the love I had and he or she betrayed me How could they do me like that But what we fail to realize is that God is our first love and we must receive His love and give Him our love first John 10:10 says The thief comes to kill steal and destroy And that is what he has been doing But you don't have to let him get away with it Jesus came that we might have life and more abundantly Otherwise Jesus is life in every area of our lives if we let him We need to ask Him to lead and guide us in all things Proverbs 3:5-6 says trust in the Lord with all thine heart lean not unto thine own understanding in all they ways acknowledge Him and He shall direct thy path So the failure is not in God it's in us for not seeking God's help Believe me I know been there done that I gave all I had to give to the wrong men yes men I say men because I kept trying to please them so they would love me But it didn't work They betrayed me jumped on me and stepped on me like a floor mat that said Welcome I know how it feels to be dogged out for love or so called love It sucks As we receive God's love then and only then will we know what love is really about It's not a fancy or fairy tale God's love is divine He is not looking at your faults He is looking at your needs Man's love so called love that is cold taking and not wanting to give They lie they cheat they take away our pride and self esteem they pull us down and then they have the nerve to tell us it's our fault that they treat us the way they do The devil is a liar The devil wants us to believe that we have to take all kinds of abuse that is just the way it is But the devil is a liar We don't need that kind of man because you see he's not a real man anyway He's just something wearing a pair of pants Remember we can make it just us and God God will bring us through But we must learn to trust Him I have been through hell and high waters I've been a floor mat a punching bag I've been stressed out I have even tried to take my life a few times when I was younger But I thank God that He said You shall live and not die Satan was trying to take me out to stop me Now I know what it is to be dogged out and

kicked to the curb I know how it feels to be turned inside out not knowing if you are coming or going not knowing what to do next For some so called love As far as I am concerned they can keep it I don t need it and neither do you Why take less when we can have the best God did not make woman to be a man s floor mat He made us to be his helpmate But we can t help someone if they don t want to take it

An Introduction to Ministry Ian S. Markham,Oran E. No Longer Silent Mike Beck,2011-10 QUOTES FROM THE CHAPTER LET S BE REAL Do we have any understanding of the un churchd culture in which we live and the way these people view the church Do we spend intentional time cultivating relationships with non Christian people or is our attitude one of they know where we are and they ll come if they want to If the church is truly to experience a revival we must seek to understand the needs and thinking of unchurched Harry and Mary We need to stop playing our pious religious games and realize that the church is to be a haven for broken hurting people who feel they don t have their lives all together And if we look at the teachings of Jesus He consistently taught that it was those people who felt they had it all together who in fact were farthest from God In no way am I diminishing the importance of sound doctrine but I have often laughingly said that we will be surprised when we get to Heaven at some of the people living in our neighborhood We must acknowledge our own struggles with complex issues and at times admit that we don t have God in a neat box and therefore don t have all the answers Although sound theology is important my Bible says first and foremost that they will know we are Christians by our love Christ said that He had come not to comfort the already comfortable but to preach good news to the poor to proclaim recovery of sight to the blind to release the oppressed and to proclaim the year of the Lord s favor Is that our message as well If not then it s time for us to be real

Number through Preaching By Dr Clinton Craig Hoggard A Guide for Pastors Leaders and Congregations How to Grow a Congregation Spiritually and in Number through Preaching is just that a study in how to grow congregations through preaching addressing such challenges as How to make prospective members of the church feel more welcomed accepted How to welcome back lapsed members of the congregation who may feel detached from the congregation or church leadership How to speak to the congregation using their voice with specific understanding to their needs and circumstance By interviewing church goers those who used to attend church and church leadership at Vine Memorial Baptist Church all of whom provided up close and personal information that speaks directly to the problems facing many congregations today Hoggard was able to provide meaningful solutions to these issues and more [Church & Synagogue Libraries](#) ,2005

Just as the emergence of print and literacy created conditions for vast religious change at the time of the Reformation the emergence of a digital culture shaped by computers and the internet has led to radically different assumptions about religious identity how people connect and maintain transformative relationships and how people follow and give authority to leaders The central issues concerning this digital culture are not technological but theological and anthropological Old models of stable religious identity and community seem irrelevant in a culture in which everyone is in motion The book identifies three profound changes produced by digital culture which challenge existing understandings of church 1 a shift to seeing Christian identity as an ongoing constructive project 2 the development of fluid networked forms of community and 3 the emergence of less hierarchical more conversational forms of leadership
