Sgt Bilko:

Sgt. Bilko Phil Silvers, 2006 **New York Magazine** ,1996-04-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Weekly World News** ,1996-06-04 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site **Nobody's Perfect** Anthony Lane,2009-08-19 Anthony Lane on Con Air Advance word on Con Air said that it was all about an airplane with an unusually dangerous and potentially lethal load Big deal You should try the lunches they serve out of Newark Compared with the chicken napalm I ate on my last flight the men in Con Air are about as dangerous as balloons Anthony Lane on The Bridges of Madison County I got my copy at the airport behind a guy who was buying Playboy s Book of Lingerie and I think he had the better deal He certainly looked happy with his purchase whereas I had to ask for a paper bag Anthony Lane on Martha Stewart Super skilled free of fear the last word in human efficiency Martha Stewart is the woman who convinced a million Americans that they have the time the means the right and damn it the duty to pipe a little squirt of soft cheese into the middle of a snow pea and to continue piping until there are fifty to sixty stuffed peas raring to go For ten years Anthony Lane has delighted New Yorker readers with his film reviews book reviews and profiles that range from Buster Keaton to Vladimir Nabokov to Ernest Shackleton Nobody s Perfect is an unforgettable collection of Lane s trademark wit satire and insight that will satisfy both the long addicted and the not so familiar **New York Magazine** ,1996-04-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea When Baseball Was Still Topps Phil Coffin,2023-12-14 Card by card all 572 of the 59 Topps set this book contemplates the lives and times of mid 20th century baseball That season was in the heart of a period of turmoil milestones in integration franchise shifts to the West Coast a potential rival league the major leagues expansion and labor issues that included paying young prospects not to play The cards help tell the players stories too The slugger who had a date with Marilyn Monroe no not Joe DiMaggio and the minor leaguer better known than Marilyn The nephew of a Black Sox player and the target of a bribery attempt The lefty catcher The pitcher from Mayberry The only player to pinch hit for Ted Williams Strikeout kings and wildmen Religious stalwarts and hell raisers The stripper s husband The coolest socks in baseball Ballplayers who were also basketball players including the

NBA's No 1 pick one year Satchel's Six Rules and Twig's Six Rules Coot Rip Turk Puddin Head Whammy The Rope and Captain Midnight Pick any card and you'll find another engaging tale about baseball **Sitcom** Saul Austerlitz, 2014-03-01 The form is so elemental so basic that we have difficulty imagining a time before it existed a single set fixed cameras canned laughter zany sidekicks quirky family antics Obsessively watched and critically ignored sitcoms were a distraction a gentle lullaby of a kinder gentler America until suddenly the artificial boundary between the world and television entertainment collapsed In this book we can watch the growth of the sitcom following the path that leads from Lucy to The Phil Silvers Show from The Dick Van Dyke Show to The Mary Tyler Moore Show from M A S H to Taxi from Cheers to Roseanne from Seinfeld to Curb Your Enthusiasm and from The Larry Sanders Show to 30 Rock In twenty four episodes Sitcom surveys the history of the form and functions as both a TV mixtape of fondly remembered shows that will guide us to notable series and larger trends and a carefully curated guided tour through the history of one of our most treasured art forms New York Magazine, 1996-04-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Emmy Award Winning Nighttime Television Shows, 1948-2004** Wesley Hyatt, 2015-09-11 Since the early days of television well before most households had a set the Academy of Television Arts and Sciences has been handing out honors for the industry's best efforts Now fans can read about their favorites and perhaps rediscover some forgotten pleasures in this reference to prime time and nighttime Emmy winners Beginning with the heated charade contest known as Pantomime Quiz which won Most Popular Program of 1948 in the first Emmy Awards ceremony held in 1949 each of more than 100 winning shows gets star treatment with an entry that includes the year of award or awards air times hosts guests casts and a full discussion of the show's history and run Many of the entries include original interviews with cast or crew members With such rich information each show's entry constitutes a chapter in the history of television through the story of the show and the people who made it happen The best of variety drama game shows comedies adventures and many more categories are featured An appendix offers interesting facts and figures and ranks shows according to such statistics as longest run longest delay from debut to win and most Emmys won Make 'Em Laugh Michael Kantor, Laurence Maslon, 2008-12-02 From the most popular routines and the most ingenious physical shtick to the snappiest wisecracks and the most biting satire of the last century Make Em Laugh illuminates who we are as a nation by exploring what makes us laugh and why Authors Laurence Maslon and Michael Kantor draw on countless sources to chronicle the past century of American comedy and the geniuses who created and performed it melding biography American history and a lotta laughs into an exuberant important book Each of the six chapters focuses a different style or archetype of comedy from the slapstick pratfalls of Buster Keaton

and Lucille Ball through the wiseguy put downs of Groucho Marx and Larry David to the incendiary bombshells of Mae West and Richard Pryor And at every turn the significance of these comedians smashing social boundaries challenging the definition of good taste speaking the truth to the powerful is vividly tangible Make Em Laugh is more than a compendium of American comic genius it is a window onto the way comedy both reflects the world and changes it one laugh at a time Starting from the groundbreaking PBS series the authors have gone deeper into the works and lives of America s great comic artists with biographical portraits archival materials cultural overviews and rare photos Brilliantly illustrated with insights and jokes from comedians writers and producers along with film radio television and theater historians Make Em Laugh is an indispensable definitive book about comedy in America The Long War Andrew J. Bacevich,2007 Essays by a diverse and distinguished group of historians political scientists and sociologists examine the alarms emergencies controversies and confusions that have characterized America s Cold War the post Cold War interval of the 1990s and today s Global War on Terror This Long War has left its imprint on virtually every aspect of American life by considering it as a whole The Long War is the first volume to take a truly comprehensive look at America s response to the national security crisis touched off by the events of World War II Contributors consider topics ranging from grand strategy and strategic bombing to ideology and economics and assess the changing American way of war and Hollywood s surprisingly consistent depiction of Americans at war They evaluate the evolution of the national security apparatus and the role of dissenters who viewed the myriad activities of that apparatus with dismay They take a fresh look at the Long War s civic implications and its impact on civil military relations More than a military history The Long War examines the ideas policies and institutions that have developed since the United States claimed the role of global superpower This protracted crisis has become a seemingly permanent if not defining aspect of contemporary American life In breaking down the old and artificial boundaries that have traditionally divided the postwar period into neat historical units this volume provides a better understanding of the evolution of the United States and U S policy since World War II and offers a fresh perspective on our current national security predicament

New York Magazine ,1996-04-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Guts and Glory* Lawrence H. Suid,2015-01-13 *Guts and Glory* The Making of the American Military Image in Film is the definitive study of the symbiotic relationship between the film industry and the United States armed services Since the first edition was published nearly two decades ago the nation has experienced several wars both on the battlefield and in movie theatres and living rooms at home Now author Lawrence Suid has extensively revised and expanded his classic history of the mutual exploitation of the film industry and the military exploring how Hollywood has reflected and

effected changes in America's image of its armed services. He offers in depth looks at such classic films as *Wings*, *Thirty Seconds Over Tokyo*, *The Longest Day*, *Patton*, *Top Gun*, *An Officer and a Gentleman*, and *Saving Private Ryan*, as well as the controversial war movies *The Green Berets*, *M.A.S.H.*, *The Deer Hunter*, *Apocalypse Now*, *Platoon*, *Full Metal Jacket*, and *Born on the Fourth of July*.

The Top 100 American Situation Comedies Mitchell E. Shapiro, Tom Jicha, 2015-10-27 A number of books and articles have been written ranking the best situation comedies of all time. These have all had something in common: subjective criteria based on the authors' opinions. This book attempts an objective ranking of the best 100 American sitcoms based on a mathematical formula taking into account four factors: ratings, longevity, peer acceptance, and spawning of other programs/spin-offs. The authors considered a field of 377 series which met at least one of four criteria: aired for at least three seasons, rated among top 30 series in at least one season, received at least one major Emmy nomination, or spawned at least one other series. A critical essay is provided for each series along with air dates and cast listings.

Through My Head Bradley M. Fralick, 2001-06-27 How would you react if you went to sleep one night a young dentist beginning to build a successful practice to support your wife and two kids and woke up fuzzily seven months later to find that you were a different person? You had a cast on your important right hand not because it was broken but because your brain wouldn't or couldn't send the signals to relax the muscles and your hand tried to curl into a fist. Your right foot was pretty weak because your Achilles tendon had been cut and stretched so that your foot wouldn't curl up like your hand. You had lost your sense of balance and your mind wouldn't allow you to speak without repeating your words so fast that your tongue couldn't keep up and people could no longer understand you without straining. You had difficulty making decisions and you couldn't remember any decisions that you made. To make things worse you saw two or three or sometimes more images and your brain wouldn't integrate them into one. Brad Fralick woke up in this way in 1994. His practice had been sold and his life was forever changed. This book is a record of his remarkable journey toward thinking clearly again. It might be called a book of short essays. It is actually a chronology of his thoughts. As Brad recovered he initially had to write his thoughts down because his short-term memory was so bad that he couldn't sustain a thought train and he couldn't communicate verbally. He couldn't straighten his right hand and couldn't control his left hand well enough to write with pen or pencil so he began to learn to type on a keyboard with one finger of his left hand. We encouraged him to write everything that went through his head and he initially found it easier to write about a fictional character going through his own life experiences. Later he began writing his views on politics, religion, and just about any aspect of life. Writing was important to Brad's recovery but computer games have been even more instrumental. Contemporary research suggests that mental activities with many arbitrary simple rules may help recovery of cognitive function. Have you ever heard of a more enlightened description of computer games? Hoping that a game or two would help put other broken brains back together we set up a web site to present comments on games as a sort of mental gymnasium or biofeedback treatment that's fun. Brad wrote a few game reviews and then began to write about a

fictional character Dr Sgt Milko a dentist who was an enlisted man in the Army As the fictional stories were written Brad published them on this web site in chronological order with most recent stories at the top of his table of contents These stories are collected in the second portion of this book THE MILKO STORIES They are published pretty much in reverse chronological order newest stories first Some make you laugh some make you cry and some just make you think They each reveal a new aspect of the recovery of his brain Surprisingly many of the stories are of adventures that actually took place years ago as Brad was growing up Brads long term memory was not impaired by his brain injury Neither was his imagination Brad eventually began to publish his thoughts about contemporary life as a Traumatic Brain Injury survivor He added a new section to his web site to publish these comments The subject of his attention ranges from the wild fires that almost burned the Los Alamos national laboratory to his relationship with his son

New York Magazine ,1996-04-15 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
