ground and resulted in the Allied forces careful planning going awry The book also describes the elaborate deception carried out by the Allies regarding the invasion landing site and how these efforts impacted battle developments and it presents nine primary documents that treat various aspects of the battle including the lengthy Allied plan for the invasion and primary sources of directives regarding the battle and technical innovations [I Survived the Battle of D-Day, 1944 \(I Survived #18\)](#) Lauren Tarshis,2019-01-29 It was a battle that would change the course of World War II New York Times bestselling author Lauren Tarshis commemorates the Normandy landings in this pulse pounding story of the largest seaborne invasion in history Eleven year old Paul s French village has been under Nazi control for years His Jewish best friend has disappeared Food is scarce And there doesn t seem to be anything Paul can do to make things better Then Paul finds an American paratrooper in a tree near his home The soldier says the Allies have a plan to crush the Nazis once and for all But the soldier needs Paul s help This is Paul s chance to make a difference Soon he finds himself in the midst of the largest invasion in history Can he do his part to turn horror into hope New York Times bestselling author Lauren Tarshis tells the story of the battle that became the foundation for the Allied victory in World War II Includes a section of nonfiction backmatter with more facts about the real life event [D-Day in Numbers](#) Jacob F.
