The British Sitcom Spinoff Film Stephen Glynn, 2023-12-07 This book constitutes the first full volume dedicated to an academic analysis of theatrically released spinoff films derived from British radio and television sitcoms Regularly maligned as the nadir of British film production and marginalised as a last resort for the financially bereft industry during the 1970s this study demonstrates that the sitcom spinoff film has instead been a persistent and important presence in British cinema from the 1940s to the present day and includes occasional works with distinct artistic merit Alongside an investigation of the economic imperative underpinning these productions i.e. the exploitation of proven product with a ready made audience it is argued that with a longevity stretching from Arthur Askey and his wartime *Band Waggon* 1940 to the crew of *Kurupt FM* and their recent *People Just Do Nothing* Big in Japan 2021 the British sitcom spinoff can be interpreted as following a full generic life cycle Starting with the formative stage where works from *Hi Gang* 1941 to *I Only Arsked* 1958 establish the genre's characteristics the spinoff genre moves to its classic stage where secure for form and content it enjoys considerable popular success with films like *Till Death Us Do Part* 1969 *On the Buses* 1971 *The Likely Lads* 1976 and *Rising Damp* 1980 the genre's revival since the late 1990s reveals a more parodic final stage with films like *The*

League of Gentlemen's Apocalypse 2005 adopting a consciously self-reflective mode. It is also posited that the sitcom spinoff film is a viable source for social history with the often stereotypical representations of characters and events an often blatant ideological metonym for the concerns of wider British society notably in issues of class race gender and sexuality **How**

To Be A Sitcom Writer Marc Blake, 2023-02-15 Everyone loves and hates sitcom. On TV it's the goldmine genre the one watched by millions. There's a special place in our hearts for Fawlty Towers Frasier Blackadder and Brent. An absurd predicament witty banter a group of hilariously dysfunctional people it all seems so easy. But is it? If you've ever said 'I can do better than that' then this is the book for you. How to be a Sitcom Writer will encourage test and pull you through the comedy boot camp that is writing narrative-led character comedy for radio TV **Writing Sitcoms**, *Code: Damp* Sophie

Sleigh-Johnson, 2024-11-12 An alternative occult and esoteric history of England told through one of its most popular cultural forms the comedy sitcom. *Code Damp* is a sometimes comedic field report that charts an esoteric code hidden within the twin poles of 1970s sitcoms *Rising Damp* and *The Fall and Rise of Reginald Perrin*. Outlining how past cultural patterns condensate and repeat through technology time is shown to be a damp condensation seeping through the centuries and out onto the telly. Interspersed with the author's own photographs prints Holsten Pils cans local newspaper entries and carrier bags as well as a whole host of other characters the work seems an antiquarian's conceit that takes time travel as a metaphoric methodology. This is not media studies more an allegory of all reality as televisual recorded history excavating the strata of haunted technology from which the fragile band of code comprising our sense of time is briefly emitted. Drawing connections between incidents of ancient and popular culture from Mark E. Smith's lyric 'They say damp records the past' to *Rising Damp*'s meta physical structure of decay the book finds damp's temporal power manifest in everything from alchemy mysticism and parish folklore to pulp. Time Team darts the local newspaper and of course the sitcom. Merging the vast with the parochial the occult with the comedic *Code Damp* tunes into the weird demands of damp as a time traveling material at the intersections of comedy myth and technology taking all three as serious resources to better disorient the ground we stand on *Cycles of Hatred and Rage* Katherine C. Donahue, Patricia R. Heck, 2019-05-07 This edited collection addresses a

growing concern in Europe and the United States about the future of the European Union democratic institutions and democracy itself. The current success of right wing parties marked by the adoption of extremist nationalistic rhetoric aimed to incite fear of the other and the use of authoritarian policies when attaining the majority is putting pressure on basic human rights and the rule of law. Eight sociocultural anthropologists working in England Northern Ireland Italy France Poland Germany Hungary and the United States use varying methodological and theoretical approaches to inspect a number of such parties and their supporters while assessing the underpinnings of current right wing successes in what has heretofore been a recurring post war cycle. The research collected in *Cycles of Hatred and Rage* supports the validity of the above concerns and it ultimately suggests that in the current battle between democratic globalists and authoritarian

nationalists the outcome is far from clear Threats at Three Ann Purser,2010-12-07 From the author of *Tragedy at Two* the latest Lois Meade mystery in which timing is everything Lois Meade has worked through all the days of the week turning up clues and scrubbing up both messes and murderers in the village of Long Farnden But crime is a persistent stain When a dead body is found in a canal Detective Cowgill believes the murder is connected to a suspicious fire and a heated dispute over saving the local village hall Time to turn to the ever reliable Lois Meade to sort out the culprits and pick up the loose ends before their village hall turns into a funeral hall **Festival Cities** John R. Gold,Margaret M. Gold,2020-12-03

Performances of the Sacred in Late Medieval and Early Modern England Susanne Rupp, Tobias Döring, 2005 Communities have often shaped themselves around cultural spaces set apart and declared sacred For this purpose churches priests or scholars no less than writers frequently participate in giving sacred figures a local habitation and sometimes voice or name But whatever sites rites images or narratives have thus been constructed they also raise some complex questions how can the sacred be presented and yet guarded claimed yet concealed staged in public and at the same time kept exclusive Such questions are pursued here in a variety of English texts historically employed to manifest and manage versions of the sacred But since their performances inhabit social space this often functions as a theatrical arena which is also used to stage modes of dissent

difference sacrifice and sacrilege In this way all aspects of social life the family the nation the idea of kingship gender identities courtly ideals love making or smoking may become sacralized and buttress claims for power by recourse to a repertoire of religious symbolic forms Through critical readings of central texts and authors such as Sir Gawain Foxe Sidney Shakespeare Donne or Vaughan as well as less canonical examples the Croxton play Buchanan Lanyer Wroth or the tobacco pamphlets the twelve contributions all engage with the crucial question how and to what end performances of the sacred affect or effect cultural transformation
