Racism In Europe 1870 :

Racism in Europe Neil MacMaster, 2017-03-08 The study of modern racism has tended to treat anti-Semitism and anti-black racism as separate and unconnected phenomena This innovative study argues that a full understanding of the origins and development of racism in Europe after 1870 needs to examine the structure and interrelationships between the two dominant forms of prejudice Contrary to expectation anti-black racism was not confined to the colonial maritime nations of western Europe but perpetrated even the rural societies of central and eastern Europe Likewise anti-Semitism could flourish even in the almost total absence of Jews MacMaster explores the conditions under which modern political movements faced with the crisis of modernity began to draw upon and mobilise the negative stereotypes that through the development of the mass media had become almost universal features of popular culture By weaving together the changing spatial and temporal dimensions of anti-Semitic and anti-black prejudice the study provides a fresh and more global framework for understanding modern racism

Racism and Anti-Racism in Europe Alana Lentin, 2004-06-20 Remarkable a major contribution to our understanding and handling of one of the crucial contemporary issues that acquires more gravity by the day Zygmunt Bauman This is an in-depth sociological study of the phenomenon of anti-racism as both political discourse and social movement practice in western Europe Lentin develops a comparative study of anti-racism in Britain France Italy and Ireland While race and racism have been submitted to many profound analyses anti-racism has often been dealt with as either the mere opposite of racism or as a theme for prescriptives or polemics by those concerned with the persistence of racist discrimination By contrast this book views anti-racism as a variety of discourses that are central to the understanding of the politics of modern states Examining anti-racism gives us insights not only into current debates on citizenship immigration and Europeanisation but it also crucially assists us in understanding the nature of race racism and racialisation themselves At a time of mounting state racism against asylum seekers migrants and refugees throughout Europe and beyond this book provides a much needed exploration of the discourse of anti-racism that shapes policy and public opinion today

Racism and Equality in the European Union Mark Bell, 2009-01-08 The European Union has committed itself to combating racism as a general objective of law and policy EU legislation requires Member States to introduce laws prohibiting racial discrimination in many aspects of everyday life including employment education healthcare and housing Alongside legislation requiring action at national level the EU institutions have also made periodic commitments to mainstream racial equality taking anti-racism objectives into account within all areas of EU law and policy This book analyses the extent to which the objectives of combating racism and promoting ethnic equality have been effectively mainstreamed throughout a wide range of EU policy fields It begins by considering what combating racism means in the contemporary context of the enlarged EU Bell explores what mainstreaming ethnic equality objectives entails and whether the priorities and instruments differ from those adopted in the earlier mainstreaming of gender equality or those used on other discrimination grounds The second part

of the book examines the extent to which EU law and policy objectives have in practice been integrated exploring the effects in the key areas of employment social inclusion including education health and housing immigration and criminal law

Racism in Europe Neil MacMaster, 2001-09-14 The study of modern racism has tended to treat anti-Semitism and anti-black racism as separate and unconnected phenomena This innovative study argues that a full understanding of the origins and development of racism in Europe after 1870 needs to examine the structure and interrelationships between the two dominant forms of prejudice Contrary to expectation anti-black racism was not confined to the colonial maritime nations of western Europe but perpetrated even the rural societies of central and eastern Europe Likewise anti-Semitism could flourish even in the almost total absence of Jews MacMaster explores the conditions under which modern political movements faced with the crisis of modernity began to draw upon and mobilise the negative stereotypes that through the development of the mass media had become almost universal features of popular culture By weaving together the changing spatial and temporal dimensions of anti-Semitic and anti-black prejudice the study provides a fresh and more global framework for understanding modern racism

descendants of displayed people connecting the attitudes and science of the past with both our continued modern fascination with the exotic and contemporary language and popular culture As such it will be of interest to scholars of sociology anthropology and history working in the areas of gender and sexuality race whiteness and post colonialism

Ideologies of Race David Rainbow,2019-10-17 Is the concept of race applicable to Russia and the Soviet Union Citing the idea of Russian exceptionalism many would argue that in the nineteenth and twentieth centuries while nationalities mattered race did not Others insist that race mattered no less in Russia than it did for European neighbours and countries overseas These conflicting notions have made it difficult to understand rising racial tensions in Russian and Eurasian societies in recent years A collection of new studies that reevaluate the meaning of race in Russia and the Soviet Union Ideologies of Race brings together historians literary scholars and anthropologists of Russia the Soviet Union Western Europe the United States the Caribbean and Latin America The essays shift the principle question from whether race meant the same thing in the region as it did in the classic racialized regimes such as Nazi Germany and the United States to how race worked in Russia and the Soviet Union during various periods in time Approaching race as an ideology this book illuminates the complicated and sometimes contradictory intersection between ideas about race and racializing practices An essential reminder of the tensions and biases that have had a direct and lasting impact on Russia Ideologies of Race yields crucial insights into the global history of race and its ongoing effects in the contemporary world Contributors include Adrienne Edgar University of California Santa Barbara Aisha Khan New York University Alaina Lemon University of Michigan Susanna Soojung Lim University of Oregon Marina Mogilner University of Illinois Chicago Brigid O Keeffe Brooklyn College David Rainbow University of Houston Gunja SenGupta Brooklyn College Vera Tolz University of Manchester Anika Walke Washington University St Louis Barbara Weinstein New York University and Eric Weitz City University of New York

Colonialism and the Jews in German History Stefan Vogt,2022-06-16 Colonialism and the Jews in German History brings together new and path breaking studies on the historical relationship between colonialism and the Jews in Germany The book considers the mutual influences on the situation of the Jews in Germany including attitudes towards Jews and anti Semitism but also Jewish self conceptions and the ideology and politics of German colonialism The contributors discuss the ways in which colonial ideology and practice have affected the position of the Jews in Germany and the relationship between anti Semitism and colonial racism In doing so the volume introduces German colonialism as a relevant context for German Jewish history and it expands the perspective on German colonial history significantly by considering Jews both as distinct objects and also as agents within the field of German colonialism The volume includes studies on the pre colonial era the phase of active German colonialism since the 1880s and the time after Germany lost its colonies in the First World War All these studies testify to the fact that German Jewish history takes on additional significance if seen as part of a global history of collective relationships

Transnational Spaces and Identities in the Francophone World Hafid Gafa ti,Patricia M. E. Lorcin,David G.

Troyansky,2009-07-01 The dissolution of the French Empire and the ensuing rush of immigration have led to the formation of diasporas and immigrant cultures that have transformed French society and the immigrants themselves Transnational Spaces and Identities in the Francophone World examines the impact of this postcolonial immigration on identity in France and in the Francophone world which has encompassed parts of Africa the Middle East Southeast Asia and the Americas Immigrants bear cultural traditions within themselves transform host communities and are in turn transformed These migrations necessarily complicate ideals of national literature culture and history forcing a reexamination and a rearticulation of these ideals Exploring a variety of texts informed by these transnational conceptions of identity and space the contributors to this volume reveal the vitality of Francophone studies within a broad range of disciplines periods and settings They remind us that the idea and reality of Francophonie is not a late twentieth century phenomenon but something that grows out of long term interactions between colonizer and colonized and between peoples of different nationalities ethnicities and religions Truly interdisciplinary this collection engages conceptions of identity with respect to their physical geographic ethnic and imagined realities

Race Paul C. Taylor,2013-04-29 In Race A Philosophical Introduction Second Edition Paul C Taylor provides an accessible guide to a well travelled but still mysterious area of the contemporary social landscape As in the first edition the book blends metaphysics and social philosophy analytic philosophy and pragmatic philosophy of experience In this thoroughly updated and revised volume Taylor outlines the main features and implications of race thinking while engaging the ideas of such important figures as Linda Alcoff K Anthony Appiah W E B Du Bois Michel Foucault Sally Haslanger and Howard Winant The result is a comprehensive but accessible introduction to philosophical race theory and to a non biological and situational notion of race The book unfolds in a sequence of five chapters each devoted to one of the following questions What is race thinking Don t we know better than to talk about race now Are there any races What is it like to have a racial identity And how important ethically is colorblindness On the way to answering these questions Race takes up topics like mixed race identity white supremacy the relationship between the race concept and other social identity categories and the impact of race thinking on our erotic and romantic lives The second edition s new concluding chapter explores the racially fraught issues of policing immigration and global justice and interrogates the thought that Barack Obama has ushered in a post racial age This volume is suitable for the educated general reader as well as for students and scholars in ethnic studies philosophy sociology and other related fields
