Are you looking for anti-aging skin care techniques? Do you wonder if anti-aging diet and lifestyle changes affect the condition of your skin? Are there any non-surgical remedies for wrinkles? This book is an anti-aging guide for healthy, younger-looking skin. In this book, you will learn about natural skin products, which anti-aging skin care treatments will make you look younger, techniques to get clear, glowing skin naturally, the impact of lifestyle on the appearance of the skin, a basic skin routine, five components of skin aging, minimizing occasional skin problems. However, anti-aging skin routines include some treatments in addition to those listed above, some of which are administered by skincare professionals. **Beautiful Skin** Keyvan Nouri, 2016-09. Although the concept of beauty has evolved through the years, beauty itself transcends all history and cultures to form a universal aspect of human civilization. Consequently, the cosmetic industry is growing in popularity as people worldwide are seeking care from their board-certified dermatologist and/or plastic surgeon to enhance their beauty. Cosmetics encompass a wide array of procedures, including anything from laser and light-based technology to chemical peels, makeup, and hair transplantation. *Beautiful Skin: A Dermatologists Guide to a Younger Looking You* aims to provide accurate and relevant information to the general public pertaining to the different cosmetic procedures frequently performed. In this digital age, people are often misled by inaccurate and biased information provided by some Internet sources. Therefore, the authors in this book explore the principles and relevant facts underlying every procedure and work toward providing an educational description to the reader. This book is meant to fill any gap in knowledge for those who have questions that remain unanswered or for those who are simply curious to know more about beauty and the procedures they are undergoing. In doing so, it will assist patients in making informed decisions regarding the cosmetic care they receive and thus lead to satisfying outcomes for the patient.
