Reaching The Peasant Farmer Organization Theory And Practice In Kenya:

Reaching the Peasant Farmer D. K. Leonard, 1985 *Rural Development* Robert Chambers, 2014-05-12 Rural poverty is often unseen or misperceived by outsiders Dr Chambers contends that researchers scientists administrators and fieldworkers rarely appreciate the richness and validity of rural people s knowledge or the hidden nature of rural poverty This is a challenging book for all concerned with rural development as practitioners academics students or researchers **Public Sector Decentralization** Jerry M. Silverman, 1992-01-01 This paper is addressed to a broad audience of development professionals who are interested in both the substance of decentralisation issues and their impact on economic development The paper summarises experience with alternative decentralisation arrangements and suggests a new analytical framework for assessing the impact of such arrangements on the performance of economic development programmes and projects Consideration of alternative forms of decentralisation reveals the need to clarify and establish priorities among economic and political objectives The potential for conflict among multiple objectives and the need to assess decentralisation policies in terms of acceptable trade offs among those objectives summarises the importance of this paper *Administrative Culture in Developing and Transitional Countries* Ishtiaq Jamil, Steinar Askvik, Farhad Hossain, 2016-03-17 The book explores theoretical methodological and empirical underpinnings of administrative culture as well as prospects and challenges associated with it in the context of and across developing and transitional countries Referring to dominant norms and values in public organizations administrative culture is about the attitudes and perceptions of public officials In many countries civil servants are criticised for being corrupt incompetent unreliable and self centred Their attitudes norms and values and the way they act are in constant conflict with rule of law Recently the virtues of the Weberian model of bureaucracy have been reclaimed as an alternative to New Public Management NPM i e as a model which emphasizes impartiality rule following expertise and hierarchy rather than manipulation of incentive structures and market competition In particular it has been argued that a system of meritocratic recruitment and predictable long term careers increases the professional competence of the bureaucrats and fosters a culture of professionalism among them Still it is unclear how and under what conditions such a model can be adopted Among main hindrances seems to be established power structures and the existing political and societal culture which undermine the effective implementation of the Weberian model This book was published as a special issue of the International Journal of Public Administration **African Successes** David K. Leonard, 1991-03-14 For the past twenty five years Kenya has progressed while much of Africa has stagnated Instead of the economic disasters underdevelopment and serious food shortages that have plagued its neighbors Kenya has enjoyed an expanding economy and agriculture And instead of a corrupt and incompetent public administration Kenya has established several successful rural development programs run by public servants with integrity and professional commitment What accounts for these Kenyan successes In this innovative study David Leonard illustrates the way public policy is made and implemented in Kenya by

focusing on four public officials who have had a great impact on rural development He skillfully weaves his analyses of Kenya's political economic and administrative systems into evocative biographical portraits of Charles Karanja General Manager of the Kenya Tea Development Authority Harris Mule administrative head of Finance and Planning Ishmael Muriithi head of the Veterinary Department and Simeon Nyachae Cabinet Secretary and chief of the Civil Service The result is a fascinating glimpse of Kenyan political life from the inside set in the context of the historical and social forces that have shaped that country's government

No Shortcuts to Progress Goran Hyden, Göran Hydén, 1983-01-01 Textbook proceeding to a comparison of political development and development administration in Africa examines the failure of capital flow technology transfer and development aid to bring about economic and social development emphasizes the need for decentralization revival of local government political participation promotion of nongovernmental organizations and local level institution building and an indigenous management development style considers the role of public enterprise References Polycentric Governance and Development Michael Dean McGinnis, 1999 How communities transcend the tragedy of the commons

Agricultural Research and Extension Systems Ram Bahal, 2004 This Book Investigates The Present Human And Financial Resource Situation Of Agricultural Extension Organizations Of 114 Countries It Will Be Of Great Use To The Extension Researchers Students Planners Policy Makers And Department Of Agriculture And Agriculture Ministries Of Developing Countries The Failure Of The Centralized State James Wunsch, Dele Olowu, John W Harbeson, Vincent Ostrom, 2019-07-11 This book is an outcome of the workshop on Political Theory and Policy Analysis held in Indiana during the 1985-86 It seeks to explain why the centralized African state has failed and discusses the breakdown of social processes indirectly caused by the policies of the centralized state

Revolutions in Development Inquiry Robert Chambers, 2012-05-04 Robert Chambers draws together and reviews the revolutionary changes in the methodologies and methods of development inquiry that have occurred and reflects on their transformative potential for the future Beyond Urban Bias Ashutosh Varshney, 2014-02-04 First Published in 1993 This title sets out to spark debate and learn from the urban bias theory The author suggests that recent political economy research suggests that it is time to redefine the problem of urban bias Viewed as a collective engagement with the urban bias theory this volume presents the new research along with the responses of Bates and Lipton These studies do not add up to an alternative theory of why the state behaves the way it does towards the countryside They do however point to the factors that need careful attention in future research These papers can be seen as building blocks for the construction of an alternative theory of the state and agriculture Adopting Improved Farm Technology Rafael Celis, J. T. Milimo, Sudhir Wanmali, 1991 The physical institutional and policy environment The determinants and effects of technology adoption Determinants of other factors influencing technology adoption

Decentralizing Governance G. Shabbir Cheema, Dennis A. Rondinelli, 2007-08-01 The trend toward greater decentralization of governance activities now accepted as commonplace in the West has become a worldwide movement This international development largely a product of globalization and democratization is clearly one of the key factors reshaping economic political and social conditions throughout the world Rather than the top down centralized decisionmaking that characterized communist economies and Third World dictatorships in the twentieth century today s world demands flexibility adaptability and the autonomy to bring those qualities to bear In this thought provoking book the first in a new series on Innovations in Governance experts in government and public management trace the evolution and performance of decentralization concepts from the transfer of authority within government to the sharing of power authority and responsibilities among broader governance institutions This movement is not limited to national government it also affects subnational governments NGOs private corporations and even civil associations The contributors assess the emerging concepts of decentralization e g devolution empowerment capacity building and democratic governance They detail the factors driving the movement including political changes such as the fall of the Iron Curtain and the ascendance of democracy economic factors such as globalization and outsourcing and technological advances e g increased information technology and electronic commerce Their analysis covers many different contexts and regions For example William Ascher of Claremont McKenna College chronicles how decentralization concepts are playing out in natural resources policy while Kadmeil Wekwete United Nations outlines the specific challenges to decentralizing governance in sub Saharan Africa In each case contributors explore the objectives of a decentralizing strategy as well as the benefits and difficulties that will likely result

Tradition and Public Administration Martin Painter, 2016-01-05 Contributors examine the persistence of administrative patterns in the face of pressures for globalblization by developing a concept of administrative traditions and describing the traditions that exist around the world They assess the impact of traditions on administrative reforms and the capacities of government to change public administration *Politics within the State* Ben Ross Schneider, 2010-11-23 Brazil was one of the most successful examples of state led industrialization in the post 1945 era Yet on the surface the Brazilian bureaucracy appears highly fragmented personalized and ad hoc Ben Ross Schneider looks behind this fa ade to explain how the Brazilian bureaucracy contributes to industrialization by analyzing career patterns and appointments which structure incentives and power more than formal organizations or institutions Politics and personalism of the right sort Schneider

argues can in fact enhance policy effectiveness and state capacity Chinese Aid and African Development D. Bräutigam, 1998-06-21 Since 1957 more than 45 African countries have received aid from China yet until recently little has been known about the effectiveness or impact of this assistance Bräutigam provides the first authoritative account of China's experience as an aid donor in rural Africa In a detailed and highly readable analysis the author draws on anthropology economics organization theory and political science to explain how China's domestic agenda shaped the design of its aid and how domestic politics in African countries influenced its outcome **Development Betrayed** Richard B Norgaard, 2006-05-18 Modernity promised control over nature through science material abundance through technology and effective government through rational social organization Instead of leading to this promised land it has brought us to the brink of environmental and cultural disaster Why has there been this gap between modernity's aspirations and its achievements *Development Betrayed* offers a powerful answer to this question Development with its unshakeable commitment to the idea of progress is rooted in modernism and has been betrayed by each of its major tenets Attempts to control nature have led to the brink of environmental catastrophe Western technologies have proved inappropriate for the needs of the South and governments are unable to respond effectively to the crises that have resulted Offering a thorough and lively critique of the ideas behind development Richard Norgaard also offers an alternative co-evolutionary paradigm in which development is portrayed as a co-evolution between cultural and ecological systems Rather than a future with all peoples merging to one best way of knowing and doing things he envisions a future of a patchwork quilt of cultures with real possibilities for harmony **Handbook of Bureaucracy** Ali Farazmand, 2018-12-13 This encyclopedic reference text provides an analysis of the basic issues and major aspects of bureaucracy bureaucratic politics and administrative theory public policy and public administration in historical and contemporary perspectives Examining theoretical philosophical and empirical interpretations as well as the intricate position of b

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
