Beckett, 2013-10-11 *Transcending Boundaries Writing for a Dual Audience of Children and Adults* is a collection of essays on twentieth century authors who cross the borders between adult and children s literature and appeal to both audiences This collection of fourteen essays by scholars from eight countries constitutes the first book devoted to the art of crosswriting the child and adult in twentieth century international literature Sandra Beckett explores the multifaceted nature of crossover literature and the diverse ways in which writers cross the borders to address a dual readership of children and adults It considers classics such as Alice s Adventures in Wonderland and Pinocchio with particular emphasis on post World War II literature The essays in *Transcending Boundaries* clearly suggest that crossover literature is a major widespread trend that appears to be sharply on the rise

Historical Common Names of Great Plains Plants, with Scientific Names Index: Volume II: Scientific Names Index Elaine Nowick, 2014-10 Containing thousands of entries of both vernacular and scientific names of Great Plains plants the literature that informs this exhaustive listing spans nearly 300 years Author Elaine Nowick has drawn from sources as diverse as Linnaeus Lewis and Clark and local university extension publications to compile the gamut of practical and often fanciful common plant names used over the years Each common name is accompanied by a definitive

scientific name with references and authority information Interspersed with scientifically correct botanical line drawings the entries are written in standard ICBN format making this a useful volume for scholars as well as lay enthusiasts alike Volume 2 indexes the scientific names of those species followed by listings of all the common names applied to them Both volumes refer the common and scientific names back to a list of 190 pertinent authoritative sources [Back to the Present: Forward to the Past, Volume II](#) ,2006-01-01 The island of Ireland north and south has produced a great diversity of writing in both English and Irish for hundreds of years often using the memories embodied in its competing views of history as a fruitful source of literary inspiration Placing Irish literature in an international context these two volumes explore the connection between Irish history and literature in particular the Rebellion of 1798 in a more comprehensive diverse and multi faceted way than has often been the case in the past The fifty three authors bring their national and personal viewpoints as well as their critical judgements to bear on Irish literature in these stimulating articles The contributions also deal with topics such as Gothic literature ideology and identity as well as gender issues connections with the other arts regional Irish literature in particular that of the city of Limerick translations the works of Joyce and comparisons with the literature of other nations The contributors are all members of IASIL International Association for the Study of Irish Literatures Back to the Present Forward to the Past Irish Writing and History since 1798 will be of interest to both literary scholars and professional historians but also to the general student of Irish writing and Irish culture [Teaching Poetry](#) Amanda Naylor,Audrey Wood,2012-05-23 Teaching Poetry is an indispensable source of guidance confidence and ideas for all those new to the secondary English classroom Written by experienced teachers who have worked with the many secondary pupils who don t get poetry this friendly guide will help you support pupils as they access understand discuss and enjoy classic and contemporary poetry With an emphasis on active approaches and the power of poetry to enrich the lives of both teachers and students Teaching Poetry Provides a succinct introduction to the major ideas and theory about teaching poetry Covers the key genres and periods through tried and tested favourites and a range of less well known new and historical poetry Illustrates good practice for every approach covered through case studies of theory and ideas in action in the classroom Includes activities ideas and resources to support teaching at Key Stages 3 4 and 5 Teaching Poetry tackles head on one of the aspects of English teaching that new and experienced teachers alike find most difficult It offers both a comprehensive introduction to teaching poetry and a rich source of inspiration and support to be mined when faced with an unfamiliar text or an unresponsive class **The Letters of Seamus Heaney** Seamus Heaney,2024-09-10 The letters provide us with an intimate multilayered understanding of this extraordinary poet s life and mind Every now and again I need to get down here to get into the Diogenes tub as it were or the Colmcille beehive hut or the Mossbawn scullery At any rate a hedge surrounds me the blackbird calls the soul settles for an hour or two In this astute selection from Seamus Heaney s vast correspondence we are given direct access to the life and poetic development of a literary titan from his early days in Belfast through his

controversial decision to settle in the Republic to the gradual broadening of horizons that culminated in the award of the Nobel Prize in Literature and the years of international eminence that kept him heroically busy until his death Christopher Reid draws from both public and private archives to reveal this remarkable story in the poet's own words Generous funny exuberant confiding irreverent empathetic and deeply thoughtful *The Letters of Seamus Heaney* encompasses decades long relationships with friends and colleagues as well as an unstinted responsiveness to passing acquaintances Heaney's mastery of language is as evident here as it is in any of his writings listening to his voice we find ourselves in the same room as a man whose presence enriched the world and whose legacy deepens our sense of what truly matters
