complex and the stakes are even higher as Allison's life may be in danger. As they search for clues about who killed Gerald, Rachel and Will hear a story about lost treasure belonging to George Rogers Clark that may be hidden on property owned by Carol's family. They rely on Rachel's friend Charley, an expert in local history, to help them discover whether the story about a lost treasure could be true. And a motive for murder. Although Rachel and Will find out more details about Gerald's life, they are no closer to finding out who killed him. Plenty of people had a motive for killing Gerald, but each new lead comes to a dead end. When Rachel and Will are summoned to the police department, they are warned to stop investigating, but Rachel will not stop as long as her friend Carol is under suspicion. As Rachel and Will continue to seek answers, Rachel is faced with a new danger. A cunning killer had been hiding in plain sight all along. In a dramatic confrontation, Rachel's life is on the line. Her beloved Greyhound Abby may be Rachel's last hope of escaping from the killer. Windland's Rescue L. Audel

Cayce, 2011-11-01 On the morning of Windland Cloud's sixteenth birthday, she awoke from a frightening dream that left her feeling shaken and in desperate need of human company, but the house was empty. Her parents were nowhere to be found, and they left no note. This adds to her sense of unease and the need to escape the residue from the dream and thoughts of her family's dysfunctional life teetering on the edge of poverty, which is nearly unbearable. Windland grabs her hiking boots, laces up, and heads to a nearby state park to try and clear her mind. On the way, there, her fantastical journey begins. Falling off a mountain into the year 1896, dealing with a woman who wants her dead and avoiding an overly suspicious sheriff are the downside of the adventure. Fate throws her into the upside: seems to be rescuing a reclusive woman who may hold the secret to how Windland can get home and a blue-eyed Irishman who holds not only Windland's heart but her future in his hands. Will she be able to return to her own time? And what will happen when she does? Windland's Rescue is a coming-of-age tale with a cast of characters that span time and galaxies, energy grids, and traveling portals, wicked women, and secret rooms, and the ultimate need to find your way back home.
