Reclaiming Authentic Fundamentalism Douglas R. McLachlan,1993 **The Seven Revivals of the Apocalypse**

Robert A. Allen,2023-10-04 Exiled to Patmos John the apostle receives a vision of the risen Christ along with epistles to be sent to the churches of Asia Minor Unable to go himself John enlists the aid of one of his guards as his messenger Prochorus a new convert carries the letters to the seven churches At each location he encounters the problems those first century churches faced as outlined in the letters Interaction with the people in those cities brings to life the commendations and condemnations announced by God At the same time his former commander Ulpius pursues him in an attempt to prevent what he considers disloyalty to his god Emperor Domitian Other trouble arises from those who worship the Greek gods In spite of threats arrests opposition and disappointment Prochorus completes his mission In every location he finds those who listen with open ears respond to the divine message repent of their sins revealed by a God who knows them and experience revival

I Fired God Jocelyn R. Zichterman,2013-05-14 A compelling memoir and account of the Independent Fundamental Baptist church and its shocking history of religious abuse Jocelyn Zichterman was born raised married into and finally with her family fled the Independent Fundamental Baptist church Founded by the fiery preacher Bob Jones with several hundred thousand members IFB congregants are told they must not associate with members of other Baptist denominations and evangelicals with an emphasis on secrecy insular marriages within the church a subservience for women and unusual child raising practices In I Fired God Jocelyn Zichterman systematically details the IFB s disturbing history exposing a cult like atmosphere of corruption greed and abuse Having been initiated into its innermost circles Zichterman knows that the gentle demeanor America sees in the form of the Duggar clan on 19 Kids and Counting disguises the truth about the darker side of the church With written documentation and sources so thorough that law enforcement has used her work as a foundation for criminal prosecutions Zichterman exposes the IFB with revelations including The disturbing world of abuse within the IFB and doctors and teachers who cater exclusively to church members and fail to report physical and sexual abuse The IFB controlled Bob Jones University which issues degrees of questionable value while making vast sums of money for its founders The way the IFB influences politics on the local state and national level and protects its abusive culture under the constitutional guarantee of freedom of religion

Reclaiming the Sane Society Miri Seyed Javad,Robert Lake,Tricia M. Kress,2014-07-03 Erich Fromm s body of work written more than 50 years ago was prophetic of the contemporary moment Increasingly global society is threatened by the many headed monster of corporate greed neo liberalism nihilism extreme fundamentalist beliefs and their resulting effects on the natural world and the lived lives of people Fromm clearly warned us of the peril of the misuse of technology and the destructive nature of man s perverse desire to possess control and or destroy Through his theories of having vs being the importance of hope as active resistance and his notion of freedom as the capacity to love self and others Fromm encouraged his readers to cultivate biophilic ways of being in the world that will counter and

heal the impending necrophilic plunder of man's hubris This multi authored volume sheds new light on Fromm's forgotten role in the formation of contemporary thought through an engaging variety of reflexive and historical narratives from fields of sociology clinical psychology political science critical theory of religion and education Key concepts from his body of work are interpreted and expressed in ways that offer hopeful and humane alternatives to the present global conditions of despair greed and depersonalization Promise Unfulfilled Rolland McCune,2017-07-17 The New Evangelicalism was conceived if not born with the formation of the National Association of Evangelicals in 1942 This new group was in the main led by younger professing fundamentalist scholars and leaders who had become dissatisfied with their heritage and wanted to carve out some evangelical middle ground between fundamentalism and neo orthodoxy This book is an analysis of the break away movement in terms of the issues ideas and practices that led to its beginning its expansion to an apogee in the 1970s its subsequent loss of biblical and doctrinal stability and its slide toward virtual irrelevancy in a postmodern world culture of the 21st century The twenty five chapters are grouped under nine main sections Historical Antecedents the Formation of the New Evangelicalism Ecumenism Ecclesiastical Separation The Bible and Authority Apologetics Social Involvement Doctrinal Storms and Evaluations and Prospects It will be a valuable addition to the pastor's library and a strategic resource for theological education in Bible colleges and seminaries *The Pyramid and the Box* Joel Tetreau,2013-07-01 Congregations the members who attend them and the leaders who serve them are too often wounded by the ill effects of bad decision making The Pyramid and the Box attempts to answer three primary questions about decision making in the local church What is decision making Who are the legitimate decision makers How do you execute effective decision making **Isms and Schisms** Milton Jones,2013-10-22 In these confusing times it is important to understand the differences in doctrine and position that exist in the contemporary religious scene These differences really do matter What is the difference between Evangelicalism and Fundamentalism What is the difference between apostasy and heresy Do associations matter This volume traces the various nuances of belief and disbelief beginning at Atheism and ending with subject of heresy This treatment is not exhaustive but strives to cover the Isms and Schisms that influence our times The Huguenots and Henry of Navarre, Volume 1 Henry M. Baird,2004-04-02 This 2004 Wipf Stock edition of The Huguenots and Henry of Navarre by Henry Baird is a digital facsimile of the original 1896 edition published by Kegan Paul Trench Company **The Fall and Rise of Christian Standards** David Kidd,2005-02 For those struggling with the balance between nit picky rules and permissiveness its an indispensable resource of biblical reason In gracious conversational style the reality of Christianity's cultural adaptation is illustrated along with a practical understanding of relevant scriptural principles and their legitimate application to the polarizing issue of personal standards This is a makeover for the church from the inside out *Everybody's Business: Reclaiming True Management Skills in Business Higher Education* I. Mitroff,C. Alpaslan,E. S. O'Connor,2014-02-14 Everybody's Business is a succinct analysis of the factors that led to the founding of American business schools and why they

are the way they are Mitroff Alpaslan and O Connor consider why current business schools do not give students the knowledge and the tools they need to deal with today s complex messy problems and systems Why on Earth Are There Churches? Michael R. Privett,2012-08 After years of observation I have concluded that so many local churches function without regard to their God given biblical mission and objectives because of their unclear mission their unbiblical targets or their unbalanced objectives The Lord God has already given His church a clearly defined mission for the present age Yet so many local churches seem to function without understanding their biblical mission their God directed reason for existence while other local churches and their leaders have revised or even compromised their God given mission thinking that they know better than God Some churches disband Sunday school dismantle the choir and disassemble pews only to replace them with other programs and ideas that will become traditional soon enough Traditions customs and worship styles vary from culture to culture and from generation to generation I ve been in the gospel ministry long enough to have seen the pendulum swing back and forth a time or two So many ministries programs concepts and styles are not new but just repackaged Today s new fresh blended methods will become traditional to the next generation after a short period of time Too often we are more involved in following the latest fad than we are in striving to do all to the glory of God What really matters is whether you have presented a true and accurate opinion and view of the nature and character of God so that others will praise and exalt Him to His worthy place of honor esteem and excellence The Baptist Bulletin ,1994 **Reclaiming Afrikan** Matabeni, Zethu,2014-10-25 Reclaiming Afrikan queer perspectives on sexual and gender identities is a collaboration and collection of art photography and critical essays interrogating the meanings and everyday practices of queer life in Africa today In Reclaiming Afrikan authors activists and artists from Nigeria Uganda Zambia Kenya and South Africa offer fresh perspectives on queer life how gender and sexuality can be understood in Africa as ways of reclaiming identities in the continent Africa is known to be harsh towards people with non conforming genders and sexual identities It is within this framework that Reclaiming Afrikan exists to respond to such violations and to offer alternative ways of thinking and being in the continent The book appropriates Afrika and queer to affirm sexual identities that are ordinarily shamed and violated by prejudice and hatred The use of k in Afrika signals an appropriation of an identity and belonging that is always detached from a queer person queer in this book is understood as an inquiry into the present as a critical space that pushes the boundaries of what is embraced as normative The artists and authors included in this text are queer themselves and occupy spaces that speak back to hegemony For many this position challenges various norms on gender sexuality and existence and offers a subversive way of being **The New Blackwell Companion to the Sociology of Religion** Bryan S. Turner,2016-10-03 THE NEW BLACKWELL COMPANION TO THE Sociology of Religion I enjoyed reading this book for its in depth examination of the complexities of the social forces that are shaping and are being shaped by religious groups around the world I certainly see this being of theoretical value for researchers engaging the new religious realities of our world Sociology of

Religion A Quarterly Review The new companion is a timely and valuable work validly updating the original companion and a good addition to the reference shelves of any academic or specialist library Reference Reviews Reflecting recent developments in the field this companion provides a comprehensive introduction to the sociology of religion with a clear emphasis on comparative and historical approaches Covering all the areas relevant to undergraduate courses in this area the Companion begins by laying down the anthropological and sociological foundations of the study of religion and their contemporary developments It continues with an analysis of both traditional and contemporary forms of organization such as church sect typologies as well as megachurches and modern forms of spirituality The secularization and post secular society debates are considered in depth along with the globalization process fundamentalism charismatic movements and revivalism It also discusses the sociology of Buddhism Christianity Hinduism Islam Judaism and religions of China as well as the areas of American exceptionalism from de Tocqueville onwards religious nationalism women and piety movements and the spirituality of Native American communities Considering new developments in social theory and religion the collection concludes with a discussion of recent work that attempts to understand the future of religion blending the sociology of modern societies anthropological ethnography and philosophical inquiry *RetroChristianity* Michael J. Svingel, 2012-04-30 Evangelicalism is in trouble Surveying the modern evangelical landscape professor Michael Svingel asks Why does evangelicalism appear to be spinning out of control losing appeal to younger generations dwindling in numbers or selling out to pop culture to muster a crowd He seeks to answer this question by looking to the past to a Retro Christianity Calling for a return to evangelicalism s historical and theological roots Svingel begins by addressing some of present day evangelicalism s problems and explores what can be done to help churches regain a healthy perspective on doctrine He then gives practical examples of what establishing a biblical historical and theologically sound foundation will mean for Christians as they think through aspects of church life and worship As the numbers of those confused or disenchanted with evangelicalism continue to grow Svingel s book meets a timely need and will benefit many readers with his balanced argument for preserving the evangelical faith

Fundamentalisms and Society Martin E. Marty, R. Scott Appleby, 1997-01-05 The Fundamentalism Project Edited by Martin E Marty and R Scott Appleby Around the world fundamentalist movements are profoundly affecting the way we live Misinformation and misperception about fundamentalism exacerbate conflicts at home and abroad Yet policymakers journalists students and others have lacked any comprehensive resource on the explosive phenomenon of fundamentalism Now the Fundamentalism Project has assembled an international team of scholars for a multivolume assessment of the history scope sources character and impact of fundamentalist movements within the world s major religious traditions *Fundamentalisms and Society* shows how fundamentalist movements have influenced human relations education women s rights and scientific research in over a dozen nations and within the traditions of Islam Judaism Christianity Buddhism and Hinduism Drawn from the fields of anthropology sociology history of religion and history of science the contributors cover

topics such as the educational structures of Hindu revivalism women in fundamentalist Iran and Pakistan and the creationist cosmos of Protestant fundamentalism In a concluding essay William H McNeill situates contemporary fundamentalisms within a world historical context The Fundamentalism Project Volume 2 Martin E Marty and R Scott Appleby direct the Fundamentalism Project Marty the Fairfax M Cone Distinguished Service Professor of the History of Modern Christianity at the University of Chicago is the senior editor of the Christian Century and the author of numerous books including the multivolume Modern American Religion also published by the University of Chicago Press Appleby a research associate at the University of Chicago is the author of Church and Age Unite The Modernist Impulse in American Catholicism

The Complete Idiot's Guide to Understanding Saudi Arabia Colin Wells, 2003 Some call it a friend to the U S others a foe Now get the facts on this complex and crucial nation A detailed and comprehensive overview of this complex Middle Eastern country this book covers Arabia s early history the rise of the House of Saud the discovery of Saudi oil Islamic fundamentalism day to day life and the country s connection to 9 11 as well as the country s future

Global Migrancy and Diasporic Memory in the work of Salman Rushdie Stephen J. Bell, 2020-10-14 Global Migrancy and Diasporic Memory in the Work of Salman Rushdie examines Salman Rushdie s major works for the ways that they consistently affirm the power of memory to construct a concrete rooted identity for characters and nation states despite the prerogative of migrants to translate themselves into new creations through a dismissal of the weight of the past Stephen J Bell conducts an in depth comprehensive postcolonial and postmodern analysis of Rushdie s ideas as expressed through the author s work If exile is a dream of glorious return as one of his characters reflects in The Satanic Verses few diasporic writers living today rival Rushdie for the singular inspiration he draws from memories of home and the past So vital is the idea of home and belonging to Rushdie that notwithstanding the frequent charges of his critics that he represents no more than a disconnected cosmopolitan Bell would categorize Rushdie s position as one of centripetal migrancy with centrum center and petere to seek forming the idea of a constant quest for the center Rushdie thus qualifies as the quintessential centripetal migrant whose slippery critical location is balanced Janus faced between the future and the past

The Politics of Virtue Elizabeth Mensch, Alan Freeman, 1993 Fiercely committed to the separation of church and state thoroughly pluralistic largely secular Where does a society like ours find common terms for conducting a moral debate In view of the crises surrounding the issue of abortion it is tempting to answer nowhere In this timely and provocative book Elizabeth Mensch and Alan Freeman urge that we challenge the extremes of both the pro life and pro choice views of the abortion issue and affirm the moral integrity of compromise Attempting to restore a level of complexity to the discussion and to enrich public debate so that we may move beyond our current impasse the authors argue that it is essential to understand how issues of legal rights and theological concerns interact in American public debate Returning to the years leading up to *Roe v Wade* Mensch and Freeman detail the role of religion and its relationship to the emerging politics of abortion Discussing primarily the natural law tradition associated with Catholicism and the Protestant ethical tradition the authors focus most sharply on the 1960s in which the present terms of the abortion debate were set In a skillful analysis they identify a variety of factors that directed and shaped the debate including among others the haunting legacy of Nazism the moral challenge of the civil rights movement the God is dead discourse school prayer and Bible reading Harvey Cox's *The Secular City* the Berrigans and Vietnam the animal rights movement and the movement of the church going population away from mainstream Protestant tradition toward evangelical fundamentalism By criticizing the rhetoric employed by both the pro choice and pro life camps Mensch and Freeman reveal the extent to which forces on either side of the issue have failed to respond to relevant concerns Since *Roe v Wade* the authors charge public debate has seemed to concede the moral high ground to the pro life position while the pro choice rhetoric has appeared to defend an individual's legal right to do moral wrong Originally published as a special issue of *The Georgia Law Review* Spring 1991 this revised and expanded edition will be welcomed by all those frustrated by the impasse of debates so central to our nation's moral life
